Public Dedicates New School Today

First Day At New Junior High

A Long line of curious students wait to get first glimpse of interior of new school building on Cline Avenue.

On January 29, 1940, the junior high pupils saw their first glimpses of the inside of the new junior high schools. While the new \$450,000 buildings, Johnny Appleseed Junior High and John Simpson Junior High, have been under construction for the past year, the pupils have been going to classes in make-shift school rooms.

The Johnny Appleseed building, located on Cline Avenue, has an attendance of over 600 pupils. The John Simpson building on Fourth Street, has an attendance of some 800 pupils.

Although there is still work to be done in the halls, gymnasium, auditorium and basement of the John Simpson building, the pupils are attending their regular class schedules. In the Appleseed building, the work is expected to be completed in time for the dedication.

The art rooms in both buildings are practically completed, and the home economic rooms have three new Tappan gas ranges and three new Westinghouse electric ranges in each. The shop rooms have all new equipment also. In the sewing

room, there are two new electric sewing machines.

The boundary line between the two schools goes west along First Street to Wood Street, then north along Wood Street to Marion Avenue, southwest along Marion Avenue to Sherman, then north on

Sherman Avenue to Summit Street, west on Summit Street to Brinkerhoff Avenue, south on Brinkerhoff to Maple Street and west through Maple Street.

The principal of Johnny Appleseed is Mr. Glenn G. Rohleder, and Mr. Harry J. Dotson is the principal of John Simpson Junior High.

AN EDITORIAL

By DORIS SCISINGER

We, the boys and girls of Johnny Appleseed Junior High School, wish to take this opportunity to thank the taxpayers of Mansfield and all those who helped in any way toward the building of our school.

Many of our fathers and mothers have walked miles to one-room schools. Their little red school houses probably didn't have any of our modern conveniences we have today. Those are the parents who, less than two years ago, voted that their children should not go to an unfit school. Because of this, we today are proud pupils in one of the most modern schools in the state of Ohio.

It is not possible for every pupil in Johnny Appleseed to write a letter to every taxpayer to tell of our appreciation, but we feel the best way we can show it is to leave the building in as near the same condition as we found it. In this way, we can prove to those who made this building possible that we are thankful for it and will do our utmost to make it a living symbol of education.

Over 5,000 Persons Expected to Attend Open House

The dedication of the Johnny Appleseed Junior High School will be held on Tuesday, March 5, in the auditorium of the new school. The students will be dismissed at noon in order to accommodate more guests.

The school will be open to visitors from 2:00 until 4:00 in the afternoon and 7:00 until 10:00 in the evening. The program will start at 8:00 p. m. and last until approximately 9:30, during which there will be the presentation of a flag and the keys. Mr. Rohleder will act as the Master of Ceremonies and Dr. C. B. Allen from Western Reserve University will be the main speaker.

The program is as follows:

Music - - "Gypsy Trail Overture"
By Fischel

Simpson-Appleseed Jr. High Orch.

Invocation - - Rev. M. A. Eakin
Pastor Emeritus,

United Presbyterian Church

Greetings - - - W. L. Miller
Superintendent of Schools

Presentation of Keys - H. W. Arlin

Church

Music - - - "The Commander"
By Chambers
Orchestra

Each visitor will receive a map and souvenir program as he enters the building, and a tour will be arranged taking him through all the rooms including the main parts of the building, such as the gymnasium, cafeteria, and special laboratories.

EASTER VACATION

Due to the fact that Easter is unusually early this year, Spring Vacation will begin Friday noon, March 22, and continue until Monday, March 30.

Appleseed Orchestra Has Organization

Will Make First Appearance at Dedication

The orchestra now consists of thirty-five members. All rehearsals are held on Tuesdays and Fridays, the third period. Later, after the school is completed, the string section will work on Mondays and Thursdays together with the other rehearsals.

The first programs will be conducted at the dedications of the new schools. The John Simpson orchestra, which has a membership of thirty-five, will be combined with the orchestra of this school. This group has worked under difficulty for about a year and a half and about all that could be accomplished was to keep the organization together, but now with the new music rooms we have ideal conditions in which to work and expect to do much before the year is over.

The whole orchestra rehearses twice a week, with the string instruments, four times a week. It may take some time to have everyone's schedule arranged so he can partake in all the rehearsals.

The elementary school program has been greatly enlarged, and on this account, about twenty-five or thirty new members are expected to be admitted in the fall.

Vocal Groups Organized

New vocal groups have been organized at Johnny Appleseed School. A boys' choir has been organized and the personnel numbers about fifty. There is a chorus open to the entire school, which meets twice a week on Mondays and Tuesdays.

Tryouts for the A Capella Choir

were held, which resulted in a membership of one hundred. The A Capella Choir met Friday, February 16, and chose group leaders, who are responsible for the discipline, attendance and distribution of music in his or her sections.

The group leaders report to one secretary or head group leader. The honorary position of head leader involves initiative and talent. The group leaders are Mary Bushnell of the sopranos; Evelyn Art, second soprano; Nancy Grimm, alto, and Charles Hockett, bass.

Ruth McKee has the honorary position of head group leader. Her assistant is Elaine Miller.

"GONE WITH THE WIND" SHOWN IN LOCAL THEATER

Finally after several years of waiting, the movie version of Margaret Mitchell's famous novel, "Gone With the Wind," was shown in Mansfield from February 23 to March 1. Crowds thronged to see the story of the South and its death struggle during the Civil War. The show was in technicolor and was four hours long, but the people that saw it thought it was still too short.

The players portraying the characters of the book were Clark Gable, who played as Rhett Butler; Vivian Leigh, the English actress, as Scarlett O'Hara; Leslie Howard as the lazy dreamer, Ashley Wilkes, and Olivia de Havilland as Melanie Hamilton. Mr. and Mrs. Gerald O'Hara were portrayed by Thomas Mitchell and Barbara O'Neil and Mammy was played by Hattie McDaniel.

Observe National Boy Scout Week

Scouts Run City for Day

The Boy Scouts of the United States observed their annual Boy Scout week from February 8 to 12. During that week, the boys wore their uniforms and elected city officials for one-day terms.

The chief officials, Mayor Richard Weaver, Service Director Robert Burns and Police Chief, Morton Frankel, filed a warrant for the "arrest" of Scout Executive Floyd Dent. Mr. Dent, the wanted "criminal" had ruined a hat, size 6 7-8, valued at 10 cents in the camp last summer. The "criminal" eluded the "police" in a city-wide search and took moving pictures of the case.

Other Scouts holding "offices" were: Judge Ralph Hill; City Solicitor, William Maxwell; Auditor, Lee Adams; Engineer, Robert Stevenson and Fire Chief, Robert Morey.

"Many Plans for Future" Says Mr. Rohleder

"There are many plans for the future," says Mr. Rohleder, principal of Johnny Appleseed Junior High School, "but it will take time for them to unravel. Many committees are working now on different ideas to fill the needs of our school.

"Everything will be the children's ideas. They will choose the school colors, name the newspaper, flags, yells, and songs and they will have the voice in everything. Every pupil will vote for his choice after eliminations have been made.

"We are going to have a close race with John Simpson because we both want to be the better school. If we meet defeat, we will have to be good sports and show good sportsmanship for that is what helps make a school.

"We have one of the finest faculties in our school. I don't think there is a faculty in the whole state that is better than ours. All the teachers are graduates of good colleges and universities; all are fine persons, co-operative and have good qualifications.

"A questionnaire will be given to each pupil to see in what he is interested most. It will ask about their hobbies, clubs and other activities. This will be a great help to the teachers for it will give them information about the students and what they do in their spare time.

"In the spring there is going to be a beautiful lawn, if the children will stay off the ground and on the sidewalks. Shrubbery will be planted around the school and a large activity field will be ready for use.

"At noon there will be entertainment for those who stay for lunch. Contests will be held, movies, dances, and other forms of recreation.

"We have a fine cafeteria and I know the boys and girls are going to enjoy their lunches in such a fine room. There won't be any initials, J. A. J. H. S. on the silverware, however, as someone may be tempted to take a few for souvenirs.

"In the auditorium there will be given entertainment from different classes and organizations.

"We are the only school in the United States that has the name

MR. GLENN G. ROHLEDER

"Johnny Appleseed Junior High School" and we should be proud of it. Here is a brand new school that needs taking care of and the pupils must do their part in keeping it a lovely school."

Contest Sponsored by Fish and Game Ass'n

The Richland County Fish and Game Association is sponsoring an essay contest on the subject of "Conservation of Wild Life in Ohio." The contest is limited to pupils in the fifth, sixth, seventh, and eighth grades of Richland County schools. Essays must be in by April 15, 1940.

There will be two groups; the first is composed of pupils in the fifth and sixth grades, and the second consists of those in the seventh and eighth grades. Three prizes will be awarded in each respective group. The first prize is \$10.00, second prize is \$5.00, and the third prize is \$2.50.

Essays will be judged partly on neatness of appearance, legibility and correct use of language. Con-

testants will not be known by names, but by numbers which they are given. All entries are to be in by February 15, 1940, leaving two weeks before essays are due.

DRAMATIC CLASS ORGANIZED

This year for the first, the pupils of our school are being offered the chance of studying dramatics as a regular course. Under the leadership of Miss Seybold, they are learning the fundamentals of acting and stage conduct. The class plans to give plays as well as to attempt some writing in the future.

Tribute to Lincoln

By BILL SWEET

Truth and fiction have joined in giving Abraham Lincoln top place among great Americans—as far as the judgment of later generations can be trusted to determine values.

Lincoln's compassion and patience, along with his common character, philosophy, and faith make him loved by every true American. These qualities, plus the inspiration that he gave, make his name in history and are needed greatly in the world of today.

Make The Press a Success

The first issue of the Johnny Appleseed newspaper may not meet the standards that have been established by similar publications.

We ask the student body, as well as the public to have patience with the staff so that we may have the chance to improve it through experience.

Confucius Sez:

1. Housewife certain to find Butcher Shop good meeting place.
2. Empty purse always the same, never any change in it.
3. Man who rises early in the morning to write poetry certain to go from bed to verse.
4. Small boy who put foot in fireplace little ingrate.
5. Original hitchhikers butcher who use to thumb his weight.
6. Wireless operator always has code in head.
7. Rabbit who pick fight with hunting dog sure dumb bunny.
8. A man that is drunk is gone with the gin.

By Mr. Neff.

Come and See It

All you hear these days is "Johnny Appleseed!" "Johnny Appleseed!" What is new? What's so different? The magic eye, a mechanical apparatus to regulate the lights, the desks, adjusted and regulated to the proper height, the acoustic ceilings and walls in the music and typing rooms, the windows, made of glass brick in the art rooms, the air conditioning of scientific engineers for our better and more healthful breathing and so many other features too numerous to mention. Come and see it!

New Club Is Formed Pupils Present Programs

A club has been formed in Room 115. It is called "The Duces." Lucille Chesrown is president; Lowell Freeland is vice president, Eleanor Wilging is secretary and treasurer.

Each morning before classes are changed, a program is presented in the home room. Every pupil in the class has an opportunity to take part sometime during the remainder of the year.

SCOUT TRAINING PRACTICAL By BILL SWEET

The thirty years that have passed since the organization of the Boy Scouts of America have marked the greatest period of advancement the world has ever seen—with the United States in the lead of individual and national advancement.

The Boy Scouts of thirty years ago are the men of today who are doing things in the world to which they looked forward with much curiosity.

There are a very few of them who could say that their experiences as the Boy Scouts were worthless in determining their courses through later years.

As rules for right living the scout oath is applicable to people of all ages.

Appleseed Newspaper Named By Eighth Grade Student

To Ruth Kvochick, 8-A 5, Room 109, goes the honor of having named the school paper, "Appleseed Press." This name was chosen from 300 entries in the contest which lasted one week, from February 12-16, with all the pupils of the school eligible.

Dick Moyer, 9-A 5, Room 101, handed in the same name a little later than the winner, who submitted her entry on Monday February 12 at 2:05 p. m.

The judges, Mr. Donald Lindsay and Mr. Robert Flohr of the Mansfield News-Journal and Miss Dortha Shaffer and Mr. Nelson Neff of the school faculty, picked the three names, "Appleseed Press," "Appleseed Traveler," and "Appleseed Planter," which were voted on by the entire student body on Tuesday, February 21.

Mr. Nelson Neff, Miss Dortha Shaffer, Miss Louise Seybold and Miss Margaret Wheeler of the school faculty decided how to pick the final name.

"Appleseed Press" won by more than 100 votes over the second best entry, "Appleseed Traveler," submitted by Lowell Freeland, 9-A 1, Room 115, and by 150 votes

over "Appleseed Planter" by James Metzler, 9-A 2, Room 203.

P. T. A. Congress To Have Convention At Johnny Appleseed March 13

All-Day Session Will Be Conducted in Auditorium

The Northcentral Ohio District P. T. A. Congress will hold its convention at the Johnny Appleseed Junior High School on Wednesday, March 15.

The registration will take place from 9:00 a. m. to 10:00 a. m. with approximately 800 guests from twelve counties and principal cities, including Marion, Elyria, Ashland and Sandusky.

Mrs. Tracy C. LaCost of the Ohio Congress of Parents and Teachers will present the theme of the convention, "Developing Intelligent Citizenship," at the morning session.

In the morning meeting, Mrs. I. W. Basinger, Northcentral District Director, Rev. Hayes M. Braker, a Mansfield pastor; Mr. W. L. Miller, Superintendent of Mansfield Schools; Mr. Boyd Robinson, Superintendent of Richland County Schools, and Mrs. Milo Heiber, President of Mansfield Council of Parents and Teachers, will speak on various subjects pertaining to the theme. Also, on the morning program, which extends from 10:45 a. m. to 11:45 a. m., will be a presentation of guests and a charter service for the new associations.

The lunch hour will be held from 11:45 a. m. to 12:45 p. m. in the cafeteria, with the conference from 1:00 to 2:00 p. m.

The speakers during the lunch hour will be Mrs. Tracy C. LaCost, "Program Building" by Mrs. Lorin Staats and Mrs. Carl Martin, "Health and Summer Round-Up" by Mrs. Frances Hurst.

The afternoon session will begin at 2:15 and continue until 4:00 p. m., with Mrs. Milo Heiber presiding over the meeting. Mrs. Betty Austin and Miss Harriet

Johnston and the Senior High School Boys' Varsity Quartette will present a musical interlude. There will be a panel discussion on "Your Congress at Work" led by Mrs. Tracy C. LaCost with the aid of Mr. O. E. Hill, Mrs. Frances Hurst, Mrs. Carl Martin, Mrs. Lorin Staats and Mr. Ralph McClintock.

The highlight of the program will be, "Our Young People Talk," a debate given by a group of Senior High School students and led by H. D. Bishop assistant principal.

The Courtesy Tea will be held at 4:00 p. m. and a banquet at 6:00 p. m.

The evening session will begin at 7:30 p. m., with Mrs. I. W. Basinger presiding and Rev. Grover S. Swoyer, pastor of the First Lutheran Church, giving the invocation. Rev. Neil Crawford of Athens, Ohio, will give an address after the Mother Singers, led by Mrs. Elsie Ireland, present a song.

Committees have been appointed for registration, hostess, membership, chaperons, guides, housing, information, Courtesy Tea, transportation, parking, flowers, and decorations.

School Colors Will Be Chosen in Assembly

Whenever a new school is formed, one of the first questions that comes to the minds of the students is, "What are going to be the school colors?" Of course, the school must have a combination that will be attractive.

There was a little discussion about this in one of the gym classes. One teacher suggested the colors of maroon and gold. These colors not only are pretty, but the curtain in the auditorium is maroon.

Maroon and gold is only one combination of several, however. Some other ones which have been chosen for the students to vote on equally as good are green and gold,

blue and gray, and apple green (a light green) and maroon. These also go together very nicely.

These groups are to be voted on by the entire student body in chapel service in the auditorium. Since the auditorium is not yet completed, there is no set date for the service as yet.

Students Coached On Fire Drills

During the week of February 19-23, instructions were sent out by the office and discussed by the classes concerning the procedure of a fire drill at Johnny Appleseed Junior High.

The signal for a fire is the auto call. When this sound is heard, the student body should walk, not run, keeping on the proper side of the halls and stairs, to the nearest exit.

The first person to reach the outside of the building should remember to move far enough away from it to prevent congestion of lines at the exit doors.

The following instructions were given to students who should happen to have classes in either the east or west wing at this time. All students in the east wing on either the first or second floor are to use the northeast stairs and the north doors, while all pupils on either floor of the west wing or in the cafeteria are to use the northwest stairs and the north doors.

Pupils in Rooms 201, 202, 216, 204, or 217 should use the east corner stairs and the north court door, but those in Rooms 203, 205, 206, or the library are instructed to use the west center stairs but also the north court door.

Therefore, only the rooms on the front of the building, 101 to 106 are to use the main south entrance.

If any boys happen to be in shop classes, they are to use the north overhead doors and boys in lockers or showers go to the center east playing field door.

Boys or girls in the gym at the time are, to use the south gymnasium entrance, while girls in lockers and showers exit by the front east playing field door.

Pupils in the lower floor of the auditorium go to the west exit, but those in the balcony go to the south

main entrance.

In preparation for these drills, a captain and sub-captain were appointed from each room. The duty of the captain is to assist the teacher in seeing that all doors and windows are closed and that the students get safely out of the room. The sub-captain takes charge in case the captain is absent.

Special teachers have been appointed to see that nobody is left in the clinic, conference room or the wash rooms.

Lockers Are Welcome Aid

Up to this time, our junior high school students have been without lockers for their wraps and books. We are now provided with these accommodations. Instead of lockers opened with keys, we have combination locks to safeguard our lockers found in the halls and locker bays.

Two people share one locker. There are two shelves—one for each; and the lower part for keeping wraps is divided into two compartments.

Everyone has two lockers, one in the corridor and another in the gymnasium.

Guests Dance at Goldsmith's Home

A dance at the home of Janet Goldsmith, 634 Park Avenue West, was given on Friday, February 15. The guests were as follows: Kathryn Ann Fensch, Peggy Hess, Virginia Marion, Dorothy Norris, Joan Nicola, Shirley Anson, Margaret Aubrey, Sarah Ann Hodgson, Lloyd Shawber, Terry Shelton, David Wiemer, Joe Nixon, Billy Gandert, John Gibson, Don Watson, and George Porterfield. Andy Lamoreux acted as host. The Sergeant-at Arms was Virginia Marion.

The guests danced to the music of a victrola and played games. Refreshments were served later. With the exception of a few, the girls stayed over Friday, Saturday and Sunday.

Group Entertained At Valentine Party

A Valentine Party was given Wednesday, February 14, at the home of Virginia White. Mary Margaret Young was associate hostess.

The evening was spent in playing games, after which refreshments were served by the hostesses. The tables were attractive with appropriate decorations.

Those present were Marilyn Skeese, Elaine Siegfried, Marjorie Brown, Gretchen Bohland, Katherine Schaller, Connie Roelof, Carroll Damron, Dwight Miller, Robert Rochel, Donald Kyle, James Smith, Hugh Eyerly and Glendola Schaaf.

Freeland Residence Scene of Party

The Freeland residence, 20 Euclid Avenue, was the setting for an informal gathering given by Jean and Lowell Freeland, Saturday evening, February 3.

Those present were Emily Holland, Connie Gillig, William Beatie, Jerry Snyder, Harold Post, Donald Creedman and the host and hostess.

Refreshments were served and the evening was spent in playing games and dancing.

Boy Scouts Meet Plan Bird Houses

One of the patrols of Troop Eight had a meeting at Robert Hutzelman's home on February 14. There was a business meeting and a few games were played. Refreshments were served at the close of the session.

The next meeting will be at Edward Miller's home, 214 South Sturges Avenue, on February 21. The boys decided to start making bird houses to enter a contest.

SOCIETY

Pupils Take Part In Piano Recital

A piano recital was given by Mrs. Clingan and her pupils at the Women's Club, Friday, February 23, at 7:30 p. m.

The Johnny Appleseed pupils taking part in the program were Virginia Shambaugh, Virginia Osburn, Mary Ann Berkley, Robert Lamb, and Mary Norton.

The John Simpson pupils who participated included Barbara Shively, Helen Hagellbarger, Carolanna Keefe, Joan VanTilburg, and Patricia Maglitt. The grade school pupils also helped to make the program a success.

Skating Party Main Event of Evening

Virginia Shambaugh was hostess for a skating party on January 13. The guests met at her home on Marion Avenue and went skating, then returned to her home for games, dancing and refreshments.

Among those entertained were Betty Smart, Patty Brothers, Marilyn Skeese, Dorothy James, Geraldine Woods, Ruth Sheriff, James Ehalt, Robert Ehalt, Jack Haas, John Young, and Eddie Bates.

Troop Twelve Entertain Older Girls With Party

The girls of Troop twelve entertained the older girls at Carpenter School, February 14. Plays were presented to the group and refreshments were served. There were about seven scout leaders present.

The girls exchanged Valentines and the meeting was dismissed.

Miss Betty McCracken Entertains Little Women's Club February 13

The Little Women's Club held a meeting at the home of Miss Betty McCracken at 36 West Augustine, February 13.

After a short business meeting, games were played. Prizes were won by the Misses Betty Gerger, Margie Shoup, Helen Murphy and Elaine Miller. Refreshments were served at the close of the evening.

The next meeting will be at Miss Eileen Pearce's home on Sunset Boulevard.

Attends Tea at Shelby

Miss Dortha Shaffer, English teacher, attended the Martha Washington tea at Shelby High School the afternoon of February 22.

This tea is an annual event sponsored by the senior girls who invite as their guests the mothers of all the girls in the school as well as all their former teachers.

Scouts Have Combined Service—Aims Discussed

The annual Boy and Girl Scouts' church service of Mansfield was held at 7:30 p. m., Sunday, February 4, in the First Lutheran Church, with Rev. Grover E. Swoyer, pastor, speaking to the young people on "Rainbows in the Skies."

Meeting at their respective headquarters, each troop marched to the church in a body under the supervision of its scoutmaster. Short talks were given by representatives of the two movements.

Miss Katherine Hartman, member of the Girl Scout Council, gave the aims of that group, and Philip Smith, Boy Scout District Commissioner, spoke on the Boy Scout aims. Each group recited its oath in unison. Miss Jane Weuthrick sang "The Path of Life" as the offertory solo.

Friends Gather at Ruth McKee's Home

Ten friends gathered at the home of Ruth McKee, 67 Stewart Avenue, Friday evening, February 23 from 7:30 until 11:00.

Cards and dancing were the main diversions of the evening and at a late hour refreshments were served.

Those attending were Shirley Stickler, Lucille Chesrown, Betty Smart, Doris Scisinger, Edith Englesrud, Marjorie McClure, June Shufflebarger, Katherine Schaller, Naomi Linsenmayer and the hostess.

Troop Seven Meets at Home of Leader

Girl Scouts of Troop Seven met at the home of their leader, Mrs. William Hauserman, Monday evening, February 12:

After a brief business session, the girls worked on wooden belts which they are making. Refreshments were served and Barbara Shively read an original Valentine story to the troop.

Mary Bushnell Gives Birthday Party

Mary Bushnell held a birthday party at her house on January 14. Seven girls were present. They all met in the lobby of the Ohio Theater for a show and afterwards went to the hostess' residence for an evening luncheon during which the hostess received many lovely gifts.

Games were played and a delightful time was had by the guests, who were Shirley Anson, Nancy Leonard, Joan Nicola, Sarah Ann Hodgson, Kathryn Ann Fensch, and Anna Marie Fischer.

Junior Music Club Meets

A meeting of the Junior Music Club was held at the home of Betty Smart, 60 Sherman Avenue, February 8, 1940.

Two chapters were read by La Donna Kink from the book, "How Man Made Music." A violin duet was given by Pauline and Charles Hockett, accompanied by Mrs. Hockett. Betty Smart gave a harp solo, and Helen Precht, Joan and Janet Banks sang as a trio.

The meeting was ended by some group singing after it was decided to have the next meeting at the home of Ruth Ann Fox, Sherman Avenue, on March 14.

Sisters Entertain for Cousins From Tiffin

Mary and Emalisa Norton entertained January 6, from 7:30 until 11:30 p. m., at their home, 411 Overlook Road, in honor of their cousins, Jimmy and Robert Kuhn, from Tiffin. The affair was a "bad taste" party.

Dancing and games were enjoyed throughout the evening and at the close of the party, refreshments were served.

The guests included Bill Nixon, Larry Osborn, Jimmy Smith, Jack Parker, Janet Perez, Doris Scisinger, Ruth Anne Fox, Connie Gillig, the guests of honor and the hostesses.

Guests Enjoy Dancing and Cards at Betty Smart's Home

Betty Smart was hostess to a group of girls at her home, 60 Sherman Avenue, Friday evening, February 9, 1940, from 7:30 to 10:00 p. m.

Dancing and cards were enjoyed throughout the evening, while Doris Scisinger won the prize for naming the most movie stars. Refreshments were served at the close of the evening.

Those attending were Ruth McKee, Lucille Chesrown, Kathryn Schaller, Marjorie McClure, Shirley Stickler, Doris Scisinger, Edith Englesrud, June Shufflebarger and the hostess.

Troop Twelve Meets

A girl scout meeting of Troop 12 was held at Edith Stretch's home February 21. Mrs. Stretch, the scout leader, could not be present so the Lieutenant, Miss Annabelle Pifer, took charge. Miss Bond was present also.

After announcements were made the girls presented little skits. The next meeting is at Miss Ruth Karbula's home on Capello St.

Girl Reserves Elect Officers

Program to be Given in April

The Girl Reserves elected officers for the second semester at the Y. W. C. A., Wednesday, February 14 and 21. Johnny Appleseed girls meet on Wednesday, although a few from other schools go then, too.

Wednesday groups and their officers are Mrs. B. N. Esgar's group: Betty Siepes, president; Shirley Stickler, vice president; Dorothy Norris, treasurer; Jane Abbott, secretary, and Doris Fields, devotional chairman.

Mrs. Thorton Moore's group elected Dorothy Bonecutter, president; Marilyn Kyner, vice president; Mildred Stone, secretary; Evelyn Griffith, treasurer, and Margaret Kraus, devotional chairman.

Betty Morey was chosen president of Mrs. Gene Zediker's class; Ruth Damron, vice president; Elaine Watson, secretary; Jeannie Johnston, treasurer, and Marjory Henry, devotional chairman.

Since Christmas, Girl Reserves have been studying "Our Families and How to Get Along With Them." In connection with this, there will be a program given during the month of April.

On Wednesday, February 14, after their business meeting, all Girl Reserves classes participated in dancing, after which cookies and cocoa were served.

Crafts and dancing are still held every Thursday after school and all Girl Reserves are invited to come.

Leaders Club Meets New Members Admitted

The Leader's Club had its first meeting in Room 207, Wednesday, February 7. Ways of earning money to buy suits were discussed but none were definitely decided upon. The ninth grade girls were named to the classes with which they will assist.

This club is made of eighth and ninth grade girls. The ninth grade girls assist Miss Snider in gym classes. Eighth graders are being trained to help.

To become a member one must have a high scholastic standard (no C's), be fairly good in sports and be able to do some secretarial work.

There were six charter members of this organization. They were Lucille Chesrown, Marjorie McClure, Marilyn Gernhardt, Evelyn

New Coach Hired, Sets Up Class Aims

Johnny Appleseed Junior High is very fortunate in having Mr. Paul Cameron for Director of Physical Education. Mr. Cameron's home state is the great corn state of Iowa. He attended the University of Ann Arbor in Michigan.

Mr. Cameron says, "Since not being established just yet and due to the delay of the completing of the school gym, I have not completely finished definite plans for these last two terms. I do know this, however, I will make my classes as enjoyable as I possibly can."

He aims to make physical study a pleasure—not a hard job. In gym classes there will be so many activities that everyone will surely like some of them. There will be tournaments between other gym classes, such as in basketball, wrestling, ping pong, softball, hard ball and many other events that will be of interest to the boys. We plan also to have tournaments with other schools our size.

Interest Revived In Basketball

There seems to be a revived interest in basketball this year. Perhaps it is because there are two junior schools to inspire competition. Coach Cameron hopes to make up a team from each of the three grades. These teams will play the three teams of John Simpson.

A picked team from each school, chosen by the coaches, will have a final play-off at the high school, if the present plans are carried out.

Girls Get New Gym Suits

When the girls' gym classes appear in the new gymnasium, they will have new suits to go with it. These can be bought at the school for \$1.35.

This new suit is being adopted at the Senior High School and the John Simpson Junior High also, so a girl may use it from the seventh to the twelfth grade.

The outfit is composed of shorts with blouse attached and an inner bloomer while the new color is a medium green.

Simpson Wins Silver Skates Derby Held At North Lake Park

About 200 people gathered at North Lake Park for the annual Silver Skates derby on February 17. Enthusiasm was high as this was the first competition between members of the two new junior highs and each was out to win as many points as possible. Simpson was favored to win as they had many more entries.

The day was warm and the ice slushy with pools of water in places. This hindered the skaters and made competition keener.

In the junior high girls division, there were 50, 100 and 220-yard dashes, as well as a relay and fancy skating. The following were the winners: 50-yard dash, Lois Wappner (A) 1, Ohler (S) 2, Weber (S) 3; time—8 seconds. 100 yard dash, Lois Wappner (A) 1, Weber (S) 2, Ohler (S) 3; time—12 seconds. 220-yard dash, Alice Karsmiski (S) 1, Weber (S) 2, Ohler (S) 3; time—25 seconds. Relay, Simpson. Fancy skating, Alice Karsmiski (S).

In the boys division, there were 50, 100, 220, 440, 880-yard dashes, a mile relay and fancy skating. The following were the winners: 50-yard dash, Seymour (A) 1, Nemeth (S) 2, Bidinger (S) 3; time—8 seconds. 100-yard dash, Nemeth (S) 1, Voyik (S) 2, Bautz (S) 3; time—11.5 seconds. 220-yard dash, Nemeth (S) 1, Bidinger (S) 2,

Health Classes Plan To Present Skit

The girls in Rooms 104 and 105 are going to give a skit for the health classes in our new auditorium the first chance they get.

It is to be a posture skit with songs and pantomime.

The girls who sing are Kitty Bushnell, Nancy Leonard, Virginia Shambaugh and Anna Marie Fischer. The ones that are "Polly Perfects" are Mary Bushnell, Mary Norton, Jean Hugo and Margaret Wallery. The rest of the characters are other members of the classes.

There are the "Slumps," the "One Foots," the "Head Forwards" and the "Sway Backs." Miss Snider is planning with the class. There are also the "Chins Out" and the "Flat Foot." There will be very tricky songs to the tunes of songs we all know.

Kinkle (A) 3; time—20 seconds. 440-yard dash, Palmer (S) 1, Kinkle (A) 2, Wharton (S) 3; time—1 minute, 13 seconds. 880 yard dash, Palmer (S) 1, Nemeth (S) 2, Bidinger (S) 3; time—1 minute, 38 seconds. Mile relay—Simpson. Fancy skating, Jack Spicer (A) 1, Palmer (S) 2, Pearson (S) 3. The total score was Simpson 72 and Appleseed 24.

The derby was sponsored by the physical education department of Mansfield schools and directed by Harry E. Mehock, physical education director.

Plans for Athletic Contests Being Made

Mr. Paul Cameron, athletic coach of Johnny Appleseed Junior High School, announced that part of the activities for boys have been planned.

There are to be sixteen intramural basketball teams and tournaments between the seventh, eighth and ninth grades of Appleseed and the seventh, eighth and ninth grades at Simpson, respectively.

Then there will be a five-star, first team from each school to compete against each other.

He also stated that there definitely will be a track team. It has not been completely settled as to whether there will or will not be a football team. Mr. Cameron also hope to organize a wrestling team.

Boost Our School Sports!

I believe you have all heard how we were beaten by other schools in the Silver Skates Derby! Did you compete? I know not very many did. Are we going to allow ourselves to be beaten all the time? It is time we are beginning to get a little school spirit.

The next time we compete in any sport, let's get out and cheer for APPLESEED! Even if we don't win, it will show people that we are all for OUR SCHOOL.

Boys' Gym Suits Arrive

The boys gym suits are in now. We can buy them at Reeds for 85 cents. They are gray and new, in keeping with our school. Don't forget to have your suit by the time the gymnasium is opened.

G.A.A. Has First Meeting, Elect Officers

At a meeting after school, February 12, a Girls' Athletic Association was organized. The election of officers was held and the following were chosen to assume the duties of the new group: president, Lucille Chesrown; vice president, Lucille Calver, secretary, Betty Smart, and treasurer, Doris Scisinger.

Two committees were appointed by the new president, including a constitution committee and a program committee. The constitution committee is to draw up a constitution for the organization. Those serving on this are Marjorie McClure, Lois Wappner, Mary Bushnell, Miriam Sauder, and Betty Pfeleiderer. The program committee is to plan a program for each meeting and consists of the following members: Mary Margaret Lake, Shirley Stickler, Doris Scisinger, Mary Norton and Evelyn Art.

A representative and hiking leader were elected by each grade. Ruth LeMunyon was chosen ninth grade representative and Eleanor Wilging, hiking leader; Dorothy Arlin, eighth grade representative, and Jane Gibbs, hiking leader; Joan Wragg, representative, and Jean Johnson, hiking leader for the seventh grade.

Emblem Association Elects Officers

Officers elected for the Emblem Association at a meeting held Monday, February 19, in Room 115 were Lois Wappner, president, and Ruth LeMunyon, vice president. Marilyn Gernhardt, who was elected before the change of schools, is secretary-treasurer.

The committee for writing the constitution consists of Marilyn Gernhardt, chairman, Ruth Snyder and Eleanor Wilging.

This organization is composed of girls who have earned enough points to receive their numerals or emblems. There are twelve charter members, including Lois Wappner, Doris Scisinger, Shirley Stickler, Ruth Snyder, Emily Holland, Marjorie McClure, Eleanor Martin, Marilyn Gernhardt, Lucille Calver, Ruth LeMunyon, Evelyn Art and Eleanor Wilging.

Cafeteria Opens

Free Milk Given the First Day to Most of Student Body

About 400 pupils and teachers gathered to eat in the new cafeteria for the first time on February 26, 1940. Every one will agree that this is a great improvement over eating from paper bags in a study hall.

The menus are carefully planned so that each person may get plenty of fruits, vegetables, and milk for a minimum price.

The food is prepared by Mrs. Roylen Motson, chef, Mrs. Bender, assistant; Miss Freda Jundt, cashier, and directed by Mrs. J. W. Hypes.

In order to get as much pleasure as possible from the cafeteria, the following rules have been made:

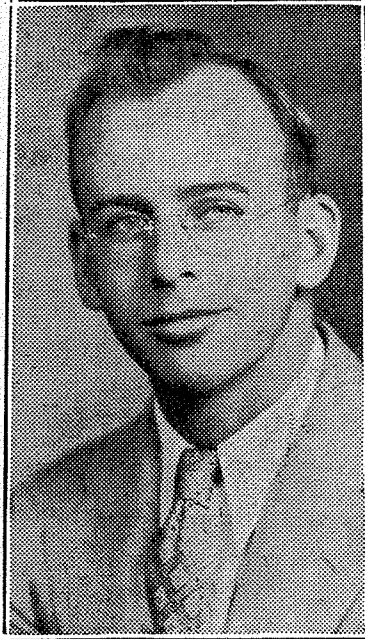

1. Take your books to your locker—do not carry any books to the cafeteria.
2. Wash your hands before eating.
3. If you bring your lunch from home, eat in the cafeteria.
4. Study the menu and have your money ready before you get in the cafeteria line.
5. Help yourself to service and food at the steam table. Count your change.
6. Carry your tray to table—leave your dishes on the tray while eating.
7. When you finish—carry your tray of soiled dishes to the window opening into the kitchen and quietly leave the dining room.

highest amount of advertising was sold by Peggy Sears, 8-A 6, who will be Assistant Business Man-

ager. Donald Creedman, 9-A 3, was next and is Circulation Manager. The following were next in line and earned the titles of Assistant Circulation Manager and Exchange Manager, respectively: Robert McDonald, 9-A 2, and Naomi Linsenmayer, 9-A 1.

To get on the staff one had to sell at least five inches of advertising. Those who sold that much or more were Bob Kochheiser, Don Johnson, Vivian Bader, Albert Mulberry, Ned Painter, Lowell Freeland, Bob Harbaugh, Herbert Browarsky, John Stanton, Earl Wendell, Miriam Sauder, Betty Gerger, Marilyn Kyner, Joan Overmyer, Lucille Chesrown, Carol Levering and Eleanor Clements.

This staff sold 320½ inches of advertising for the first issue of the paper in a period of ten days.

FADS and FASHIONS

By EMALISA NORTON

Now that there is a touch of spring in the air, all the newest fads and fashions seem to be turning to pastel colors.

Excellent examples of this are the new spring skirts. The colors of these are old, returning to pale blues, pinks, greenish shades, as well as tans; but the styles are new. The most popular styles seem to have either all around pleats, accordin pleats or huge square pockets, which at this time are the height of fashion.

To go with these skirts and soft sweaters, there is a lot of new jewelry seen around school. Several of the most attractive pieces are necklaces. One, I especially noted, is made of a crystal-like substance and in the form of tiny bright-colored flowers and leaves on a natural chain.

Another is a series of shells painted in bright colors on a braided cord to tie around the neck. Still another piece was a kerchief clasp. Worn by one of our students, it is an Indian masterpiece made of seed beads and a real piece of bone for horns since it is supposed to represent the head of a steer. Charm bracelets and lockets are always popular, especially if the locket is inherited from a member of the family.

For the girls who wear ribbons in their hair, which includes practically everybody, bright plaid ribbons seem to be rather popular as they are seen replacing the plainer colors.

Then, too, the cotton cardigans which were so popular last spring,

are still in fashion headlines as I have seen them around school in all the new spring shades as well as our old faithful fall colors.

Our 'Yankee socks' have also brought about a new trend. This time it is anklets. These new ones are heavily knit in a novelty weave and have no cuffs.

Lost and Found Dept. In Office of School

For the convenience of the Johnny Appleseed students, a Lost and Found Department has been organized in the office of Miss Virginia Palmer, the new office secretary. She states that many lost belongings have been turned in lately that have not been called for, so if any student has lost an article around school in the past several weeks, please report to the office as soon as possible.

This paper will try to run a Lost and Found column. If you have lost any articles which are not turned in at the office, notify any of the staff members and it will be listed in this section.

Appointed New Clerk Of Board Of Education

At a special meeting of the Mansfield Board of Education, held January 2, the Board appointed John Eisaman to succeed the late Dr. John Bristor as clerk of the board. Dr. Bristor held the position 21 years before his death which came too early to let him see his dream come true—the new schools being used.

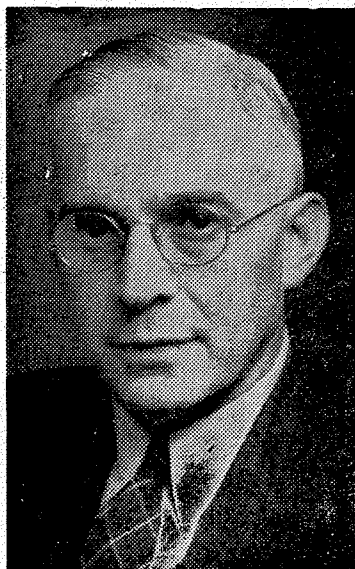

The duties of Mr. Eisaman, who is also attendance officer, are to handle all correspondence, pay school employees, keep the books and the minutes of the meetings.

Mr. Eisaman, whose office is in the new John Simpson building and whose home address is 5 Summit Court, has two boys and likes to hunt, fish and play golf.

Mr. Eisaman stated that a par-

ent can only give a child character and education and the rest is up to the child.

The Board of Education meets the third Monday of each month.

Plans Being Made For Noon Activities

A committee composed of a number of teachers has been meeting and making plans for different means of recreation and entertainment during the lunch hour.

Upon completion of arrangements and equipment, the student body will be offered the opportunity of participating in volley ball tournaments and dances. Movies will also be presented in the auditorium and for those who wish to study or read, the library and study halls will be available.

to pay tribute to the First President of the United States.

As good Americans we all took notice of the birthday of the leader of our country, a man who was a loyal, courageous, defender of all men's rights, a general of the Revolutionary War, which won our independence, and an honest and up-standing man.

He is to be looked upon by every boy and girl as more than a president of this country; a man who lived for the people, as helper, not a conqueror, of mankind and for the liberty and freedom for which this country now stands.

Filling America's Coal Bins

Requiring nearly 500,000,000 tons of coal per year, America's fuel appetite places heavy demands upon anthracite and bituminous mines. Modern mining methods employing the most efficient electrical equipment have become necessary to produce a steady flow of coal at economical prices. Prominent among such equipment is that manufactured in the Mansfield plant of the Ohio Brass Company.

Students Buy Activity Stamps

Various Values Received Under New Plan Now in Operation at Johnny Appleseed

The council of Johnny Appleseed Junior High School has adopted a new plan for student activities. The procedure is outlined in the following paragraphs.

Every Tuesday morning, a certain amount of time is set aside in the home room period to sell activity stamps. Any student wishing to buy one is given a little orange activity card. The inside of this card is divided into thirty-six squares, each one representing a week. Then, every week at this time, yellow stamps are sold at ten cents each. These stamps are to be pasted in the card on the correct squares and can be bought weekly or any amount at one time.

The purpose of the plan is to entitle students to attend more student activities. This includes basketball and football games, track meets, motion pictures, class plays, operettas, assembly programs or any other activity sponsored by the school, as well as towel service, lock rental and a subscription to our school paper. However, if the event is sponsored by the Parent-Teachers' Association or any other outside club of the kind, regular admission must be paid.

The name of the purchaser is to be written on the card and in the case of the card's being presented by anyone other than the original purchaser the card must be forfeited.

This plan is also in use at John Simpson and has been in action at our Senior High School for the past several years.

Dedicate First Issue To Johnny Appleseed

By BOB CUPP

It would seem fitting that our first edition should be dedicated to the man whose name our school bears—Jonathan Chapman, or Johnny Appleseed, as he is known to everyone.

The early history of this odd character is known to all of us, how he lived in the greatest simplicity and spent his life wandering over the country, planting his seeds for the pleasure of future generations. This foresight and unselfish service has endeared him to the memories of all.

If Johnny Appleseed could step inside our building today, no doubt he would be amazed and greatly pleased. Perhaps he would tell us that what we are trying to do now is only a modern version of his plan planting for the future.

We are glad to have been the first to sow the seed for the new paper and hope that it will grow better with every issue.

Student Injured

Returns to School Next Day

Eugene Ropp, ninth grade student, while on his way to lunch, tripped and fell, badly cutting his knee. First aid was administered, and later Coach Cameron cleaned and bandaged the wound.

In the afternoon, "Eue" was excused from school to go to a doctor who stitched and bandaged the gash. We were glad to see that Eugene was back in school the next day.

Office Secretary Hired

Has Numerous Duties

Miss Virginia Ruth Palmer, who is taking the place of Miss Norma Johnston as Mr. Rohleder's secretary, is a graduate of the Mansfield Senior High School and the Mansfield Business Training School.

She had formerly been employed at an advertising agency, so the office work is all new but interesting to her.

Her duties as Mr. Rohleder's assistant include the following: answering the telephone, running the mimeograph machine, taking care of activity stamps, typing, and managing the Lost and Found Department.

Her main interests are music and reading.

P.T.A. Salutes Our School Via Radio

"Parent - Teachers' Association," written by Robert Y. Davis, history teacher, and which is on the air every Thursday afternoon over WMAN from 4:30 to 4:45, represented the new Johnny Appleseed High School Thursday, February 15, 1940.

The program opened with the Mother Singers from Hedges singing two songs composed by Stephen Foster. They were "Jeannie With the Light Brown Hair" and "Beautiful Dream."

The announcer introduced Mr. W. L. Miller, superintendent of schools, who spoke about the Johnny Appleseed School, and said that it would be completed about March 1, 1940.

The principal of Johnny Appleseed, Mr. Glenn G. Rohleder, spoke about the school and told of the new features in it. Mr. D. Twitchell played a violin solo, and Lind Decker, seventh grade student, played a classical composition on one of the concert grand pianos. The Mother Singers closed the program by singing "Old Black Joe."

Well, of Course

It happened in Mr. Cameron's health class the other day. He asked, "What is on top of the milk for protection?" Of course, he meant the cap.

Harry Weirick piped up, "Grade A!"

Submit Your Design For the School Seal

A meeting to decide what our school seal will be, was held in Room 202, February 21, 1940. Miss Stark gave instructions for the planning of the seal.

Since our seal is as important as the school colors or any other insignia, there has been much discussion as to who shall design it and what will be the design. We have many good artists here at Johnny Appleseed and so the committee on choosing the seal has decided to let the students submit their ideas of a design to Miss Stark.

The circle should be 8 inches in diameter. It also should be symbolic of the present and past, and the circle should be divided into three unequal parts.

Think of the pride you will have if your design is chosen! The seal that is finally chosen will be used on all school papers, etc., from now on while Johnny Appleseed still exists.

A dream visualized, a dream come true. A wonderful dream prospected, a wonderful dream come true! A breath-taking dream foreseen, a breath-taking dream come true.

Forty years ago a fantasy, twenty years ago a wish, ten years ago a prospective, two years ago an ambition, today a reality!

The Johnny Appleseed and John Simpson Junior High Schools are no longer thoughts but inspiring products of modern science—truly spectacles of modern engineering.

What could be more pleasing means of education than to walk into a structure such as this where comfortable desks make you sat-

isfied, indirect lighting pleases your eyes, and studying is a pleasure?

What could be a more enjoyable form of exercise than a hearty workout in a new fully equipped gym? Or can you suggest a better means of spending a happy hour than sitting in a cozy seat in a beautiful auditorium watching a school play?

Words cannot be used to describe Johnny Appleseed and John Simpson High Schools. THANKS MANSFIELD! —Eddie Fisher.

Girls Taught First Aid

Eighth Graders Study Posture

Ninth grade girls have been studying first aid. Each girl has a small pamphlet entitled "First Aid." From these, they have learned what to do in case of an accident, before a doctor arrives, in order to help save someone's life.

Different girls or groups of girls are demonstrating the treatment for such things as broken bones, splinters, insect bites, and also how to remove a foreign body from the eye, ear, or nose.

The seventh and eighth grade girls are concentrating on posture. They studied feet as a part of this unit. Each girl brought her foot print and compared it with a perfect one in her book. Shoes from every country are either going to be drawn or brought in by the girls to be displayed in the trophy case.

With the opening of the new gymnasium, the girls will have a few weeks of folk dancing, after which they expect to participate in many sports and games, such as badminton, tennis, ping-pong, shuffle-board, and golf.

Editorial Staff Meets Organize School Paper

Since Johnny Appleseed is a new school, our newspaper must be newly organized. This, we are

MISS DORTHA SHAFFER

doing by letting anyone interested write as many articles as possible, in his best English. These two points determine who shall be on the staff.

The editorial staff meets every Monday and Thursday in Room 101. The first meeting was held on Monday, February 12, 1940, and directions were given on the types of editorials and how to form one properly, besides showing how many were required of each one by the next meeting.

Get Your Excuse

Nobody is to be in the halls without a yellow slip. If you are sent on an errand or leave your room for any reason, you must take one. The yellow slip states the time, the teacher's name, and

the excuse if important. If you have been absent you are given a slip stating your excuse, which may be shown to each teacher.
