## Students Observe Armistice Day With Assembly

Rev. Swoyer Talks to Group

Armistice Day, November 11th, was observed by the student body in an assembly under the direction of Miss McIlvaine. An opening march was played by the band with the presentation of the flag following. The salute to the flag, the pledge, and the American Creed were given.

The main feature of the program was an address by the Reverend Grover E. Swoyer of the First Lutheran Church and chaplain of the McVey Post 16 of the American Legion. His message was on the meaning of Armistice Day.

After Reverend Swoyer's talk there was music by the Appleseed Ensemble. John Stanton recited "In Flander's Field," following which the assembly sang "America."

The auditorium was emptied to the accompaniment of a closing march played by the band.

## Choir Appears in Auditorium Program

Mr. Derr, the vocal instructor of Johnny Appleseed, presented the choir here in a program on the afternoon of November 18th for the student body and a performance in the evening for the parents.

Numbers by the choir members included: "Little David Play on Your Harp" by Harry Wilson; "Pop Goes the Weasel," Florence M. Martin; "Evening Prayer," Humperdink, Charles Lewis, Ruth Lewis, a duet; "Stars and Stripes Forever," Lynn Decker; Jane Manz and Cannon Faye, "Paderewski Minuet." The Seventh Grade Ensemble sang three numbers.

Included was a skit by Miss Ruth called "When Elmer Played John Alden." The following pupils played the roles: Mr. Henry Brown, David Stull; Mrs. Henry Brown, Barbara Tingley; Tom, Robert Willis; Elmer, Robert Meyer; Miss Pennyfield, Joan Kullman; Jane, Barbara Meilinger; Nora, Felicia Burkett.

Mr. Derr will sponsor another program sometime in December.

## Let Us All Give Thanks

By NANCY McCOMBS and VIRGINIA BARNETT

About this time of year the harvesting is done and winter is coming on. Thanksgiving is here, the day when many think of feasting and visiting with relatives. But if we were to go back three hundred and twenty years, to the autumn of 1621, for the time and place this celebration originated, we would find it was not a harvest feast.

Those early pilgrims met on Thanksgiving in prayer. They had suffered many dangers that first winter. Their dead had been buried at night from fear of the Indians knowing they had lost so many, and they had lost large numbers. Half of the little colony had died, including Governor Carver. Despite this fact, they stood staunchly and had met for a day of giving thanks.

They were thankful, yes! But today we Americans have far more to be thankful for.

We should give thanks that we live in a nation where there are such things as the Bill of Rights giving us Freedom of Speech, Freedom of the Press, and where one is free to worship as one chooses.

We are thankful that we live in the United States, a democracy, and not ruled by a dictator.

We are thankful that we can walk on the streets without fear of having to run for bomb shelters.

Therefore, this year as we sit down to our Thanksgiving dinner, let us pray that our good fortunes continue.

WE ARE THANKFUL  
By Delores Wise

We are thankful we live in America  
And not across the sea  
In the land so very beautiful  
In the land of the brave and the free.

As the flowers and trees nod in the breeze  
We are happy, content and gay  
And we pause awhile, to be thankful and pray  
On this beautiful Thanksgiving Day.

## Singers Entertain Pupils at Assembly

Charles Hall and Lorraine Lucas, the Sweethearts of Song, on November 6th presented old and new songs for our assembly. Following an introduction by Mr. Harmony they sang and played a group of songs that Jeanette MacDonald and Nelson Eddy popularized. Among them were "Two Hearts Beat," "A Kiss in the Dark," and the "Indian Love Call."

In keeping with the Good-Neighbor-Policy, they reproduced several South American tunes, "Down Argentine Way," "Little Star," a

## Students Entertain At Band Meeting

At the regular meeting of the Band Club, November 4th, the parents were entertained by various musical numbers by the students. Bill Klinger played a violin solo; the ensemble sang a few numbers; Gene Traxler and Gene Eyerly played a drum duet, and Bob and Don McCready played a trumpet duet.

At the business meeting, the suggestion was made that we purchase white sweaters with the maroon emblem of our school on them to complete the uniforms. At the next meeting this suggestion will be fully discussed.

## "Press" Presents Roto Section As Added Feature

Pupils Have Opportunity to  
Compete for Prizes

Attached to this copy of the Appleseed Press you found the first issue of the new high school photograph section, Scholastic Roto. This comes as a surprise to all and an extra dividend to those who like to take pictures. This all-brown paper of pictures represents life in schools all over the country. All photos in it were taken by high school boys and girls from coast to coast. If you are a camera fiend, take pictures you would like to have published to Mr. Neff. He will forward your "shots" to the National Scholastic Press Association and for each one they use you will be sent \$3.00. Remember, we haven't any cause for complaint about not being represented in the Scholastic Roto if you don't submit any prints.

Of course the N. S. P. A. editor

## Appleseed To Be On Quiz Program

The series of quizzes entitled "Your Children Know" is still going strong. On November 12 was the first general program. It was for the winners of the six preceding contests.

The first six winners to compete in this general summary were Philip Delianides, Lucille Calver, Fred Morey, Robert Hunter, Norman Leech, and Tod Strohminger. These are all senior high students.

The questions were drawn up by the pupils' teachers covering the material they study in school. In charge were Miss Frances Randall, Miss Margaret Tinsley and they were assisted by Mr. Heasley.

The junior high programs start November 18 and run until January 14. Johnny Appleseed pupils will get a chance to show their brains, or that they haven't any, on December 10. This program will be on shop information.

Their music knowledge will be determined on December 17.

# Students Applaud Rubinoff At Afternoon Concert

By **BUD CRUM**

On Thursday, October 30, pupils of public schools had a chance to see Mr. Dave Rubinoff, generally known as "Rubinoff and his Violin." Critics of Cleveland, Denver and Milwaukee have claimed Rubinoff one of the greatest violin artists alive. Rubinoff was born

September 3, 1897, in Grodno, Russia. He was the fifth child in a family of five sons and two daughters.

The Rubinoffs arrived in this country in the year 1911 and settled in Pittsburgh, Pennsylvania. Rubinoff entered Forbes School and before he could speak a word of English, he was given charge of the orchestra which was the pride of the faculty. Later he settled in the twin cities in which he lived for ten years.

In 1926 Rubinoff began to crave for a wider outlet for his talents—the place—Broadway.

When radio came into its own it was inevitable that it should call upon Rubinoff who found a permanent place on Broadway. Sponsored by his friend, Rudy Vallee, the manufacturers of Chase and Sanborn coffee placed him under contract in 1931. He remained for four years with Chase and Sanborn without ever missing a broadcast. Rubinoff never became tired and was always calling new life to his compositions.

Chevrolet soon heard about Rubinoff and when he auditioned for them he won over six other orchestras and their ideas. He was with them for nearly three years. He was featured on the Chevrolet Hour and in addition to 91 stations on Columbia he made 1200 single

15 minute broadcasts transcribed per week. During the past few years he has appeared as guest conductor on the Cincinnati, Detroit and Kansas City symphony orchestras. In Chicago's Grant Park he established a world record for attendance (225,000 people by official estimate) at an outdoor musical event.

On Rubinoff's program at John Simpson, October 30, he played: "Prelude in C Minor," "Intermezzo," "Rhapsody in Blue," "Oh, Johnny" in classical, jazz and swing style, "Sweet Mystery of Life." Last of all Rubinoff played his theme he uses on the radio.

After his program at John Simpson, Rubinoff played a 15-minute program on radio station WMAN. Thursday evening he played a concert at Mansfield Senior High.

The pupils clapped and cheered so much after Rubinoff played "Oh, Johnny" in the afternoon that he played an encore. He said that he got better applause at Mansfield, where there were a few hundred, than at Grant Park where there were 225,000 people.

# "Give Thanks for Tomorrow's Many Blessings To Be"

## Superintendent Brings Thanksgiving Message

"Dark is the day for any of us when we become absolutely contented with the life we live and the thoughts we think; and the deeds we do, when there is not constantly beating at the doors of our manhood and womanhood, some honest purpose or lofty desire to be something more than we are and to achieve something larger than we have achieved."

In these sentiments expressed in the words of Albert Einstein, there seems to me to be an important message for our Thanksgiving season. During the Thanksgiving season, we turn our thoughts to the past and review the blessings for which to be thankful. We have been blessed with peace in our land, even though it has been a turbulent sort of peace. We have been blessed with prosperity, in the sense of worldly goods and possessions. We have been blessed with a sense of freedom, with which no other nation in the world has been blessed. We have been blessed with religious and sacred opportunities the like of which no other people on

the globe have ever been afforded.

We have been blessed with homes and security, the opportunity for which all other nations covet. We have been blessed with the association and comfort of our loved ones. These and many others have been our blessings throughout the year and for all, we are truly thankful.

But in our thanksgiving, let us not neglect thought for the future. We must store up this day, this week, this month; the energy, the foresight and the stamina necessary for the strenuous duties of the days, the weeks and the months to come.

We cannot live a life of absolute contentment today and expect the events of tomorrow to take care of themselves. The honest purpose and lofty desire of today becomes

the honest achievement and the lofty goals of tomorrow only if we put the utmost lofty effort and earnest work into our desires and purposes, when tomorrow comes.

The cheer leaders should have more cooperation. They do their best to help the team with their pep yells. The most we can do is to help them. At the next game or pep meeting remember to give our cheer leaders our whole support.

## Making Your Personality

By CLAUDIA MARKS

WHOA! Stop here boys, this isn't only for girls. Boys must have personalities as well as girls. Everyone has a personality, but whether or not it is a good one is another story!

WELL! looks isn't everything, personality is. Looks isn't personality and personality isn't looks. Personality is you yourself and no one else, or individuality, and looks is the way you yourself look. YOU HAVE TO HAVE PERSONALITY, BUT YOU DON'T HAVE TO HAVE GOOD LOOKS.

## These Pests Are Here Again

By BIRDIE KEVEY

Zing ... Ouch! ... Yes, you've guessed it. Those pests are here again. Every year we come back to school and when we just begin to settle down, they start their attacks. We find them in study hall, art rooms, classrooms, cafeteria, and even in the auditorium. They're as contagious as the measles (if not worse). It makes it harder for the teachers to have to clear the floor of the pests. So the next time you feel like taking out revenge on Joe, think first. In case you still haven't guessed, they're Appleseed's most contagious disease, the paperwad.

Congratulations, Simpson, on the first two issues of your paper.

## The Gobble Gossips Wonder

If the Simpson cheer leaders were cold the night of the game with Appleseed?

If everyone had fun at the Appleseed Halloween Jive?

Why certain seventh graders are always talking in study hall?

Why we don't have noonday dances?

Why girls push their sweater sleeves up? What certain people always have books overdue in the library?

Why JoAnn Beelman quit drawing pictures in her assignment notebook?

Why Jackie Williams doesn't like being captain of a hit pin baseball team?

Why Anne Tracy sometimes wears braids? Who started courts in the home rooms?

Why two certain pupils always check Math papers together?

Why some girls are always talking to boys? Where Dick Hosler got the black eye?

Where Peggy Foltz gets her lovely smile? Why we don't like to study?

Why George Loesch, Jr., has his seat changed so many times?

Why we can't beat Simpson in football? Why Marilyn Fleming is always taking or making jokes?

Why there are less and less pupils on the honor roll?

Why we have assignments?

## P.-T. A. News

The regular meeting of the Johnny Appleseed P.-T. A. was held at the school October 28th, with a good attendance. Mrs. G. C. Young presided and introduced Mr. T. R. Stahl, city fireman, who spoke on the half-mill levy for fire equipment. The association endorsed the issue. Selections were given by the vocal ensemble of Appleseed and Lynn Decker, their accompanist, played a piano solo.

On November 18th, a public program was presented at the school auditorium by the Johnny Appleseed Chorus under the direction of Mr. A. LeMoine Derr. This consisted of Thanksgiving music.

Mr. Robert Y. Davis reported to the group on the recent P.-T. A. convention held at Columbus. Mrs. E. Boling introduced the guest speaker, Miss Sybil Scott, city health nurse, who talked on the duties of the health department.

The next regular meeting of the group will be held November 27th with Mr. W. L. Miller, superintendent of schools, and Mr. W. B. Huber as guest speakers.

### NINTH GRADE MAKES PROFIT ON DANCE

Mrs. Thoms, ninth grade class advisor, announced that the Johnny Appleseed Jive which was held on October 30 brought in \$13.17 into the class treasury. Approximately 50 couple tickets were sold while an estimated 110 single students attended.

The purpose of the dance was to make money so that members will not have to pay class dues next spring. At present there is nothing definite planned, but the officers are working on ideas for more money-making projects.

## Sr. High Pupils Present Program

Several students from Senior High presented an assembly to Appleseed on October 28. The participants were as follows: A trio composed of Pat Hieber at the cello, Norma Hess at the violin, and Wanda Hess at the piano played "Garden of Roses" by Ritter. A solo with Wanda Hess accompanying her sister followed. It was "Adoration." Pat Hieber returned to the stage to play "Berceuse" from Jocelyn by Godard. Again the trio played, their selection being the "Danse Musette" by Gluck.

The second part of the program consisted of two humorous readings. "Hannibal's Wedding Day" was given by Jeanne Worley, and "Brotherly Love" by Ronald Kern.

The finale was a one-act play, "Company House," presented by the Mask and Gavel Club under the direction of Mr. G. P. Van Arnum. Jean Herring, Nancy Leonard, Bill Deitrichson, and Eddie Fisher took part in it.

## RED CROSS PLANS MEMBERSHIP DRIVE

On October 30th in room 202 of Johnny Appleseed, the Junior Red Cross held a meeting when the installation of officers took place. Bill Werner and Virginia Hopper were the installation committee. Plans were made for the Safety Survey in the homes. One hundred per cent membership in the Johnny Appleseed Junior Red Cross may be earned by service. Many have already gained membership through knitting, winding yarn, and participating in Safety Survey of the homes. The membership drive began November 11.

## FEW STUDENTS TRANSFER

Few transfers have been made recently. Just three pupils have been transferred. They are: Earl Wendell, who moved to Akron, Ohio; Dorothy Walters, who went to Simpson, and Joan Mish, to Detroit, Michigan. New students are Elaine Kurbad, from Simpson, and Glenn Heston from an N.Y.A. camp.

## Band Wins Trophy For Performance

Are we proud of our Appleseed Band? Just take a look at the trophy won at the Appleseed-Simpson game and you'll see why. The trophy, which was donated by the downtown coaches, is gold and at the top of it stands a small boy. It is a rotating trophy—between Simpson and Appleseed bands—according to which band makes the best appearance at the annual game. This year through the efforts of Mr. J. Merton Holcombe, our director, we are lucky to have it reposing in our trophy case at Appleseed. To win this trophy permanently, we must earn it for three years and the winner at the end of that period is the proud owner of all time. After returning from the jewelers, it will have the words "Johnny Appleseed" engraved on it for the year 1941.

To have the honor of winning this trophy, the band has worked long and hard, but feels that it owes much of its credit and honor to the untiring efforts of Mr. Holcombe who is the director and the one responsible for the fine showing the band made on the field.

With your help the band intends to put forth its best effort in order to retain the trophy at Appleseed.

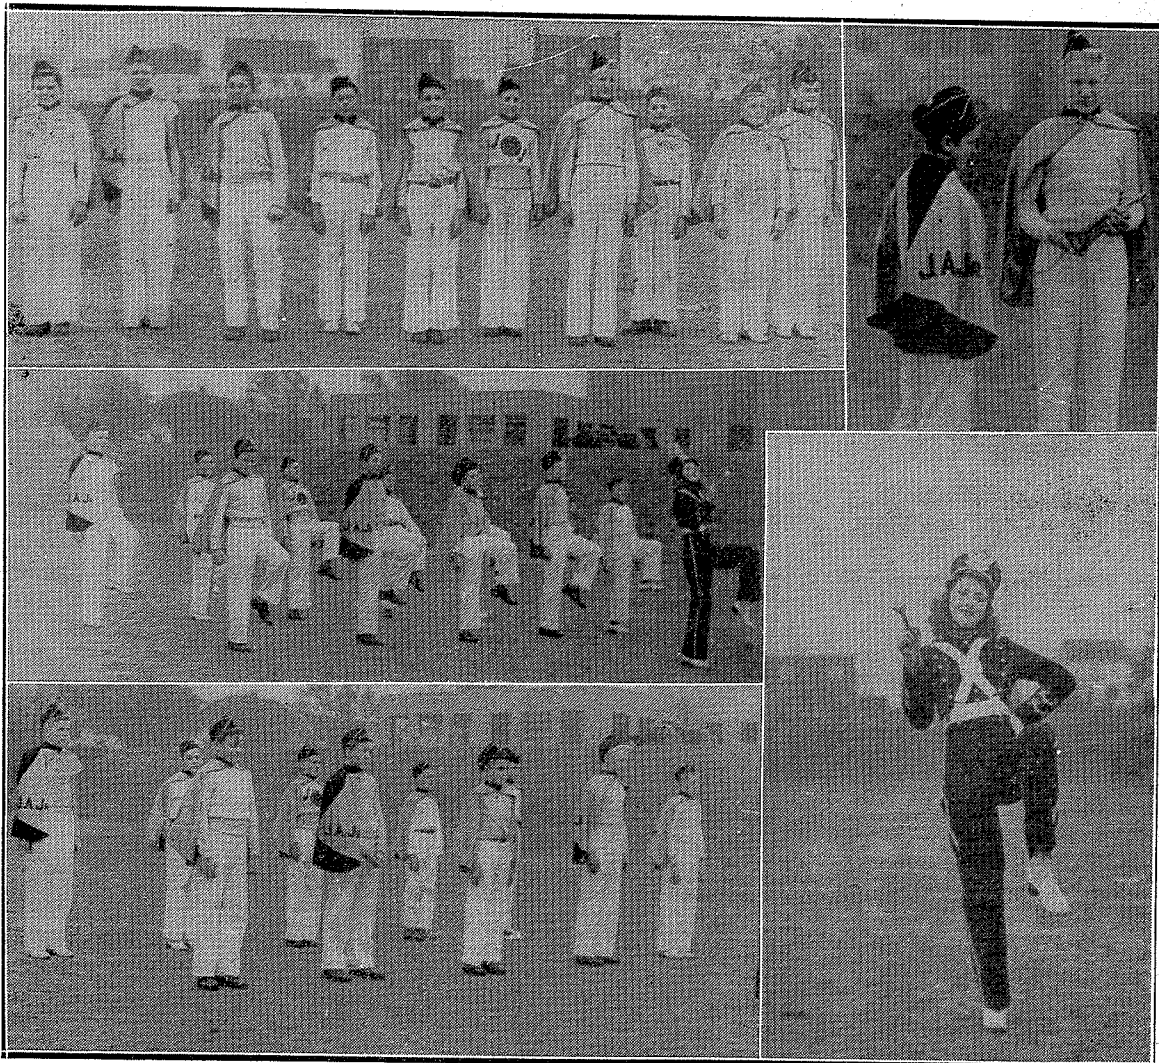

Band members are as follows:

Harold Amsbaugh, William Blauser, Gail Breckenridge, Dorothy Bierly, JoAnn Beelman, Eli Brinning, Carrolou Casto, Don Chapman, John Cook, Richard Cates, James Day, Rosine Dickson, Martha Doon, Rea Domer, Robert Campbell, Walter Edgerton, Ward Fate, George Frank, David Faye, Marjory Guthrie, Warren Redhair.

Charlene Rhoads, Donald Shoup, Bill Soulen, Orval Sampsel, Joan Senert, Murray Swihart, Gene Traxler, John Vawter, Cliff Walker, Norma Young, Naomi Zediker, Betty Burke, Charles Young, Lewis Fry, Bill Klinger, Merle Johnson, Josephine Kiehl, Frank Klohs, Dorothy Kuelling, Floyd Hoover, Pat Herr.

Hazel Hockett, Dick Kuhn, Bob Kline, James Kochheiser, Charles Kurbad, Bill Jessop, Pat Lybarger, Bob Lain, James Londot, Harlan Laser, Bud Leppert, Patty Metcalf, Bob McCreedy, Don McCreedy, Ann Manner, Charles Pearce, George Percy, Richard Parson, Ruth Ann Pereybile, Marguerite Parrett, Thomas Sherrer, David Stull, Fritz Schenk, Dorothy Sherrer, Dorothy Shoup, Frank Schmitzer, Dick Stafford, Miriam Turner, Juanita Nese, Frank Miliken, Mary Lou Nedrow.

### New Librarians Selected for Year

The number of books circulated during the month of October was 2,725 which is an average of 124 books a day. The average of a year ago was 123 books a day.

Lately, the number of reference questions has increased. Miss Prosser tries to give as much information as possible.

The new student assistant librarians working with Miss Prosser for this year are Carol Goettinger, Jeanie Kreoger, Kathleen Diemer, Helen McCracken, Paula Brunk, Mary Alice Beurgen, Betty Dunn, Bobby Faulkner and Birdie Kevey.

The duties of the librarians are to check out books, shelve books, arrange bulletin boards in the library, general clean-up of the library, file cards, write out notices, and check in books.

### Snooping Reporters

We had such short notice this time that we thought we would never get around to all the teachers, but we finally did.

First, we interrupted Miss Strauch's Latin class long enough to get her attention. It seems that the ninth graders are trying to build sentences. Our two bright chill'uns who have for the past seven weeks received 100 per cent in vocabulary are Fred Werner and Virginia Wagner.

Seems Miss Stark was searching for a couple of weeks for rolled oats boxes for a Christmas project, till finally she struck upon a bright idea: She's been for the past few weeks collecting ice cream cartons from the cafeteria. In case you're still in doubt about it, they're for waste paper baskets and knitting

bags. The first six weeks they sketched leaves, then they made small patterns from them and last they made all over designs to transfer onto paper baskets, coasters, neckerchiefs, knitting bags and book covers.

The weather man will probably get a lot of contradictions the next few weeks from the General Science Classes as they are predicting forecasts. This will take in the study of wind direction, wind velocity, atmosphere, maps of westerly winds, and pressure belts.

### Girl Reserves Hear Speaker

The Girl Reserves at their meeting, November 5, had a round-table discussion on the problems of pupils of the Junior and Senior High School ages, conducted by Mrs. Williams.

Mrs. Williams is a noted speaker throughout the State of Ohio.

## What's New?

By PEGGY FOLTZ

Football fever! We've got it again and I love it! Funny the way a bit of broken field running can send you into a frenzy of excitement. Meeting the gang at the hot dog stand afterwards is part of the fun, too. And that's when we want to look our best. Here is an outfit that will steal the show even if our voice is a little hoarse from yelling, "We wanna touchdown!"

You will look like a honey in a honey colored lamb jacket, plaid lined. With it wear a green wool pleated skirt and a green beaver clip hat, and don't forget a pair of military boots for neat feet—it's bright to go military.

Make your own leather gloves. That's the newest fad and a practical one, too. You get a package containing leather cut to your correct glove size, sewing silk and a blunt needle. Each piece is numbered and the edges are perforated to make sewing easy. Just follow the directions and in a few hours' time, you have a handsome pair of hand-sewn gloves.

For on the ice this season it's smooth to wear the newly designed long shorts in red wool plaid; worn with a red wool jacket and three-quarter wool socks.

### Penquins Masquerade For Party at Shirley Oswalt's

Shirley Oswalt entertained the Penguin Club with a masquerade party October 28.

Games were played and prizes won by Joann Beelman and Peggy Foltz. Refreshments were then served. The next meeting will be held November 13.

### Hi-Y Honors President Who Will Move to Akron

The Hi-Y held a party, Tuesday October 27, at the Y.M.C.A. for Earl Wendell, the president, who left for Akron, October 31. The members bought him a book by Zane Grey which was presented to him by John Shriver.

## Girl Reserves Have Scavenger Hunt at Halloween Party

Under the aerie light of candles, the clattering of skeleton bones, switching of witches skirts and flapping of bat's wings, eighteen girls were initiated into the tramp's den at the Girl Reserves Halloween party on October 23.

A spook scavenger hunt sent all the hobos out around town for forty-five minutes. Agnes Schmidt had the winning team. Then prizes were given for the best dressed tramps, who were Doris Anderson and Dorothy Walters. The evening was rounded up by dancing and refreshments.

## Girls Observe Scout Week With Programs and Tea

The week of October 26 to November 1 was National Girl Scout Week and was observed by all the Girl Scouts all over the United States, Sunday, October 26, at 4:30 p. m., at the Baptist Church. A Girl Scout service was held for the Scouts' families and friends and the laws were explained. Girl Scouts were requested to wear their uniforms during the week. On Saturday morning, November 1, the Girl Scouts of Mansfield were taken for a tour of the city. This trip ended Girl Scout Week. During this week posters were made by the Girl Scouts of Mansfield and put in downtown store windows along with the Arts and Crafts displays in Maxwells and the Book Shop windows.

The general theme for Scout Week was "Girl Scouts and Their Relation to National Defense."

## Girls Make Belts and Neckwear; Make Plans for Garden Club

Girl Scouts of Troop Five met November 4th at the home of their leader on Pinecrest. The meeting was spent in making belts, necklaces from acorns, and corks, and dipping weeds to make fiesta. They discussed plans for Garden Club meeting for the month. The meeting was dismissed at 6:00 o'clock.

The next meeting was November 11, at the leader's home. Mrs. Richard G. Fensch is troop leader, and Mrs. K. Buhr is assistant troop leader.

## Scouts Hold Campfire Ceremony for Parents

To commemorate Girl Scout Week Troop Fourteen held a campfire ceremony for their parents on October 28 at South Park. A huge bonfire was built and songs learned at the meeting were sung including several rounds. Refreshments made by the girls were served at an early hour. This ceremony will give the girls credit in outdoor activities for their second class. Later on, the troop expects to have a Christmas party and go caroling in groups.

## Beautiful You

By MLE. CHIC

Since the last column I have found more girls are bothered with the problem of "cutting a good figure" than by any other aspect of keeping smooth, so we're concentrating in this article on problems of addition and subtraction.

Maybe you're one of those who could have more fun if your friends would stop calling you "Fatty." You don't have to suffer torture to take off a few pounds. Neither do you have to do it without that trip to the soda fountain. There are two ways to lose weight—by diet and exercise. You can make a simple rule so that your diet is no problem. Never let yourself take a second helping, never eat a starchy food like potatoes or rice without eating a green or yellow vegetable or fruit at the same meal. Never eat more than one sweet a day. When everyone else wants to go to the drugstore for a soda, make yours orange juice, fresh limeade or tomato juice.

We've spent a lot of words on the problem of losing weight, but gaining is just as important. Just slow down a bit and let yourself be lazy. Sleep at least an hour more each night and take that extra hour on the night shift, not on the morning side. Your diet should be a pleasure. You can eat as much as you like whenever you like if you'll just remember that too many sweets will ruin your complexion quicker than they'll give you extra pounds.

Best of all exercises to take off weight or put it on are tennis, swimming, rowing, and besides streamlining your figure these sports will give you a popularity rating. You can be so good at them that you will be in great demand—and have a lot of fun, too.

## Girls Entertained at Party At West Third Street Home

The eighth and ninth grade girls of the First Christian Church met at the home of Mrs. B. F. Hagelbarger, 88 West Third Street, on October 30th for their monthly meeting and Halloween party.

Those present were: Betty Jean Hampton, Jenny Beer, Ruth Nan Miller, Irene Megysi, Eileen McCartney, Mazie Berlin, Doris Heston, Margaret Tingley, Evelyn Hartwell, Evelyn Gribbling, Marjorie Baker, and the hostesses.

# On the Bookshelves

**THE ENEMY IN THE HOUSE** by Robert Van Gilder.

When a front page murder story appeared in the newspapers, it put Capetown, N. J., on the map for the first time. Newspaper reporters, newsreel cameramen and radio commentators raced to the scene to cover what on the surface, appeared to be merely another crime.

However, young Joe Baxter had ideas and his investigations plunged him into an exciting series of adventures in which he came face to face with the Fifth Columnists seeking to destroy our American way of life.

How he tracked down this mysterious ring makes this an adventure in reading that is of special interest in times like these.

**INTO THE WIND** by Gertrude E. Mallette.

Sabra Dunning had finally convinced Galen that she was determined to go to nursing school, for it was her ambition to run a country clinic.

Learning the routine of the hospital where Galen interned was bewildering, but this was nothing compared with the pride Sara anticipated on the first day that she would wear her white cap.

Then came Sabra's discovery of a mystery in the men's ward. It

would take courage to reveal it, for if she did. Sabra would never wear the white cap.

Her decision is given in this spirited book, fascinating for older girl readers and for those especially interested in nursing.

**BLACK STALLION** by Walter Farley.

Shipwrecked on a desert island with a coal black thoroughbred Arabian horse his only companion! What a story for Alec to take home to his family and school friends—if he only got home. But Alec did get home and you can imagine the sensation he caused when he descended the gangplank onto the New York dock with the beautiful high-strung animal at his side!

What developed when a neighbor, who had been a race horse trainer, saw the Black Stallion points toward a thrilling and dramatic climax to the story. It's a book you won't be able to lay down until you have literally raced through to the very end.

Hi, you all. Here I is again, Porkie Pig, your slaphappy, daffy reporter.

Sigh! Sigh! Just think—Thanksgiving with turkey and stuff. I wonder what some of the girls are going to do about their waistlines with all that food.

Did you go to the J. A. Jive? Well, anyhow, your Porky. Pig thinks that Jerry Zeller deserves all the orchids we can get for his fine performance.

Yep, there she is again, whoops! Be careful! Duck quick! Oh, boy, that was a close shave. You know what I mean, don't you? Mary Jane Diemer prancing around Appleseed.

## SPORTS KNOCKS

By GEORGE

As you know, we have a new coach. If you don't, you're swoosey.

\* \* \*

Coach and the boys say "please" to the fellows who have locks on gym lockers, 10, 48, and 74.

\* \* \*

How will the new coach and Miss Garner get along? (How are they getting along?)

\* \* \*

The janitors tried all last summer to grow grass on the football field and in a way they succeeded. When the ground is wet and muddy and you play on it, it kills the grass, so let it alone and detour around the field.

\* \* \*

I've long wondered whether Sheldon Shaffer could run very fast. My desire was satisfied the other day when I saw him run and run during gym class to avert being beaten eight to the bar—with a towel. Did he ever go!

\* \* \*

I'm wondering, as everyone else, if the Pioneer basketball handlers are going to be bitten by the Simpson Bulldog. Not again.

\* \* \*

While snooping around the gym the other day as usual, I overheard Coach Mehock call Bob Dysart, "Head Man." Shorty replied, "Well, maybe first after you."

## Mehock Acts as Coach At Appleseed for Week

After the departure of Coach Cameron we could not get anyone to fill his place immediately, so it was decided to ask Coach Mehock from Senior High to substitute temporarily. Mr. Mehock was still officially athletic director of Mansfield, but also assumed his duties here.

Mr. Mehock was born in Streve, Illinois. He was educated in Illinois and attended the University of Illinois.

## Bulldogs Bite Pioneer Team

The John Simpson Bulldogs received the Downtown Coaches' trophy for the second straight year by defeating the Appleseed eleven, 26 to 6.

Something like 3,000 eager fans saw these two rather evenly matched teams battle. The Bulldogs had nine first downs compared with eight for the Pioneers.

Roland Schmidt, Simpson right halfback, made four touchdowns and two extra points. (Total 26 points.) He galloped 30 yards for six points after catching Mike Zivcoff's pass. He twisted through the Pioneers' line and outran the backfield for a 62-yard touchdown zip. He gained two extra points out of three place kick tries. The fourth was an incomplete pass.

The kickoff bounced away from Chet Miller, Appleseed safety man, but was regained on the three-yard line. Appleseed kicked to the 30. The Bulldogs started to bite right there. The ball was returned to the 23 and Zivcoff to Schmidt accounted for the first counter. Schmidt kicked for the extra point.

Appleseed kicked off and recovered. A 15-yard penalty for holding and a fumble was recovered by Luckie, Simpson end, on the Appleseed 48.

Schmidt again snatched a Zivcoff pass for six more points, but missed the kick.

Appleseed chose to kick off and the ball was returned to the Simpson 45. Zivcoff's run followed by Schmidt's 29-yard run accounted for another touchdown. Zivcoff's pass for the extra point was incomplete.

Appleseed returned the second half kick off to its own 45. They drove 25 yards and then on a super reverse Bob Hall went for 30 yards and a score. Zeller's pass for the point was incomplete.

Appleseed was inspired in the fourth period. They drove from their 45 to the Bulldog 4 but missed a first down and a possible score by one foot.

The Bulldogs then marched 96 yards for a touchdown. Schmidt made a 62-yard run for the counter. He also converted the point.

### Health Classes See Movies

During the week of November 3 to the 7th there were three reels of movies shown to health classes. The first was "Posture." The next was "Care of the Feet," and the last was a reel on "Circulation."

## New Pioneer Coach Announces Physical Education Plans

Mr. Charles Fall, our new coach, was born in Trenton, Ohio, in 1918. He graduated from high school in 1936 and went straight to Ohio State, where he graduated in 1940. After leaving Ohio State he went to the Central Y.M.C.A. in Columbus, Ohio, and then came here.

When Coach was asked what plans he would carry out at Appleseed he said, "I do not believe in big assignments in health but I do believe that we should study because that's what we are here for." He said, "During our gym classes we will try to get in some instruction periods about games not so well known," and added, "I will try to have the intramural schedule as fair as possible, and I want to get in as many games as I can."

The army may get him at the end of the year but during the school year there is very little chance of it.

While teaching here, at present anyway, he is staying at Mr. Neff's house. He is not married and says he has no prospects right now.

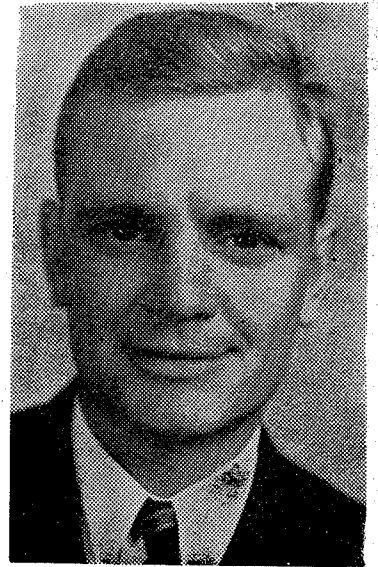

When asked about his impression of Appleseed, he said it was one of the nicest set-ups he had seen yet.

Basketball games thus far have been scheduled with Butler, Ontario, and (of course) Simpson. The dates for the Simpson games have been set for Jan. 9 here and Feb. 25 there.

### DICK STAFFORD WINS ARCHERY CLUB AWARD

Archery Club meets every Wednesday the sixth period. The members go in back of the school and shoot for points. Dick Stafford has been the only one so far to be lucky enough to win an award. Several other members have come very close but have not been successful.

The members of the club are: Claudia Marks, Julia Colby, Portia Schiller, Julia McKenzie, Bob Kline, Edward Loughridge, Bill Given, Bob Colorley, Bob Lain, Bob Killen, Frank Milliker, Charles Sesca, Wauneta Jaunson, David Nails, Bob Dysart, Charlotte Collins. Dick Stafford, Barbara Meilinger, Robert Zayar, Lowell Ford, Beverly Wentz, Robert Lamb, Dick Kuhn, Wayne Roelof, Ralph Harbaugh, Daniel Boals, Ward Gate, Allen Yerigan, Dick Hosler, David Reiger, Stanley Wilgong, Bob Gilbert, and Tom Daum.

## Coach Gives Awards At Football Banquet

On the eve of losing their coach the Johnny Appleseed football team held a banquet in his honor.

Mothers and fathers of the players were invited, along with a few other guests.

The tables were arranged to form a large letter A. On a table in the center was a miniature football gridiron with a football painted with 1941.

After the dinner the boys' big moments came. Coach Cameron reached into a box and pulled out the players' letters which he gave to Bob Hall (who has played every second of every game), Murray Swihart, Dick Haley, Earl Wendell (who will let his stand for Akron), Luther Cupp, Sheldon, Shaffer, Roland Given, John Shriver, George Moga, Eugene Joseph (the first seventh grader to receive the award), Bob Tupps, Frank Bechel, George Erich, Chet Miller, Cuvier Mong, Leslie Myers, Norman Pore, Russell Stuckey, and Jearilld Zeller.

Managers' letters went to Bob Lamb, Fred Werner, John Rench, and Robert Glasscock.

Bob Hall representing the football boys and managers gave Coach a farewell gift, a shaving kit.

Most of the boys then headed for the dance which was given in the gym the same night.

## SHOWER SHORTS

By ANNE FORD

Most girls of Appleseed can't understand where Miss Garner gets all her energy. She can play 21 for periods without seeming to get tired.

X X X

The winter intramural program sponsored by the Girls' Athletic Association is getting started. The seventh and eighth graders are playing hit pin baseball while ninth graders are attempting basketball. Ninth grade leaders are having fun learning to referee the games.

X X X

G. A. A. committee members are beginning to get busy for their dance on December 5th. It will be an Alumni Dance and open to everyone (even Simpson).

X X X

The boys had a lot of fun those days when Coach Mehock was here—the girls, too, for that matter.

X X X

Miss Garner has been lamenting about her winter games schedule. She has seventh, eighth, and ninth grade teams slated for 85 contests.

X X X

One of Coach Cameron's last jobs before he left was to mark off some badminton courts on the gym floor. There are three of them done with green lines.

## Noonday Resume

How do some people in the ninth grade get down to cafeteria early every day? Couldn't be that they play (could it)?

\* \* \*

Verna Beth Graham has a new recipe for the cafeteria to experiment on: Take two slices of brown bread, spread between it a spoonful of vanilla ice cream and what do you have? Indigestion, if you ask me!

\* \* \*

If certain people don't stop rushing to the cafeteria, they're going to go last every day. (Just a timely warning.)

## Highlights of Intramural Teams

The seventh and eighth graders are now learning how to play hit pin baseball. They have already played a few games. Hit pin is played like baseball except you kick the ball with your foot and you have to knock over the base peg to get some one out.

The ninth grade girls are starting basketball. During the gym classes the girls have learned passes, how to shoot fouls and are trying their best to shoot baskets.

## 8th Grader Chosen New Sports Editor

One sixth period in Miss Shaffer's room a consultation was held. The occasion was the selection of a new girls' sports editor from the ranks of reporters, for Jean Johnston, former staff member, has left us to go to Edison, Ohio. After due consideration Claudia Marks, an eighth grader, was chosen to fill the important position. Claudia is in Miss Strauch's room, 103, and is very active in the gym and around school. She is a very hard worker on the staff and has earned her position. Virginia Barnett will remain her assistant and Mary Margaret Kochheiser has rejoined the paper to help out with the girls' sports.

While Jean was here she distinguished herself around school. She was a cheer leader and member of G.A.A. and in addition to this, was generally known to have a lot of pep.

## Faculty Give Talks At Pep Assembly

On October 29, a pep assembly was held in the gym. Mr. Thoms introduced the athletic board. Teachers who gave speeches were Miss Ruth, Mr. Huber, Miss Wheeler, and Mr. Hostetler. Elinor Brinning also represented the band. "We are out for the prize," said Elinor. Remarks were also made by Mr. Harmony.

Mr. Thoms presented a going-away gift of a suitcase and a military set from the student body to Mr. Cameron. Those who helped to present the gift were: Mr. Thoms, Mr. Harmony, Miss Percy, Eleanor Young, Ramona DeVore, Fritz Schenk, and Mary Hieber.

The final cheers were then given by the cheer leaders. Cheers were also given for everybody who made a speech.

Bob Hall, captain of the football team, introduced the team to a cheering student assembly.

Robert Urschel and Donald Hall furnished some exciting entertainment before the meeting by staging a boxing match. They were both good and both were announced winners. The referee was Junior DeVore.

## Airplane Club Elect Officers

On October 4th, the 6th period in room 202, the Airplane Club elected officers. They are as follows: President, Bob Myers; vice president, Helmut Wiehm; secretary, George Erich, and treasurer, Junior Ellsasser. They also constructed their first model airplane.

Mexican folk song and a bolero.

After their return to the stage, ever-popular songs from musical hits were offered. Among these were "Tea for Two," "I'm an Old Cowhand," "Alice Blue Gown," "Daddy," and "The Things I Love."

The couple closed with the "Song of Love" from Blossom Time, and "God Bless America" in which the assembly was asked to join.

After their performance here they traveled to New York to stage a performance. Mr. Hall and Miss Lucas have been touring "just long enough not to be tired of it." Most of the time they have performed for schools and universities. Their next stop will be in Toledo.

## Library Displays Book Week Posters

Every year since 1919, there has been a week observed as "Book Week." This week is set aside to try to interest the public in more and better books for children. From November 2 — 8 it was observed this year.

The man who started and promoted "Book Week" was Franklin Matthews, the Chief Boy Scout librarian. It is observed by libraries, book stores and schools.

The slogan for this year is "Forward With Books." To show that books have a place in everyone's life whether during war or in peace is its purpose, also to interest a place for books in the

lives of boys and girls which is intensified by the drive for Democracy at home and abroad.

Our library displayed book week posters and had special book marks besides borrowign about fifty-five books from the Mansfield Public Library.

The week has been placed in early November because that is the beginning of the reading season and offers many opportunities for Christmas gifts.

## Helpful Hints

From HOMER

Howdy Kids and Teachers! How goes it? Homer has been scouting around for some super hints and believes he really has some brain storms for you in the following suggestions. "Gym and the world plays with you. Math and you work alone." If you don't want your silk stockings to run, make

such a resemblance, teachers have a time. Joan is secretary and Janet is treasurer of the Girl's Athletic Association. Both belong to Leader's Club.

them walk. If getting out frontwards on the right side of bed makes you cross, get out backwards on the left side!

If you are tired of having your hair mussed up when you come to school, muss it up before you start! If you can't get to sleep at night, stay awake. If boys persist in pulling your ribbon out of your hair, don't wear any. If you can't think of anything to do, think of practicing or studying and I'm sure you will think of something else

to do, but quick.

If you are chilly in the classroom, get up and shut the window—the teacher won't bite! When your teacher senses you are dubious about the lesson and corners you, a cold in the head always helps.

### A Thanksgiving

By JEAN HAMPTON

The time of year  
That turkeys fear  
Is coming very soon.

To Grandma's we'll go,  
Through sun, rain, or snow,  
We must be there by noon.

For that is the time,  
They always dine,  
And we don't want to be late.

There'll be turkey brown,  
The best in town,  
Oh, we can hardly wait.

On this glad day,  
In our own way,  
We thank our Father above.

For our blessings all,  
Whether large or small,  
And the country we all love.

### We Give Thanks

By NANCY McCOMBS

It is Autumn and Thanksgiving  
time.

With deep reverence and prayer  
sublime,

We spend this day of thankfulness.  
Feast, we often in happiness.

For the beauty of all nature,  
For its effect on each creature,  
And for food, shelter, and cloth-  
ing,  
Are things to be each year thank-  
ing.

### Oh, Johnny

By MR. NEFF

Oh, Johnny, Oh, Johnny,

Let's play the game

Oh, Johnny, Oh, Johnny,

For fun and fame.

Let's be good sports in all our  
strife

For only these things are worth-  
while in life.

Oh, Johnny, Oh, Johnny,

We're back of you

To the Pioneers we're true

And when school days are thru

We'll ne'er forget you

'Cause Oh, Johnny,

Oh, Johnny, Oh.

### Fight to Win!

Fight to win for Appleseed

So they know our name

They're all afraid of us you know

'Cause we are hard to tame  
So shoot 'em high and shoot 'em  
low

It's just about the same  
We'll win victory in this game.

Here they come across the floor  
With banners waving high  
We will fight with all our power  
Victory is nigh

Come on team, now lets all fight  
Play with all your might  
We are for maroon and gold.

Play the game for Appleseed  
For maroon and gold  
Play it fair and play is square,  
We are hard to hold

Keep our banners waving high  
For victory is nigh

Hurrah for our maroon and gold.

## Exchange News

By NANCY McCOMBS

In the exchange column of the "Libby News," we found our school's name mentioned concerning school happenings. Our recent exchange papers may be found in room 101.

Time is a queer thing. Sometimes we have too much and other times we haven't enough. This theme on time was in the "Havermale News" recently.

### "Time"

"Time is something that passes very slow in 'school' and very fast out of. It is also the thing that Grandpappy Time is Grandpappy of and every new years you know that a lot of it has passed since last new years . . . and whenever you wake up you know some of it has passed maybe, unless you sleep light. Or you don't sleep, or don't sleep much."

The boys' Home Economics class has been divided into two groups. Seventeen were too many in the kitchen at one time at Mount Gil-ead.

Some of the "silly synonyms" in the "Rambler" are:

Two art movies, one on creative design and the other about metal making have been shown to all the art students within the last few weeks. The first one "Creative Design" was shown October 21 and "The Art of Metal Making" on October 28. "Creative Design" was a series of sketches, while "Metal Making" showed the complete progress from the sketching of the metal design to the presenting of it.
