MANSFIELD, OHIO, WEDNESDAY, OCTOBER 17, 1951

NUMBER 1

Press Staff Headed By Fay and Boals

Beverly Boals and Jean Faye will head the staffs of *The Appleseed Press* this year. Beverly is business manager, while Jean heads the editorial staff as editor-in-chief.

Janice Swank is assisting Beverly as assistant business manager. Other officers of the business staff will be chosen by the number of inches they have. Inches are awarded by the size of the ads each person sells.

For the editorial staff there is Mary Elizabeth Glessner, assistant editor. Marilyn Raushert, news editor. Pat Mabee, feature editor, Jean McLean, society editor, Paula Disler, girls' sports editor, Michael Lockshin, boys' sports editor.

The editor-in-chief, assistant editor, news editor, and business manager were appointed by last year's staff. The other officers were chosen this year.

Mr. J. J. Thoms is adviser to the business staff. Adviser to the editorial staff is Mr. Frank J. Pival. Those assisting Mr. Pival are Mr. Charles Sauder, Miss Lenora Fehr, Miss Pauline Hetrick, and Miss Elaine McClellan.

Miss Muriel Voll is in charge of the typing staff.

Waterproofing Gives Building New Look

During the period from the latter part of June to August 15, the complete waterproofing of Johnny Appleseed, a job costing over \$23,000, was done by the Western Waterproofing Company of Detroit, Michigan.

Mr. Harmony, principal of Appleseed, states that if the waterproofing has proved successful, and all water is kept out, then the building will be replastered and painted. Mr. Harmony also says that now, since the waterproofing, the appearance of the building can be closely compared to the building when brand new.

The Board of Education has also painted the window casings, overseen by Glenn Robinson.

Thanks from the students of Johnny Appleseed is extended to the Board of Education and Mr. Miller for making such repairs possible.

Bolesky Heads Club

The Junior Music Club elected officers at the recent meeting at the home of Mrs. William Marshall, 196 Penn Avenue.

The group elected John Bolesky president, Nancy Stump vice president, Paul Koons secretary, and James Wright treasurer.

Following the business meeting, was a musical program consisting of club talent.

Carmen Long sang "Marie", accompanied by Marilyn Curl followed by a piano solo, "Fire Dance" by Louellyn Craig, Marilyn Rauschert and Marilyn Curl sang the duet "Whispering Hope" accompanied by Pat Mabee. John Bolesky closed the program by singing "When Irish Eyes are Smiling."

Refreshments were served buffet style and the club was dismissed.

The Junior Music Club, sponsored by the Music Study Club, is under the direction of Mrs. William Marshall and Mrs. K. E. Buhr.

LANGACHER CHOSEN QUEEN

Attendants Elected From All Grades

Mary Langacher, blonde and blue-eye, will reign as Appleseed football queen at the traditional Appleseed-Simpson game Oct. 17 at Arlin Field.

The queen, a ninth grader, along with her six attendants, was elected at the annual student elections in September. Chosen as attendants were:

Jane Nail and Charlene Appleman, ninth grade; Donna Sharp and Molly Maxwell, eighth grade; and Wileen Huck and Linda Hattman, seventh grade.

Mary was nominated for queen from her home room—114. She said that being chosen queen was a great honor and that she was "very excited" about it all. The queen, an honor student, came to Appleseed from Woodland school. Physical education and Latin are her favorite subjects; home work occupies most of her spare time, she reported. She also is a tennis enthusiast, is five feet, five inches tall and favors skirts and sweaters for school wear. Her home is at 318 Davis road.

From home room 215 comes Attendant Jane Nail. Like the queen she is blonde, blue-eyed and tall and also attended Woodland school. Jane's favorite subjects are algebra and physical education and basketball is her favorite sport.

Charlene Appleman from home room 103 is an Appleseed drum majorette and played the bells in the band for two years. She is a brunette who spent her elementary grade school days at Prospect school. She prefers suits to sweaters and skirts and admits that her favorite pastime is extended conversations via the telephone.

Molly Maxwell should find it easy to get advice on her queen attendant job, since her sister, Judy, was an attendant three years ago. Molly, who probably will grow up to be a brunette, attended Rebecca Grubaugh grade school. She collects statues and stuffed animals, prefers skirts and jeans, and her favorite outdoor activity is horseback riding. She is a home room "resident" of 104.

The other eighth grade attendant, Donna Sharp, has blue eyes

MILLER LEADS SERVICE CREW

George Miller, ninth grade student in room 203, has been chosen service crew captain for 1951 and 1952. His assistant is Paul Dent from room 205. Both boys have been on the service crew for two years.

The duties and services of the service crew are to take care of the stage and the movie projector. They are available at all times to any teacher that wishes to show a movie or use the recorder.

The requirements for service crew are, an average B grade in all major subjects, pass a test with a satisfactory grade, and have a good reputation for being reliable.

Mr. Davis, the service crew advisor, said that there would be a service crew dance and several parties throughout the year.

The ninth grade members of the service crew are: George Miller, Paul Dent, Hugh Welsh, Ted Linham, Robert Barnes, Bill Riester, and Tim Driscoll. Eighth grade members are: John Evans, Lawrence Brown, John Weir, Ronnie Zahn, and Charles Bauer.

Students Broadcast All-High Hop

The All-High Hop, a request music program, presented by the teen-agers, is going to be on the air again this year.

The program, on Saturday from 10:00 o'clock to 11:00 o'clock is heard every two weeks.

The students on the air for Appleseed are: Jane Nail, Linda Bloor, Mary Lou Germany, Larry Brake, Michael Lockshin, and Richard Lockshin.

The girls and boys are alternating weeks, John Simpson sharing the hour with Appleseed. The weeks that the Jr. Highs are not on the air, Mansfield Senior High, and Madison High share the hour.

Home Economics Classes Begin Projects; Teachers Outline Course for Year

The girls in Miss Hopkins' and Miss Tucker's sewing classes are starting out this term by gathering equipment for the year's work. The first sewing project of the year will be to hem a towel by hand and make a hot pan holder by machine.

They are also studying good grooming and are learning how to thread the sewing machine and bobbin, to stitch on a straight line, put the ironing board up and down and to tie a knot in thread. All of these things are on a chart opposite each girl's name. As each girl completes a project it is checked off on the chart.

Later on in the year, when the girls have more experience, they may attempt a broom stick skirt.

In the first six weeks of Miss Tucker's seventh grade cooking classes, the girls will be preparing things for breakfast, such as cocoa

and toast, citrus fruits, dried fruits, and cooked cereals.

They are studying and learning the food yardstick. They shall also learn to care for equipment and know where to keep it.

In May or early June the girls of each class will have a luncheon for one of their teachers.

NEWS FLASH

On September 21, the G. W. Harmony's became grandparents of twins, a boy and a girl. The proud parents of the twins are Mr. Harmony's son Bill, and the former Marjorie Hale.

The twins were born in Richmond, Virginia. Names chosen for the twins are Constance ("Connie") and John ("Johnnie").

Alan and Bobby, brothers of the twins are visiting their grandparents here in Mansfield.

Student Council Meets; Elects Officers for Year

The first session of Student Council was held September 20. At the meeting officers were elected and a new meeting place was chosen. The officers are Mickey Hall, president; Patty McIlyer, vice president; Lois Harring, secretary; Kathern Norem, treasurer; and Miss Wheeler, adviser.

The meeting place was moved from 104 to 205. For the first time the representative and alternate attend the meeting. With both the representative and alternate the total is about sixty-two and 104 will hold only thirty-five. The meeting place, therefore, had to be moved.

The second meeting was held October 4. The council discussed adopting a war orphan for \$180 a year. The council said the money could be obtained by sales tax stamp collections. The members are to vote on the subject at the next meeting, October 18.

FIVE-MILL SCHOOL LEVY

Yes No

X

On November 6 the Mansfield City Schools will ask the voters in the school district to approve a five-mill levy for the operation of the schools. This is necessary according to the Ohio laws for these operational levies expire periodically and must be renewed by the voters at regular elections.

Five years ago the voters approved a three-mill levy. That is the levy that expires now. That money is the income that is necessary to pay salaries and the various expenses for the operation of the schools.

The Mansfield Board of Education is asking that the three-mill levy that expires at the end of this year be renewed in the form of a five-mill levy. As everyone knows, prices have increased so much in the past few years that it is almost impossible to operate a school system on the same amount of money that was adequate five years ago. Therefore, it is now necessary to ask for an additional two-mills for the increased cost of operating schools.

On November 6 you can do your part by reminding your parents to go to the polls and vote FOR the five-mill levy.

Pianist Presents Assembly Program

William Haaker, noted pianist and conductor, was presented at Applesseed's first assembly, September 19, playing a variation of classical and semi-classical numbers.

He opened the concert with "The Turkish March," by Mozart. Before his second full number he stressed the fact that there are two types of songs, those you know and those you don't know. He played sketches from Chopin's Etude in E major, Polonaise in A flat and Tantasy Impromptu as illustrations of his point. He then played Nocturne in E flat major and Impromptu in A flat major by Chopin.

The rest of his program included a Spanish Dance by Albenis, "Boogie Woogie," The Hippo Dance, "The Goldfish or Poisson D'or" by Debussy, Claire de Lune, and Gershwin's "Rhapsody in Blue."

Mr. Haaker's performance brought heavy applause, but he did not play an encore.

When interviewed after the concert, Mr. Haaker stated that the beginning of his piano career started somewhere around the age of four, and that he decided to become a concert pianist "only because it was in his blood." He studied under Jose Iterbi at an early age and gave his first concert in his home town of Albany, New York. In 1945 he made his debut in New York and Boston at the Town Halls of each.

According to Mr. Haaker, one of Jose Iterbi's few pupils, Iterbi is a very strict master and a great musician.

Mr. Haaker's greatest thrill from his musicianship is to feel that he gives his music to everyone, young or old to enjoy and understand. Other highlights of his life, are when he conducted the orchestra at the Blue Ridge Music Festival this summer, and when, at the age of 19, he conducted the Havana, Cuba, Philharmonic Symphony Orchestra.

He practices any time he can find the time, and he stated that he practiced an hour and a half in Applesseed's auditorium before the concert. He praised the piano in the auditorium greatly, and said what a contrast this piano was to some of the inferior pianos in other schools.

Chopin's Nocturne in E flat which he presented, has been in his repertoire since he was ten, and that was the first public playing of it since that age.

He will now tour 9 states and present 63 concerts from Maine to Texas.

Shops Start Work; Teachers Plan Ahead

Pupils in Mr. Harry Hostettler's and Mr. A. J. Zimmerman's shop classes are starting to work again.

Mr. Hostettler's mechanical drawing classes are busy as usual. Mr. Hostettler stated that his ten eighth grade classes are starting off in review of last year's work. After this they will start doing harder work, drawing future wood and metal shop jobs. The one seventh grade class is doing elementary drawing work. His ninth grade class is doing the advanced work required of their age.

Seventh graders in Mr. Zimmerman's manual training course are learning necessary information on the care and use of every day tools. They are learning the names of tools and tool processes. Another important part of the course is to learn to work safely. Each boy is to make a small article which he will choose from a group of four projects. Mr. Zimmerman has ten 7th grade classes.

His ninth grade metal class is doing molding, bench metal work, metal lathe work, and electric work. The class consists of 23 boys.

Derr Selects Girls For Vocal Ensemble

Mr. A. Lamoine Derr, noted director of the a cappella choir, Mastersingers and other vocal organizations, has selected a seven girl ensemble from the ninth grade girls' glee club.

The ensemble consists of Mr. Derr's choice voices, two sopranos, two second sopranos and three altos. The girls, Carmen Long, Sandra Hamilton, Carol Mitchell, Janis Swank, Marilyn Rauschert, Sandra Hout and Carol Lehr, are organized with the intentions of continuing throughout senior high.

If the group meets Mr. Derr's expectations they will tour other towns and present programs at schools, banquets and other gatherings.

The student director and pianist for the group, Marilyn Curl, will be present at all rehearsals to accompany and correct flaws in general appearance, and quality of the girls' voices.

Miss Elenna Percy, director of all eighth and ninth grade musical organizations, will conduct the ensemble at the noon rehearsals, Monday, Wednesday and Friday.

GLEE CLUB FORMED; ELECT OFFICERS

The halls of Applesseed will ring with music this year, since five Glee Clubs have been formed. There are two eighth grade girls' groups, one eighth grade boys' group, one ninth grade girls' and one ninth grade boys' groups.

Officers for each group have been elected.

Larry Brake is president for the ninth grade boys' group, while Jack Neal is secretary and Eddie Wilson is librarian.

Myrna Sorgen is president for the ninth grade girls' and Marilyn Curl is secretary. Librarian is Donna Matthews.

One of the eighth grade girls' groups has chosen Liz Scheaffer for president, Anita Fatkin for secretary and Patty McIllyar for librarian.

In the other group, Ann Slabaugh is president. Secretary is Penny Schettler and Carolyn Long as librarian.

The president of the eighth grade boys' group is Norman Jacobson and Deiter Buehler is secretary. Roger Thaler is the librarian.

and brown hair and reports to home room 113. She is partial to sweaters and skirts and her pastime, too, is talking on the telephone.

Seventh graders chose a blonde and a brunette for their attendant representatives. Linda Hattman, the blonde, came from Woodland school. Her hobby is dancing and her No. 1 sport is horseback riding.

Willen Huck, the seventh graders' brunette choice, likes sports and came to Applesseed from Prospect. Her favorite sport is tennis and she raises birds as a hobby.

7 People Join Faculty

Seven new people have joined the faculty of Johnny Appleseed Junior High School. There are two more members on the faculty than last year. Five replace teachers who resigned during the summer.

Mrs. Alberta Rinehart, the ninth grade general math teacher and seventh grade math teacher, taught school at Johnsville last year. Mrs. Rinehart went to Bowling Green university where she got a Bachelor of Science degree in education. She likes Johnny Appleseed very much. She lives at 20 Sherman Avenue.

The new band and orchestra teacher, Mr. Charles Sickafus, thinks that school is "O.K.," so far. He taught last in Parker, Colorado and attended Moorhead State College and the University of Colorado. He earned his Bachelor of Arts degree in education at Moorhead State College, and his master in music at the University of Colorado. He took Mr. Wolf's place and is living at 548 Arlington Road with his wife.

Mrs. Sara Fritz, is our new girls' physical education teacher. She attended Kent State University where she got her Bachelor of Science degree in education. She did substitute work at Summit County where she taught biology and history. Mrs. Fritz likes Appleseed very much. She lives at 475 South Diamond with her two children, Paul and Sandra. She took the place of the former Miss Berger.

Mr. Harmony's new secretary and receptionist, Mrs. Luella Brandt, is married and has two children, David, 2, and Bruce, 9. This is Mrs. Brandt's first experience in working at a school. She lives at 504 Woodward Avenue.

Mrs. Dorothy LaRue, the new ninth grade English teacher, got her Master of Arts degree in education at Ashland College and Waynesburg College. She exclaimed "I Love it!", referring to school. She taught last at Union Rural High School.

Miss Martha Madory taught last in Shelby, Ohio. She also lives

Standing: Miss Madory, Mrs. LaRue, Mr. Sickafus.

in Shelby. She attended Wooster College where she got her Bachelor of Art degree in education. Miss Madory likes Johnny Appleseed very much. She teaches eighth grade literature and seventh grade geography.

Miss Eureka B. Bumpus, who replaced Mrs. Gregerson, teaches seventh grade vocal music, and eighth grade literature. She taught at Arlington School in Arlington Ohio before coming to Appleseed. She received his B.S. in Science at Ohio Northern. She is undecided as to how well she likes Appleseed. She lives in Butler, O.

Squad Gets Checkup

Dr. Harry Wain gave Appleseed's football team a thorough physical checkup Wednesday, October 3.

The doctor checked the boys' heart, lungs, and other things that come with a physical check. He found nothing worse than the usual number of bad teeth and other minor problems.

The checkup was held in Appleseed's Clinic Room.

THE "NEW LOOK"

When the students of Johnny Appleseed reached their classes on the first day of the school-year, they were greeted by the shining "New Look" of our school building. A large sum of money was spent by the school board this summer to waterproof and repair the building. Workmen can still be seen putting the finishing touches on the windows as the job nears completion.

Just as it was a hard task to repair the building it will require effort from the students to keep it in its present good condition. A few simple rules of Good Citizenship are the tools with which this job can be done successfully. But let's not consider the chore finished satisfactorily unless each graduating pupil, when he leaves, can look back at his school and feel proud that all future students can attend classes in such a fine building.

The students extend their appreciation to everyone concerned in making the repairs possible and to the workmen for their splendid job.

Respect for Flag

On October 12, 1492, Columbus the great discoverer, reached the shores of the new World. The night before Columbus alnded on the Island of San Salvador, he saw a speck of light far out to the west of them. That light, as Jraquin Miller says in his poems "Columbus", "grew to be a starlit flag unfurled".

"It grew to be time's burst of dawn".

"He gained a world—he gave that world—its grandest lesson".
On! Sail On!!

So today when we see the American flag, "the starlit flag", as the poem says, we think of attention and face the flag.

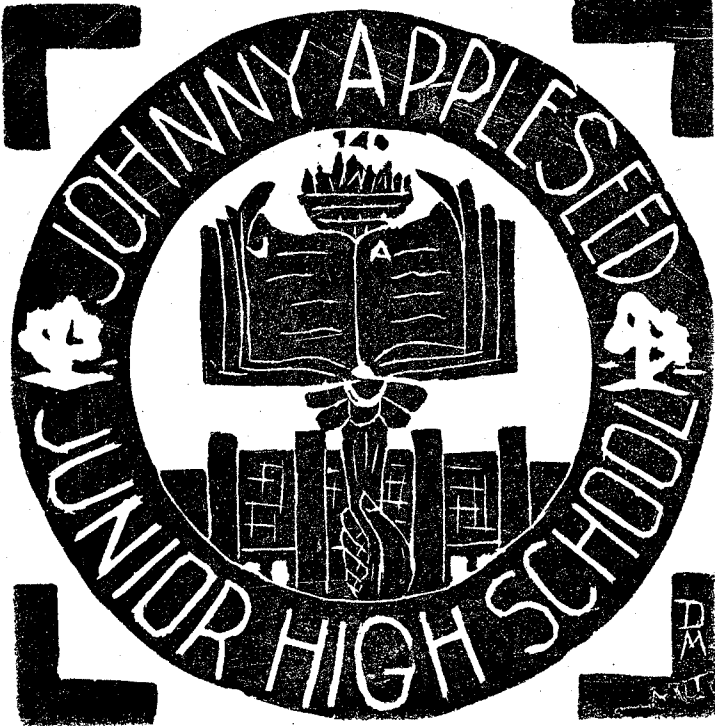

At the games at Arlin Field—when the bands are playing the "Star Spangled Banner" and the flag is being raised—stand at attention—let nothing distract you. Bare your head, face the flag, and stand respectfully quiet until the ceremony is over.

If you are a true "American" and love your country as you should, you never will do anything which would cast a reflection on the flag which we so respect and love. For that flag stands for your country.

IT TAKES FORETHOUGHT

School always gets underway with a "bang", and this year was no exception. There was slight confusion because of the heavy enrollment and the difficulty of arranging schedules, but it soon subsided and everything began running smoothly from the first day.

This efficient organization doesn't just happen—it isn't accidental. It takes much planning on the part of the teachers and principal to get things back to normal as soon as possible. While enjoying the last days of our vacation, they come to the work for the year. Therefore, may "Well done, faculty!"

Reporter Interviews Visiting Witch

As my broom pulled up to a skidding stop in front of Johnny Appleseed school, a beautiful sight met my eyes. There was a beautiful building with lots of windows surrounded by a spacious lawn. I thought that surely no one would mind going to school here.

As I swept into the lobby I noticed a sign over the door that said "Administration" and I thought that this was probably the office and walked in.

I saw a lady who introduced herself as Miss Brandt. She said that Mr. Harmony was busy but she would be glad to give me a tour of the school.

We flew on my broom into the hall and started toward a door at one end over which there was a sign that said "Gymnasium". However as we passed Room 103 we came to a sweeping stop and I heard someone say,

"No, no, it is not *le garcon*, it is *la fille*!"

Well, not understanding French we swept onward down the hall.

Upon entering the gym I heard another cry and I made out the words "point for this side" and Miss Brandt explained that the girl's gym classes were playing volleyball.

I soon had my witch's hat full of this and we flew to the auditorium. However, by this time I had become a great curiosity so I asked to see the second floor.

Going down the hall I came to room 211 and heard an argument on what the name of a column in the "Appleseed Press" should be called and Miss Brandt explained that this was a staff meeting.

Supt. Greets Students

Among the various activities in our schools that help students to acquire many skills is one of which all of us can be justly proud—our school newspapers. The Appleseed Press has, ever since its inception, been of such high quality that no one could say anything that is not the highest praise for this school product.

I suppose that you, the students who produce this paper and the student body that reads the paper, seldom realize the immense value of such an activity. Its learning possibilities are so wide that authorities in the field of journalism have written books on the subject.

Being aware of these values, I deeply appreciate your annual invitation to "appear in print" in the Appleseed Press. This constitutes my first opportunity of the school year to say to you that I wish you every success in this present year.

W. L. Miller

Leaving this scene of confusion with the column still undecided I returned to the office, where, after thanking Miss Brandt, I took my leave of this beautiful school and flew very fast to my home in a tree trunk. There I made a pot of stew and sat down to think of all the beautiful schools I had seen today. Then I got a wonderful idea and I put a charm on the school so that nothing could change.

Oh! how I wish I could go back to witches' school once more, but not even witches' magic can do that.

Winter Tonight

The straggly zenias shook their heads.

The petunia gave a sneeze.

Winter's coming tonight for sure,
Said the nasturtium with a wheeze.

The bluebells sang a sad little song.

The roses were nodding their heads.

The morning glories gave a yawn,
While the daisies made their beds.

The hours passed slowly by that Drowsy afternoon,
And sure enough; when evening came,
The sky held a winter moon.

THIS and THAT

DO YOU KNOW THE NAME OF YOUR NEIGHBOR?

Some day when you're passing through the halls, just see how many people you can name in the crowds that pass. We need to become acquainted; we really do.

There are many students in Johnny Appleseed School who are only known in their own circle of friends. Now wouldn't it be nice if we could be really democratic and make Appleseed Junior High one big melting pot with a friendly smile for the pass-word?

There are many who are lonely and hurt by unintentional coldness on the part of the student. Many newcomers find themselves stared at and snubbed in attempts to be friendly. You don't believe it? Well just ask them!

Let us try to recognize truly fine people when we see them and not permit a chance for a single friendship to pass by. They are all about us here in Johnny Appleseed. They are not all in the "lime-light" now but watch them in years to come. Better make friends of them while you have the chance.

Principal's Message

PUPILS OF
JOHNNY APPLESEED
JUNIOR HIGH SCHOOL—

Since becoming principal of Johnny Appleseed I have had the pleasure of working with many splendid student bodies. This year is no exception for, as I view the group of pupils who pass through the halls to their classrooms each day, I feel a satisfaction in knowing that you people make up a splendid student group. This year we are more numerous than ever before. We now have definitely passed the nine hundred mark. In fact, we have reached the total of 915 pupils as of September 21. That means that we are gradually reaching the building capacity and it will be only a few years before we will far exceed the capacity for which the building was intended.

I am especially pleased this year with the incoming seventh grade group. They have shown in these first few weeks of school that they are sincere and interested in their school. We hope this sincerity will continue and as they go on through the year they will achieve new goals. Many of our new pupils have already assumed extra duties and responsibilities. Some are serving as monitors, others are on the student council, while a number are in the band and orchestra. As we go along we will expect much from them.

Each one of you can contribute individually to the welfare of the school by doing your part to maintain the high standard of scholarship which has been set in the past by our students. We are expecting much of you so do not fail us.

You can also individually do your part to keep your school looking as nice as it did the day we came into the building this year. Do nothing that will harm the school in any way and remember that the school is here and is maintained for your benefit educationally. This summer the Mansfield Board of Education spent a large sum of money to make the outside walls of the building water-proof. This too has added immeasurably to the appearance of the building on the outside. In fact the building looks like new. Soon the inside walls will be re-decorated and the work will be complete.

I am happy to welcome you—old students and new—back to Johnny Appleseed for another year of pleasure and work together. May you have a wonderful year of rich educational experience with the result that at its close you will have profited much and that you will have developed many characteristics which go to make the GOOD CITIZEN.

Fashion Firsts

By Jean MacLean

Well, girls, another school year is now in progress, and again the problem arises of what to wear. According to the top fashion magazines and what I have heard and seen, corduroy skirts, weskits, and jumpers in all colors seem to rate high, along with plaid and pleated skirts. Matched or mixed skirts and weskits are especially emphasized this year.

Some of the colors that are fast becoming popular are purple, charcoal, and rust.

Scarves, flowers, and belts add a variety of colors and combinations to skirts, sweaters, blouses, and jumpers.

Other items that seem to be popular among the girls are sweaters with collars, jersey skirts and blouses, and the new suede shoes. Although loafers and black and white saddle shoes seem to be the most common.

Once again the fall season is here and with fall come the hayrides. Be sensible about what you wear. The nights get cold and damp and it is very easy to catch a cold. Jeans and corduroy or wool slacks worn with pep shirts, sweaters, or flannel shirts are the most popular outfits.

Until next month, your fashion friend,

Jean.

Girls Have Hayride

Saturday night, September 29, nine eighth grade girls sponsored a hayride for themselves and their guests from 8:00 to 10:00 P.M.

Following the ride, the group went to Anita Fatkin's home for refreshments which consisted of hot dogs, potato chips, and hot chocolate.

Those attending were Anita Fatkin, Susie Hout, Judy Smith, Paula Ackerman, Ann Slabaugh, Terry Ross, Donna Sharp, Lynda Smith, Sally Schnittke, Dave Ohly, Pudge Henkel, Phil Ford, Mike Guy, Jim Crall, Jerry Lorentz, Tom Ross, Bob Wolf, and Dick Ohly. Chaperons were Nancy Roth and Pris Slabaugh.

Charleen Holds Party

On September 14, 1951, after the Mansfield-Akron football game, Charleen Appleman held a combination Birthday-Slumber party at her home, 666 Gilbert avenue.

Those attending were Carol Linton, Lolita Heichel, Patty Gump, Peggy Pittman, Sue Daisly, Nancy Stevens, Mary Louise Jones, and Karen Baker.

Bessie Gougoutas was unable to attend.

The refreshments served consisted of ice cream, cake, sandwiches, soft drinks, and potato chips.

The next morning the girls attended a movie.

SLUMBER PARTY

On Friday, October 5, Lani Zipf held a slumber party at her home, 458 Woodward Avenue, after the football game.

Refreshments consisting of sloppy-joes, cake and pop were served. Games were played until the wee hours of the morning.

Those who attended were Lani Zipf, Virginia Parr, Dixie Me-hock, Janice Swank, Beverly Boals, Kay Alexander, and Judy White-leather. Sue Hoffman was unable to attend.

If I Were a Boy

Penny Schettler—

If I were a boy I would wear blue jeans, plaid shirts, and loafers. For a haircut I would have a "butch." No hair tonic plastered hair for me.

I would try to go out for all sports, specializing in baseball.

For girls I would take a cute blonde.

Joan Packham—

If I were a boy I would settle for jeans and a polo shirt with loafers for shoes. For a hair cut I guess I would have a "butch."

My favorite pastime would be food and girls, especially brunettes, and there are so many good things to eat, but I would settle for a hamburger or a big juicy steak with french fries and a hot fudge sundae.

For sports I would choose baseball, although I would go out for football and basketball.

Molly Maxwell—

If I were a boy I would wear jeans and a snazzy plaid shirt. On my feet I would wear loafers. For an all year hair cut I'll take a "butch."

My favorite food would be baked Canadian bacon with raw fried potatoes. For dessert I'll take black raspberry pie and a butter-scotch sundae with whipped cream and a cherry on top.

In sports, baseball would top my list. I would like these things only if I were a boy.

Paula's Prevues

By Paula Disler

Girls' competitive sports will start soon with homeroom intramural volley ball games.

Mrs. Sarah Fritz, the new girls' physical education teacher, now is mapping plans for start of the intramural season. Mrs. Ritz succeeded Mary Alice Berger as girls fym teacher. The new phys. ed. instructor also has plans for starting special group instruction in modern dance and tumbling.

* * *

During the first month of school, phys. ed. has been limited to volley ball, but just wait girls, there still is variety on the sports menu.

* * *

Girls Athletic Association officers for this year are Deanna Mihalick, president; Carol Linton, vice-president; Carmen Long, secretary; and Jeanne Fay, treasurer. The GAA is planning a variety of activities this year, highlighted by the annual GAA dance.

* * *

The student body will cheer Appleseed's teams with school yells led by Cheerleaders Betty Harrington, Evelyn Rucker, Vivien Anderson, Kenny Hildebrand, Cynthia Bell, and Sandra Dunn.

* * *

Newly-named gym leaders are getting into the swing of assisting Mrs. Fritz with her classes. The new gym teacher made it easy to get acquainted with gym classmates by requiring girls to embroider their names on gym shirts and shorts and written on their shoes.

* * *

Appleseed students can be proud of their queen and her court at the Appleseed-Simpson football game. Queen Mary Langacher and her attendants certainly will supply royal atmosphere for the Big Game.

* * *

Meet me here next month.

Students See Trampoline Artists

Edward Stinmetz and Stewart Reed, two trampoline artists, gave an assembly program on Thursday, October 4. They did aerial and trampoline work.

Near the end of the program they got four volunteers from the audience, and showed them how to do a few stunts.

Mr. Reed comes from Philadelphia and met Mr. Steinmetz in a gym a short time ago. Mr. Steinmetz came from New Jersey but went to the University of Iowa, where he studied at Herman's Gym. He has been at his work since 1944.

When interviewed, Mr. Reed and Mr. Steinmetz said that they thoroughly enjoy their work.

Girls Leaders Appointed To Assit Gym Teacher

Mrs. Sara Fritz, the new girls' physical education teacher, has chosen the leaders for the coming year. There are forty-seven girl leaders. The duties of the leaders are to take attendance, be responsible for all the equipment and referee basketball, volleyball, and other games throughout the year. They are also responsible for keeping the shower room clean and dismissing their gym class when Mrs. Fritz is so busy teaching she forgets to look at the clock.

To be a leader it is a requirement to have all A's and B's on your grade cards.

The leaders for the present year are as follows:

Charleen Appleman, Karen Baker, Bonnie Battin, Georgia Beal, Linda Bloor, Kay Brewer, Carol Brinkman, Pat Conneway, Carol Croskey, Marilyn Curl, Sue Daisley, Sally Day, Paula Disler, Sandra Doerr, Meredith Drumm, Jolly Eilenfield, Jeanne Fay, Sharon Ferguson, Carol Friend, Bessie Gougatas, Patty Gump, Betty Harrington, Lolita Heichel, Barbara Houghton, Mary Louise Jones, Norma Jean Kibler, Mary Langacher, Carol Linton, Jean MacLean, Pat Mabee, Donna Matthews, Carol Mertler, Deanna Mihalick, Jane Nail, Sandra Noble, Marilyn Rauschert, Donna Remy, Diane Robenstine, Myrna Sorgen, Nancy Smaltz, Sandra Smith, Nancy Stevens, Janice Swank, Janice Swihart, Pat Byerly, Peggy Clifford, and Judy Whiteleather.

ROOM 105 ELECTS

Mrs. Hostetler's home room officers and representatives for the various student activity groups were elected by room 105 on September 12.

Elected officers were Elizabeth Schaefer, president, and Carol Ramsey, secretary-treasurer.

The duties of the home room officers will be to take care of any business that comes to 105.

Student Council representative this year is Bill Schaaf with Susan Cook as his alternate.

Susan Cook was also elected by the girls of room 105 as G.A.A. representative. She will take care of the girls points and dues.

The boys are competing against the girls in the sales tax stamp contest this year. Captians were appointed for the first semester. Bill Schaaf and Mark Murphy will lead the boys while Judy Watson and Leda Summers will captain the girls.

G.A.A. INITIATES SEVENTH GRADERS

The seventh, eighth, and ninth graders who had earned their 100 points and who wished to join G.A.A. went through the initiation on October 5, 1951.

For their apparel they wore their hair in 51 pigtaails with a different color of ribbon, string, or rubber band on each one, their regular school clothes, only in clashing colors, and an apron.

They were to speak to all of the G.A.A. officers; they were not allowed to speak to any boys or any of the other new members that were joining.

The committee who plannel the initiation was: Diane Robenstine, chairman; Deanna Mihalick, Carol Linton, Carmen Long, Jeanne Fay, Ruth Kinkle, Sally Day, Pat Mabee, Mary Langacher, Barbara Houghton.

Band, Orchestra Under New Director

Mr. Charles Sickafus, new director of Johnny Appleseed band and orchestra, has outlined the present activities of the band.

The band, according to Mr. Sickafus, has expanded to a total of seventy-three members, thirty-one of whom are new comers.

Mary Louise Jones, head majorette, was picked by Mr. Sickafus to lead the marching band in their various formations on the field. Charleen Appleman and Carol Pickworth ably assist her.

Because of the elemination of tag day, the rumor has been that the band will not march at all in uniform. Although the band will not march in uniform before the Appleseed-Simpson football game, Mr. Sickafus says the uniforms are ordered and will be here in time for the big game.

PTA Officers Meet To Plan Year's Work

The officers of the P.T.A. met with Mr. G. W. Harmony to formulate this year's program and plans.

It was decided that emphasis would be placed upon programs involving observation of various departments of the school.

It is the belief of the P.T.A. officers that parents are interested in seeing what actually goes on at school. This has been illustrated by the large turnout to visit class rooms and follow one full day's schedule. Accordingly, the first meeting will again follow this pattern.

Other meetings will be devoted to presentations by the music, dramatic, physical education and shop departments.

One dance will be sponsored by the P.T.A.

It is hoped that greater parent interest will be aroused in Junior High activities and a better knowledge obtained of teaching methods, if the opportunity to observe first hand is presented.

Game Cancelled

Johnny Appleseed's football game with Loudonville scheduled for October 3, was cancelled due to a street fair in the opposition's home grounds.

Attempts are being made to schedule it for a later date.

PIONEERS MEET SIMPSON TONIGHT; TWELFTH RENEWAL OF GRID BATTLE

Tonight, October 17, fans at Arlin Field Football Stadium will thrill to Mansfield Junior High Football at its very best. Johnny Appleseed, the defending champs, are playing the most important and far most meaningful game of the 1951 football season.

Their opponents in this long-awaited event will be Simpson, who is still suffering from three straight setbacks at the hands of the Pioneers. The last time the Bulldogs pulled out victorious at the final gun was on October 30, 1947.

Simpson has won six out of the eleven contests played between the two teams. The Pioneers have won in 1944, '45, '48, '49 and '50.

Appleseed Coach, Paul Snyder, is shooting his aces tonight.

The probable starting lineup is as follows:

Left End—George Swank
Left Tackle—Bill Cook
Left Guard—Milan Senokozlieff
Center—Dick Harrington
Right End—Marvin Fyock
Right Tackle—Les Danals
Right Guard—Ronnie Mascilli
Quarterback—Bob Hurlburt
Fullback—Ronnie Sherrer
Right Half—Joe Berger
Left Half—Eddie Wilson

Good luck, Pioneers, let's beat Simpson tonight!

Athlete of the Month

Cynthia Bell has been chosen seventh grade athlete of the month. Cynthia reports to home room 111. She claims math as her favorite subject and basketball her favorite sport. She also enjoys wearing jeans and likes to eat steak.

Deanna Mihalick who has been chosen ninth grade athlete of the month, is president of the G.A.A. Her favorite sport is basketball, while she claims algebra as her favorite subject. Her pastime is watching television. Deanna claims steak and french fries her favorite food. She likes very much to wear jeans. Deanna reports to room 205.

Vivian Anderson, an eighth grade cheerleader, has been chosen athlete of the month. She is in home room 112. Hamburgers and cauliflower are her favorite food, while collecting cups and saucers are her hobby. She feels most comfortable in jeans and she enjoys playing with her dog. Vivian belongs to Y.W.C.A., Girl Scouts, and Corlettes.

Ashland Beats Appleseeders

Johnny Appleseed's Pioneers bowed in defeat to the mighty Ashland team Sept. 27 at Arlin Field. Two missed conversions formed the margin of the Pioneer downfall as they lost 14 to 12.

Appleseed drew blood early in the game with a fast touchdown, only to have it nullified by an off-side penalty.

Ashland, now possessing the ball, moved well down field, but lost an opportunity to score when Pioneer center Dick Harrington intercepted an enemy pass. Headed goalward, Sherrer's 50-yard sprint set up the second Appleseed touchdown, but first official one of the game. Sherrer again took the ball and scored on an end-run. Zartman's extra point try missed and Appleseed led 6-0. Another intercepted pass went to waste because of a fumble. End Marvin Fyock snatched the pigskin out of the foes' hands. On the next play Appleseed lost the ball.

Ashland's Grindle starred in their first marker. A 78-yard gallop just missed when Zartman pulled the flying quarterback down on the 3-yard line. They surged on to score after 3 unsuccessful tries but, like Appleseed, failed on the extra point try.

Eddie Wilson from J.A.H.S. got on his horse at Appleseed's 45-yard stripe and continued all the way for his team's final points of the day. Zartman again failed on the conversion.

Still in the third period Ashland fought its way to a tie as one, more enemy backfielder crossed the zero stripe. They failed to reach it again on the point try, however, and the score stood knotted at 12 all. A crushing penalty from Appleseed's 19 struck the deciding blow. Eddie Wilson running around end from the 4, was caught behind his goal for a safety, ending the game at 14-12.

Mrs. Fritz Releases Girls Gym Plans

Mrs. Fritz, girls physical education teacher, has announced her plans for the year.

As in other years the major sports will be the same—volley ball, basketball, and softball. There will also be special tumbling and modern dance classes. In the spring there will be individual sports, games, races and square dancing.

Gym classes are now working on volley ball. Place serving and setups are the techniques under study.

Appleseed Victorious In First Showing

Johnny Appleseed's Pioneers came out on the better half of a 20 to 7 score with Wooster to start the new season the best way.

Appleseed jumped off to an early lead when Ed Wilson plunged 8 yards for the team's first score. Cook booted the pigskin through the uprights making the score stand at 7-0.

Wooster's High School Reserves scored and made the kick tying the score 7-7.

Sherrer dashed 30 yards for the Pioneers second touchdown. Zartman converted to boost our lead to 14-7 where it stood at half time.

Appleseed's final points came when Co-Captain Dick Harrington blocked an enemy punt which Cook recovered in the end zone for 6 more markers. Zartman's kick was blocked making the score 20-7. Les Danals was the captain.

Appleseed Cafeteria Serves Students; Tables Filled Every Noon

Many students here at Appleseed don't seem to realize all the time and effort which is put forth in order to serve them in the cafeteria. Mrs. G. W. Hypes does an excellent job as the dietician of the cafeteria. Mrs. Floda Bush is in charge of the cafeteria and assisting her are: Mrs. Christy, Mrs. Heichel, Mrs. Dye, Mrs. Brollier, Mrs. Longsdorf, Mrs. Heilman, Mrs. Huffman, and Mrs. Erich. These women come to school every day at 7:00 o'clock to begin preparing our noon-day meal. There are from 20 to 25 students who work in the cafeteria. They help by drying dishes, trays and silverware, helping with the bread and rolls and serving the ice cream.

The following figures will show you the amount of food eaten by the students and faculty of Johnny Appleseed. The average lunch is thirty cents and due to the fact that some bring their lunch or go home, from 350 to 425 plate lunches are served daily. There are anywhere from ten to twelve gallons of ice cream sold each day. The daily sale of milk varies from 500 to 550 half pints.

On days when meat is served, such as hamburger, the cafeteria figures on sixty-five to seventy pounds of ground meat. There are approximately 600 candy bars sold

each day at our snack-bar. In addition to this about 500 pounds of potatoes are used each week.

The cafeteria has up-to-date equipment among which are dishwasher, potato peeler, large mixer, steam oven, two large stoves, one large refrigerator, and one small refrigerator.

The line of students which forms on the stairs at the door of the cafeteria is watched by the monitors. The seating capacity of the cafeteria is about 300, this making it necessary for the students to eat in shifts. There have been 500 pupils in line to eat in the cafeteria.

"Thumbs Down"

- to the six girls who traded clothes one noon (did they fit?)
- to the 8th grade girls who didn't have fun on their hayride (tears)
- to Les Danals for showing off so much at noon.
- to the couples who broke up this summer.
- to Leonard Haring for paying Burk Jisa 35c to walk him home from the game one Friday night (scared or something.)
- to David Benzing for wearing two different shoes one day.
- to Bruce Appleby for not carrying Wileen Huck's books.
- to a certain girl for stabbing Roger Bammerlin in the arm with a pencil (you don't know your own strength.)
- to Ruth Kinkel for sitting on the floor one morning (aren't there enough chairs?)

If I Were a Girl

Cecil Fleming—

If I were a girl I would like to go to all my friends parties, have nice clothes, and a nice boy friend. I would like to go to a nice school like Johnny Appleseed.

I wouldn't chase boys, but I would not stay in the house all day either.

Mike Lockshin—

If I were a girl, I would wear skirts and sweaters, have lots of pep, but not be a tomboy, and like a boy that wasn't wild or too forward, but good-looking, clean, and quick on the trigger. I wouldn't dye my hair and wouldn't use too much powder.

Rick Lockshin—

If I were a girl, I'd like a boy about five foot two with dark brown hair and brown eyes. He should have a semi-dark complexion and have a twin brother named Mike. I would like sports like tennis, but not be a tomboy. I would dress nicely, but not wear my best Sunday clothes.

Boy Hurt in Hall

Roger Bammerlin, a seventh grader in 108, was accidentally jabbed in the left arm with a pencil while walking through the hall. The accident occurred in front of 111.

First aid was administered in the clinic. His father was called and took Roger to the doctor.

When the first dance will be?
Who Linda Bloor's new flame is?
How the 7th graders like Appleseed?
Who the two girls are who are swooning over Dick Tucker?
Where everyone is getting all their cute clothes?
Who David Bourns likes?
About Miss Widder's honor study hall.
Why Latin is so hard?
If everyone had fun on a certain 8th grade hayride?
Who Dianne Daisley likes?
How Mr. Pival likes being head of staff?
Why John Evans likes snakes so well?
Where Judy Farber gets her cute personality?
Why Linda Lowry acts so silly?
Where all these mysterious phone-calls are coming from?
How long Miss Kevey's patience will last?
