

**Mansfield City Schools**  
**Annual 403(b) Plan Eligibility Notice**  
**2019**

**Mansfield City Schools** offers our eligible employees the opportunity to save for retirement by participating in the **Mansfield City Schools 403(b) Plan** (the “403(b) plan”). You can participate in this plan by making pre-tax contributions and (if permitted by the 403(b) plan) Roth 403(b) after-tax contributions. You are eligible to participate in this plan, whether or not you are actively contributing to it.

**Not yet contributing to the 403(b) plan?**

To start your contributions to the 403(b) plan, complete and return a salary reduction agreement to the Treasurer’s office to the attention of Leslie Watts or Rhonda Berry. No salary reduction agreement forms are kept in the Treasurer’s office; these are obtained by the participating agency. Forms must fall under the guidelines of the IRS and meet all compliance regulations set by Mansfield City Schools. Please note that in addition to completing and returning a salary reduction agreement, you must also establish an account with the appropriate investment provider(s) that you have selected on the salary reduction agreement and you may also need to provide any additional information that may be required to enroll you in the 403(b) plan.

**Already contributing the 403(b) plan? Great news! You have an opportunity to increase your contributions to the 403(b) Plan.**

If you are already currently contributing to the 403(b) plan, you may be able to increase your pre-tax contributions. To change your contributions, complete and return a salary reduction agreement to the Treasurer’s office to the attention of Leslie Watts or Rhonda Berry.

Of course, you can keep your contributions at their current level. In the alternative, if your current financial situation means that you need to lower your saving for retirement, you can change your contribution rate by completing and returning a salary reduction agreement as described above.

**How much can I contribute?**

In general, you may contribute up to \$19,000 in 2019. This amount may be adjusted annually. Consult your financial advisor for contributions for the “catch up” contributions. You must be 50 years old and/or you have completed at least 15 years of service, you may be able to make additional catch-up contributions. Each catch-up has its own limits.
