Explain any items checked above: \_\_\_\_\_

Medication allergies or other allergies: \_\_\_\_\_

Current medications student takes: \_\_\_\_\_

I authorize designated school personnel to provide first aid and comfort measures to my child including cough drops, sting relief, triple antibiotic ointment, peroxide, antifungal cream, Tums, anbesol for toothache, burn relief gel, caladryl lotion, salt water gargle, saline eye drops or contact solution, Ibuprofen, and Tylenol (for Middle and High School students only).

I understand that the school nurse ensures free health screenings are completed including height, weight, vision, hearing, scoliosis as required by law, and that I will be notified of any abnormal findings.

I understand that all over-the-counter and prescription medications sent from home must be accompanied by proper parent/guardian consent and physician's orders and taken to the school nurse by the parent for proper storage and administration. Students are not to carry or share any medications with another student.

***In the event reasonable attempts to contact me have been unsuccessful, I hereby give my consent for: 1) the administration of any treatment deemed necessary by above named doctor or in the event the designed preferred practitioner is not available, by another licensed physician or dentist; and 2) the transfer of the child to MedCentral Hospital. This authorization does not cover major surgery unless the medical opinions of two other licensed physicians or dentists, concurring in the necessity for such surgery are obtained prior to the performance of such surgery.***

SECTION 3313.71.2 – OHIO REVISED CODE  
(Pursuant to Am. H.B. 1175)

- A. Annually the Board of Education of each city, exempted village, local, and joint vocational school district shall, before the first day of October, have provided to the parent or legal guardian of every pupil medical authorization form that is an identical copy of the form contained in division (B) of this section. Therefore, the board shall, within thirty days after the entry of any pupil into a public school in this state for the first time, provide the parent or legal guardian of the district, or as a separate form, an identical copy of the form contained in division (B) of this section.

When the form is returned to school with Part 1 or Part 2 completed, the school shall keep the form on file, and shall send the form to any school of a city, exempted village, local, or joint vocational school district to which the pupil is transferred. Upon request of his parent or guardian, authorities of the school in which the pupil is enrolled may permit such parent or guardian to make changes in a previously filed form, or to file a new form.

If a parent or guardian does not wish to give such written permission, he shall indicate in the proper place on the form the procedure he wishes school authorities to follow in the event of a medical emergency involving his child.

Even if a parent or guardian gives written consent for emergency medical treatment, when a pupil becomes ill or is injured and requires emergency medical treatment while under school authority, or while engaged in an extra-curricular activity authorized by the appropriate school authorities, the authorities of the school in which the pupil is enrolled shall make reasonable attempts to contact the parent or legal guardian before the treatment is given. The school shall present the pupil's emergency medical authorization form or copy thereof to the hospital or practitioner rendering treatment.

Nothing in this section shall be construed to impose liability on any school official or school employee who, in good faith, attempts to comply with this section.

- B. The emergency medical authorization form provided for a division (A) of this section is as on the reverse side.
