VOL. 9. WESTERN AVE. SCHOOL MANSFIELD, OHIO - OCTOBER 1943 No. 1

HELP SCRAP DRIVE

WIN FIRST GAME

On Monday, October 4 Western won its first game. In the third quarter, Herman Goettle made a sweep around the right end and ran 57 yards for a touchdown. In the last quarter, we got a 15 yard penalty which gave them a first down. The whistle sounded and the game was over with Western winning 6-0 over Lowman.

The line up:

Ends; Beal, Meiling-er
Tackles; Green, Cook
Guards; R. Goettle, Fulton
Center; Knarr
Back Field; McCally, Wise, H. Goettle, Barg-ahiser.

FREE ISSUE OF WESTERN WIND-UP

This is a free issue of Western Wind-Up to every boy and girl in our school. We hope you will enjoy it and the other papers we will put out this year.
Elaine Hartley - 6

BONDS AND STAMPS

For the month of September we bought \$1,295.80 worth of bonds and stamps.

This year we are using a different method for selling stamps. They will be sold the last Wednesday of each month.

Let's try and beat last year's record by buying more bonds and stamps.

Save your dimes now! Everybody do your bit to help.

Jean Sinerson - 6

ONE DAY VACATION

School will be dismissed Friday, Oct. 29, when the teachers attend the N.E.O.T.A. convention at Cleveland.

BRING IN YOUR SCRAP OCT. 18 - 22

All the schools in Mansfield will be having a scrap drive this month. The drives will be held at different times. Ours will be held this week of the 18th.

We want to collect metal scrap, rubber, paper, magazines, cardboard, etc.

The children of our building will be divided into two teams, "North" and "South". Team "North" will put its paper and magazines in the front basement room and the scrap in front of the building. Team "South" will use the kitchen for their papers and magazines and place the scrap metal at the south side of the building.

Boys and girls of the upper grades will see that the bundles of paper are properly tied and stacked.

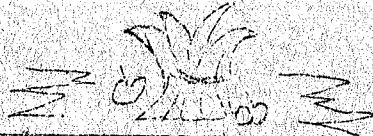

The money gotten from the scrap drive will be used to buy equipment for the school.

Please help!
BE SURE TO TIE YOUR PAPERS AND MAGAZINES SECURELY.

HALLOWEEN

As you know Halloween is a time for fun and laughter, but not for ruining things. I don't think anyone at Western would do what was done at a house I know of on October 7, 1943.

I am sure you will cooperate in not Halloweening too early and not breaking things when you do.

Elaine Hartley-6

FIRE DRILLS

We have had two fire drills. The first one was September 22nd 1943. We made it in one minute and twenty seconds. The second one was October 7th, 1943 and we made that in one minute and ten seconds.

The pupils from Miss Miles' room and Mr. Clark's room go over the hill towards the park. Miss Grubbaugh's and Miss Miller's rooms go to the side of the building. Miss Conn's and Miss Wolf's rooms go down Western Avenue. Miss White's and Miss Engwiller's room go south on Western Avenue. Mrs. Ness's room goes to the basketball court.

IN A FIRE DRILL--BE QUIET
AND DO NOT RUN!

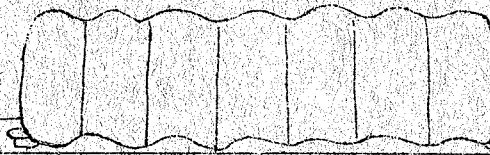

Alan Neilinger-6

RATIONING

Western Avenue School is going to help with the distributing of the fourth ration books. Only one person in the family need go for the books. You must bring ration books with you. It will be held the week of October 25th. The days are the 25th, and 26th in the afternoons and evenings, and the 27th in the afternoon.

MR. ISHAM

Mr. Isham came to our school on October 1, and told us about the moon and that it turns so the sun shows and that we may see it.

He came again on October 7, and told us about Mars. Mr. Isham answered all these questions and more. Can you answer any of these?

1. What is the temperature on Mars?
2. How far is it from the moon?
3. How far from the earth?
4. How much larger is the moon than the earth, or how much smaller?
5. Does it have its own moon or does it use ours?

Mr. Isham is going to bring his telescopes out to the High School on the 12th of October.

JANITOR TURNS TEACHER

On Friday, October 8, Mr. McElroy showed Mr. Clark's sixth grade the boiler room, fan belts, sweeper system and the ventilation system. Mr. McElroy also explained them and told us that if he is

still here this winter, he would ask Mr. Clark if we could come down and see the furnace when it was going full blast.

The reason for our going down, was because we were studying ventilation in our health book.

We all wish to thank Mr. McElroy for showing us around.

Elaine Hartley

OUR GEOGRAPHY WORKBOOKS

In Mrs. Smith's class, we bought geography workbooks at **thirty cents a book**, on Monday, October 11. We began work on them and printed the names of all the countries in Europe and Asia. Next, we placed certain cities on the maps in our workbooks. Then colored each country differently so that countries side by side would not be the same color.

Charles Green-6

MOVIES

This year Mr. Clark has been showing the children some very interesting movies. Some of the movies are about clothing, Washington D. C., traveling, ships, and one was about the signing of the Declaration of Independence.

Janet Mayer-6

MY RABBIT

I have a rabbit that is very funny. He tries to eat my finger. He is always hungry. Sometimes he gets in the black berry patch and we can't get him out.

Eldon Remy-4

FRIEZE

In Miss Miles room, we are making a frieze. There are five pupils working on it. They are Herman Goettle, Elaine Hartley, Lorraine Herr, Larry Goldsmith, Jack Wise, and Keith Fulton. We have a graveyard scene, a witch a clown, a ghost, a skelton Frankenstein, all going to a pumpkin house. We have ghosts walking all around in the graveyard too. We call it our Halloween Frieze.

Keith Fulton-6

HOBBIES

In the sixth grade again this year, we are having hobbies. Some people have sewing, knitting, cooking, telescopes, microscopes, scrapbooks and many other things as their hobbies. We have lots of fun doing these things. On Monday, we write what we did on Friday. On October 11, Miss Miles came around to see what we had written down. Next week we are going to make chocolate chip cookies.

Margaret Christ-6

Jean Sinerson-6

HEALTH

For health we made diaries. We kept them for five days. Most of the days were very much alike. Elaine Hartley and Richard Goettle made the covers. Betsy Clark made the cover on the stencil. Joan Rosen and Evelyn Urlich ran the stencil on the mimeograph and made the covers.

Mr. McElroy took the children in Mr. Clark's room through the boiler room. He allowed the children to look in the boiler and showed us how the sweeper works and told us other things.

Evelyn Urlich-6

OUR CIRCUS POSTERS

Our class made some circus posters. Some had clowns and bareback riders, and parades with different kinds of animals. Some are very funny.

THE FIFTH GRADE MAPS

The fifth grade in Miss Conn's room is drawing maps of the New England states. We wrote the name of the states on them.

Loyal Bemiller-5

OUR ROUTE MAP

In history we made a map. Some children made camels, some made boats. The next day, Miss Conn helped us draw the map and we colored it. Each person got to do something. Some drew the routes, others pasted the camels, and ships on. We had lots of fun.

Patricia Whalen-5

The sixth grade got some new workbooks. There are questions and all kinds of maps, and questions that are answered. They have rainfall maps, surface maps, and all kinds of maps in them.

Louise Layland-6

HEALTH

In health, we are studying about the red and white corpuscles and about iron in your blood and about calcium, iodine, mineral elements, vitamins and many other things. We drew posters of some of the things.

Diana Mae Hoffman-5

OUR MUSEUM

Last week we went to the park for a walk. We brought back insects and a caterpillar that spun a cocoon, and a robin nest, some leaves, and a stone with a pretty design and other pretty stones. We have some pretty moss, acorns and a pinecone and many kinds of leaves and caterpillars. We hope you can come and see our Museum. I am sure you'll like it.

Nancy Smith-5

OUR AQUARIUM

We have two turtles, five small frogs, some gold fish, some minnows. Every morning we feed them fishfood and flies. They live very happily and seem to have a good time. They play hide and go seek with the boys and girls in the class.

Jack Chapman-5

"SNOOPY"

Snoopy is a turtle. We call him Snoopy because he is always getting into something. He goes and hides so we can't find him.

Today he went out of the room and went to Miss Conn's room. Then we brought him back to our room and fed him flies, bread, and worms.

He belongs to me, I found him in our back yard.

Marlene Keeler-5

OUR NEW TEXT BOOKS

We have some new textbooks. They are very nice. We are going to take care of them, and we hope the others that have them next year will, too. The books we have are: new english books, new spelling books, and new arithmetic books.

Kay Donelson-5

OUR CIRCUS TENT

Our class made a Circus Frieze. The children colored the tent. Nancy Smith drew the alligator, he was ringmaster. Kay Donelson drew the elephant playing the banjo. Charles Dent drew Little Black Sambo on the Hippo, and other animals were drawn by other children. There are cages outside the ring with animals in them too. There is a Fat Lady and a balloon man selling balloons.

Sue Wagner-5

NEW LIBRARY BOOKS

The book about discovering Our World is an interesting book on page 173. The title is "What Heavenly Bodies Can We See at Night?" It tells about the stars, moon and other interesting things

Miss Miller's Room

Miss Miller's first grade went for a walk one afternoon about a week ago. Before they went, the children discussed what they would look for on their trip. Here are some of the things they hoped to see:

Acorns	Colored leaves
Cocoons	Buckeyes
Birds	Flowers
Squirrels	Fish and crabs
Rabbits	Frogs
	Grasshoppers

When they came back to their room they made a list of the things they had seen. Here it is:

Flowers	Trees
1. Daisy	1. Maple
2. Goldenrod	2. Elm
3. Aster	3. Pine
4. Thistle	4. Locust

I have a dog and his name is
Pal. He is twelve years old, and
I like him very much.

Shirley Massa-3

I have a dog. His name is Blackie
he likes to play with me.

Barbara McClar-2

I have a dog. His name is
Rascal. I like him very much.
He is cute.

Marlene McCracken-2

MISS WHITE'S ROOM

Miss White brought some
goldfish to school. We like the
goldfish. They are pretty; they
are different colors. We have
some fishfood for them, and we
are going to feed them every day.

Barbara Mueller-3

MY UNCLE BILL

My Uncle is in the Army.
He came to see us. I like him
very much. He bought two record
books for us.

Constance Paulson-3

My father is a Major in the
Army Air Corps. He came home in
a bomber a few weeks ago. He
went back in the same bomber.
My sister and I saw it inside.
The pilot that brought him was
named Woody. The pilot that took
him back was named Red.

The pilots were very nice.
Daddy is a good friend of the man
who runs the airport.

Sally Stoodt-3

ROSES

Red and yellow, pink and white.
All are pretty in the night.

Patricia Powell-3

MY TURTLE

My turtle is named Yankee.
He likes to eat. I feed him
every three days. He likes to
play in water and always tries
to get out. When I let him out
he always tries to get away.

John Hill-4

GIRL SCOUTS

The girl scouts of troupe 8
meet every Wednesday in Mrs.
Miller's room after school.

We are studying about Mexico.
Last week a lady told us a lot a-
bout Mexico. She showed us
several of the articles she got
when she was there. It was a
very interesting meeting.

Next week our troupe is
planning to go to Middle Park and
get some clay to make little
Mexican bowls or other things.

The girl scouts are also
selling Christmas cards. If a
Girl Scout sells ten boxes or
more of Christmas cards, she re-
ceives a free subscription to the
American Girl Magazine.

We have a new Girl Scout ex-
ecutive. Her name is Miss Wol-
verton. Our other one, Miss Bond
joined the Waves.

SALES TAX STAMPS

Anyone who has sales tax st-
amps please bring them to school
and give them to your teacher.
Western Ave. School is going to
turn in all they collect this year
to the Junior Red Cross.

Perhaps some of your neigh-
bors and friends may have some tax
stamps for you to bring to school.

MY INTERVIEW WITH MISS MILLER

One day I was talking with Miss Miller. She told me the following:

"My home is in Carrollton, Ohio. I taught first grade in Girard last year. I am happy that I came to Mansfield and was assigned to Western School. I think we have a very fine group of boys and girls enrolled here."

Margaret Christ-6

NEW TEACHER

Mrs. Ness is the new second and third grade teacher of our school. She has lived in Mansfield all but a few years of her life, having taught school before at Bowman before coming here. She says: "I like Western very much, and the girls and boys in it." Mrs. Ness is liked by all the pupils because she is so pleasant.

WESTERN ENROLLMENT

This year, there are 55 more pupils than last year. The first grade has 66 pupils so far, last year it had 46 pupils. There are 611 pupils altogether now. Last year there were 256. Western ranks fourth for enrollment.

Charlotte Boyd-6

BUY WAR BONDS AND STAMPS.

NEW MIMEOGRAPH

This year Western has a new mimeograph machine. I interviewed the operators, Evelyn Ulrich and Janet Mayer. They said that they enjoyed working the machine even though they get ink all over their hands. (I noticed Evelyn had some on her face.)

Some of the work of the mimeograph operators is: changing stencils, putting ink in the machine, counting sheets of paper and running them through the machine.

We hope all Western pupils will enjoy our paper this year.

Miriam Schroeder - 6

NEW RELIGIOUS EDUCATION
TEACHER

The fifth and sixth grades are having Religious Education this year. It is taught by Mrs. James from Oberlin College.

Monday morning we learned the history of the name of the Bible. It was named from the city of Bibles where they sold little books of parts of the Bible. Some one put the book together and called it the "Holy Bible".

Mrs. James is teaching us how to find the different books in our Bible.

P.T.A. NEWS

Mr. Kimmel, President says: "Of real interest to all the pupils of Western Avenue School District is the plan of the P.T.A. to continue the award of \$1.00 to the room having the most parents present at each meeting. You will want to invite your parents to the meeting. In this way, you will help in bringing the prize to your room and your parents will share the interesting meetings.

Mrs. Campbell, Vice President and Program chairman, has arranged a splendid series of programs for the year. We especially invite

parents of the first grade and those who may have just moved into the district to come out and get acquainted and share the fellowship with the other parents and teachers.

Ro Ann Farry - 6

VICTORY GARDENS

At the last P.T.A. meeting prizes were given to all the children who made victory gardens during the summer.

The ones that got prizes were the following: Harry Frick, first prize of \$5.00 in war stamps; Barbara McClary, second prize of \$2.50 in war stamps and Miriam Schroeder, third of \$1.00.

The other winners were:

Charlotte Boyd, Bill Boyd, Diana Mae Hoffman, Alan Meilinger, Donna Loesch, Mary Ellen Wagner and Ro Ann Farry. Prizes of \$1.00 and 25¢ war stamps were received.

Charlotte Boyd - 6

THE PATROL BELTS

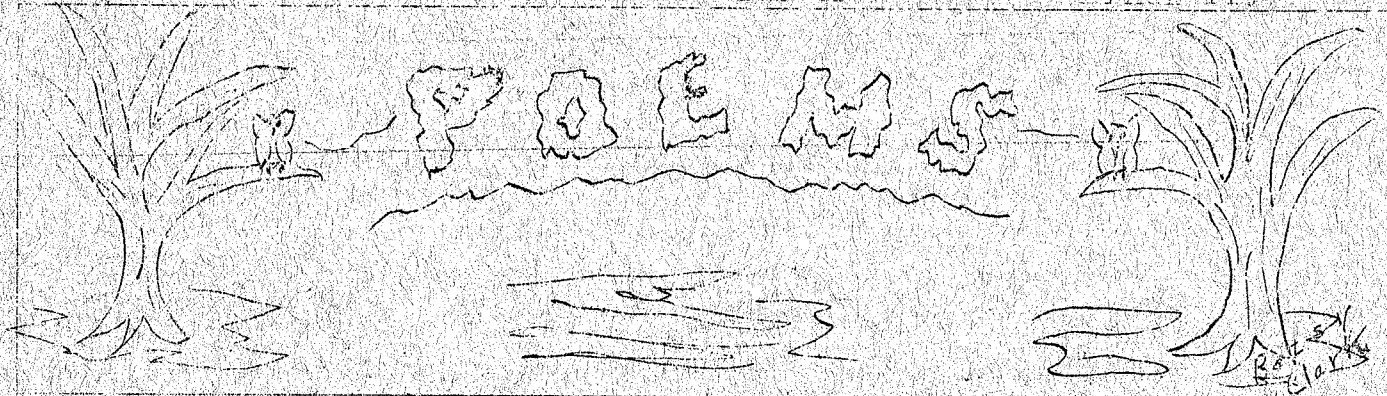

The patrol boys went into Mr. Boals' office one at a time and got their patrol belts and badges by saying their pledge correctly. The pledge goes like this: "I sincere

"I sincerely promise on my honor to faithfully perform my duties of the Mansfield Junior Patrol. I will be obedient to my superiors. I will do my part to help reduce the number of accidents on or near my school by not taking any chance of getting hurt and will warn others of doing so. All this I will do as a member of the Junior Patrol and for the honor of my school.

Western's patrol boys are: Herman Goettle, Jack Bargahiser, Clifford Knarr, Harry Frick, Charles Green, Bill Boyd, Stanley Day, Larry Goldsmith, Keith Fulton, and Jimmy Cook.

POEMS

AUTUMN

Leaves gold and yellow, red
and green
Doing dances for the queen,
Dancing here, dancing there
Like pretty fairies in the air.

HALLOWEEN

Witches flying in the air
Goblins hiding everywhere,
Ghosts are coming eight, nine, ten
Halloween is here again.

Katherine Beatty-6

AUTUMN

The leaves are all turning
yellows, greens and reds,
And all the milkweed plants
Are flying with their tousled
heads.

Evelyn Schroeder-5

HALLOWEEN NIGHT

When Halloween night comes around,
The streets are all spooky
throughout the town
Witches and goblins, they fly
through the air,
While pumpkins and ghosts give
out their scare.
There are clowns and beggars up
and down the streets
While around the corner, little
children peek. RoAnne Farry-6

AUTUMN LEAVES

The leaves are coming down,
Red, yellow, and brown.
A pretty sight to see
It makes a lot of work for me.
I rake them up in a pile so high
I burn them up and sigh,
That's done till another year
comes by.

Raymond Gerrell-4

THE KITTEN

There was a little kitten,
Came to my house
The very next day
It caught a little mouse.
I thought I would keep it
It was so very sweet,
But I found out
It belonged down the street.

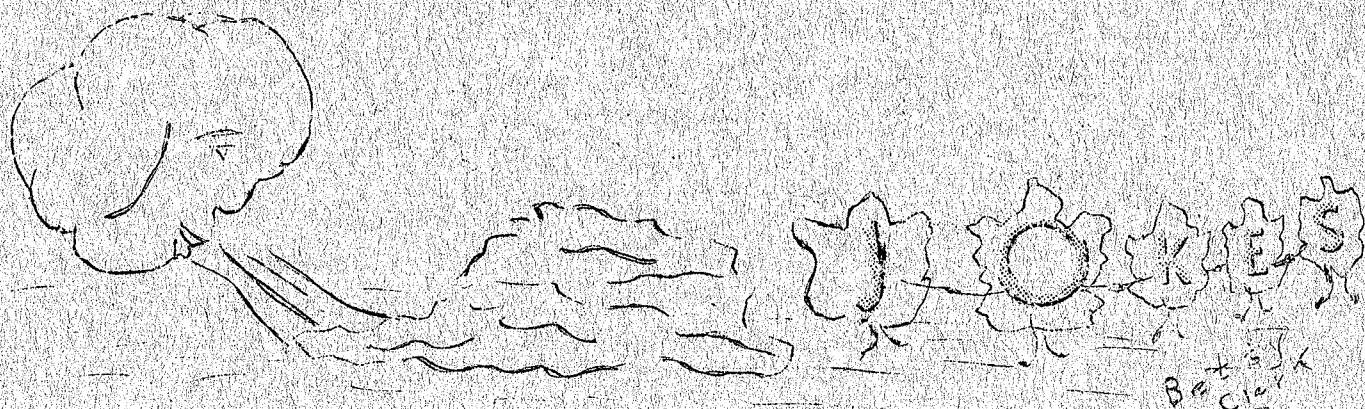

Marilyn Ann Knarr-2

HALLOWEEN

On Halloween, we all have fun
We ring a doorbell, then we run
Tom has on a great big hat
Mary has an old black cat.

Its fun, but maybe not right
When we go to a door in the night
And say: "Beggars Night, Beggars
Night, don't be tight and give
us a bite."

Elaine Hartley - 6

JOKE

What did the water say to the bucket?

I'll drop in and see you some time

Dick: "What did one toe say to the other toe?"

Jim: "What?"

Dick: "Don't look now, but I think that mean old heel is following us again."

Joe: "What did one eye say to the other eye?"

Tom: "I don't know."

Joe: "There's something between us that smells."

What did one ear say to the other ear?

Are you going to practice tonight on your drum?

Do you like moron jokes?
All morons do.

What is a drop?

A drip going steady.

Jan: "When a person falls in the water, what does he do?"

Jane: "Gets wet."

Billy: "Does Hitler have a suit case?"

Jane: "I don't know."

Billy: "No, he lost his grip in Russia."

Joe: "What did one grapefruit say to another?"

Moe: "Don't shot till you see the whites of their eyes."

Why do you call that pig Inky?

Because he keeps running out of the pen.

What has four legs and one foot?

A bed

What did one mountain say to the other?----Hi Cliff!

When is a rug most weary?

When it hasn't any nap.

Tom: "If you put a flock of ducks and a cow in a box, what kind of food would you have?"

Nancy: "Quackers and milk."

Jim: "What did the scarf say to the hat?"

Bob: "You go on a head."

Tom: "Why did the kitten cry?"

Jim: "Because its mother was lick-ing its paw."
