IN MEMORY of DURWARD BURNS

Durward Burns died Wednesday, November 24, 1943 from a head wound in a hunting accident. He was nineteen years old.

When he was in the sixth grade here he was on the first Western Wind-Up staff. He was art editor. It was largely through his efforts that advertisements were gotten to pay for the paper's equipment that first year.

The present staff wishes to dedicate this issue of Western Wind-Up to him.

"THE BEGINNING OF CHRISTMAS"

Once long, long ago while shepherds were watching their flock at night they saw before them a bright star. They were frightened, when an angel of the Lord appeared and said, "Fear not; for behold, I bring you good tidings of great joy which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes lying in a manger."

And suddenly there was with the angel a multitude of heavenly hosts praising God and saying, "Glory to God in the highest and on earth peace, good will toward men."

PEEPS INTO CLASSROOMS

"ARITHMETIC"

In Mr. Clark's room we are using decimals. One day Mr. Clark had six children measure the school ground. Yonda Hoovler, Elaine Hartley, Jean Rosen, Larry Goldsmith, and Junior Gerrell went out. Mr. Clark said that we can go out and measure the school and see how much it covers of the playground.

Evelyn Urich-6

MORNING PROGRAM

In our room Miss Smith said we could bring some records to school and play them over the radio for our class to hear. Richard Gottle brought some records to school. The names are Star Spangled Banner and the Marines Hymn. Jean Sinerson and I brought, Jingle Jangle Jingle Jersey Bounce, Der Furors Face.

Yonda Hoovler-6

HISTORY BASEBALL

In Mr. Clark's room we have a History Baseball game. We have teams. There is a first base

second, third and catcher. Mr. Clark will ask a question. If the batter knows it he will go to first base. If the batter doesn't know and first second, third or catcher knows it he will be out. If nobody knows it he makes a home run. We all have fun playing the game.

Margaret Christ

"SAFETY PLAY"

The sixth grade gave a play to the fourth, fifth and sixth graders. The name was "Old Rags." It was a Safety play and we tried to explain what spontaneous combustion means.

The characters of our play were Mother Conway-Elaine Hartley, Father Keith Fulton, Carl-Junior Gerrell, Ruth-Jean Rosen, Jack-Alan Meilenger, Cousin Bob-Jimmy Miller, Aunt Lizzie Evelyn Urich, Mary-Jean Sinerson and the nouncer was Barbara Freeland.

We had fun putting the play on and we hope you liked it.

MUSIC APPRECIATION

Every Wednesday morning we listen to a music program over the radio.

We have a note book in which we keep the names of the songs. Some of the songs are: "The Pie on the Baker," "Irish Washerwoman," "The Jolly Miller," "The Farmer and His Wife," "The Peddler," and "The Shepherd Maiden." These songs are about people and how they make a living. Nov. 24, we heard music about Thanksgiving. The songs are "All Creatures of Our God and King" and "Harvest Hymn."

Evelyn Urich-6

In Miss Wolf's room we had an arithmetic contest. We played football. Every time a side would win the captain would make a mark. The captains were David Ebbert, Notre Dame. Jack Berganiser Ohio State. David Ebbert's team won.

Loyal Bomiller-5

Miss Conn's room made posters of how the people traveled in the olden days. The posters were made with cut paper. We had committees. Each committee made a poster of travel.

Robert Ward-6

OUR MUSEUM

In Miss Miles room Charles Dent tried to do an experiment he learned from his reading book. It was to put a piece of wet paper in the bottom of a jar with a piece of bread on the wet paper. A lid was put on the jar then set in a warm place.

In about three days the children took it out with magnifying glasses. It was covered with mold, the mold was orange, green, and gray.

Melvin Hebsen-5

STATION B. S. S.

In the fourth grade two boys, Norman Yarger and John Hill made a microphone. The class named it B. S. S. (Better Speech Station). We use it in our school work. We hope it will help us to talk louder and better.

Carol Jean Sahler-4

GOOD LIBRARY BOOKS

This year the children have been reading library books. I have read some and they were very good. One I liked especially well was Caddie Wood Lown. The author was Brink and the best part I liked was when Caddie's cousin, Annabelle came out on the farm. Caddie and her brother took her out to where the horses were and she wanted to ride a horse so they gave her one of the horses that always ran to the back of the shed and you would always fall off.

Annabelle got on the horse and right away it started for the shed and Annabelle fell off. She got bumped when she fell off so that's all she would do that day.

THE TELEPHONE

I called up on the telephone
And someone said "hello"
I was calling up my Daddy
But it wasn't Him I knew.

I asked him who he was, he said
'Im Mister so and so',
"But I will call your Daddy"
"And now I will have to go."

SAFETY CLUB

The officers of the Western Ave. Safety Club meet every Wednesday at 11:40 in Miss Miller's room.

The officers of the school are Charlotte Boyd, president, Miriam Schroeder, secretary, and Jack Bergheiser, treasurer.

In the lower grades they are having a contest to see who can get 100% first in class safety enrollment.

At the last meeting we decided that it would be a good idea to make safety posters in order to have Christmas safe without having fires.

In order to become a Safety Club member you have to bring 5¢ and be able to say your Safety pledge.

Charlotte Boyd-6

Girl Scouts

The Girl Scouts of troop 8 meet at Western Ave. School every Wednesday in Mrs. Ness' room. The last few meetings we have been working on a Christmas play.

Last Wednesday we brought our Christmas Card money in and we had \$104.00, but all the girls haven't brought in their money yet.

Janet Mayer-6

MY DOG, "EXY" AND THE PUPPIES

Our dog Exy has puppies. She
has four of them. They are very
cute. They are so light that when
you pick them up you don't think
you are picking up anything. They
are white with big black spots on
them and a little tan here and there.
They still have their eyes closed.
They are all girls. We have to get
a new basket for them because the
one we have is too little. The
puppies are about seven days old.

BOOK WEEK

Book Week

For book week we made book characters. The fifth grade in Miss Miles room and the sixth grade in Mr. Clark's room sponsored a contest for the other rooms.

We all drew a book character on a piece of art paper. Then we chose twelve characters. These were enlarged on cardboard and painted. The fifth grade boys made wooden standards for them.

Those are the people who made the characters: Kay Denison made Cinderella; Dorothy Shaw, Black Beauty; Kenneth McCally, The crooked man; Patsy Hildebrand, Little Red Riding Hood; Hayes Stricker, Tom Sawyer; Bonnie Beal, Rumel Stilts, Kin; Jimmy Cook, The Cat that went to London; Herman Gerttle, Charles Lindbergh "Spirit of Saint Louis", Evelyn Ulrich, Mickey Mouse; James Henley, Donald Duck.

When the first second, and third grades came upstairs to guess characters names, the fifth and sixth graders took them around and wrote down the name they said.

A book was given as a prize for each room with the name of the winner of the contest for that room written in it.

"At The Library"

When I go to the library
I look and look and look
Until I find just what I want
A real good library book.
And then I find what I'm looking
for
I read and read till half past
four

And then I'm on my way,
I'll be back some other day.

Book Week

This year for Book Week I'm reading a book called "When Knight Were Bold". I got this book at the library for reading ten books a year for three years.

I have only read the first chapter in it. The first chapter tells about the life and duties of a page. At the end of the chapter it tells how the page is made into a knight.

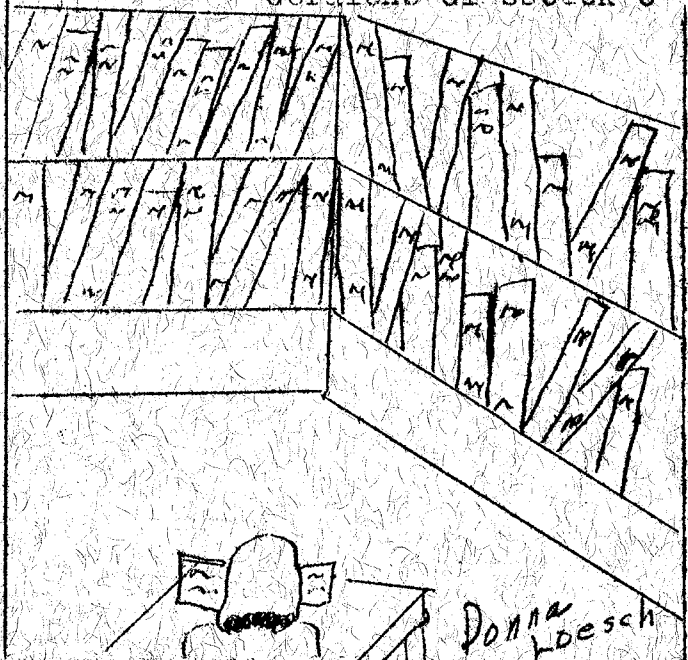

Charles Green-6

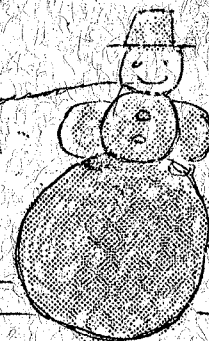

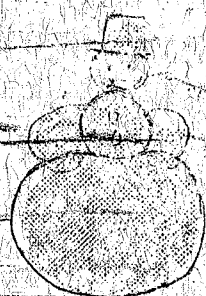

"Books"

Books I've read for years and years
Peter Rabbit's funny ears
He has whiskers on his face,
Wears a jacket neck in lace.

Now don't think that I'm a poet
And want all my pals to know it
I know that I can't make it rhyme
Even if you pay me a nickel or dime.
