CLASS NEWS

In my class we are studying about the Andean Countries. Peru is an Andean Country and its capital is Lima. 60% of Peru's population are Indians and the rest are mixed and Spanish. Summer in Peru is in December.

Chile is another Andean Country and its capital is Santiago. 73% of its population is Urban and 27% is Rural density. And Chile's national holiday is Independence Day, September 18. There are 4 more Andean Countries. Ecuador and its capital is Quito, that's the highest capital. There's Bolivia, capital Sucre, Columbia, capital Bogota.

When the 6th grade went to Outdoor Education, we had lots of fun. We had three groups, Delaware, Shawnee and Wyandots. Each of the groups would take turns doing nature trail hikes, bird watching and the conservation. The three groups are the names of Indians that settled in Ohio.

The class in room 6 want to wish everyone in Grubaugh a very "Merry Christmas" and "Happy New Year."

Angie Schlumberger - 6

CHRISTMAS TIME

Christmas is a time to give to other people. It is a time for giving and receiving, but the first thing you should do would be to give. It is a time for eating turkey and dressing. Visiting your uncle and Grandmother and Grandfather and cousins. Christmas morning, when you open your presents, everyone is getting something nice.

Joe Monastra - 6

PAPER FOOTBALL

Joe Monastra and I played paper football. He was beating me 19 to zip, but I got a touchdown, then I got a field goal and another touchdown and before I knew it, the score was 19 to 19. Then I got a touchdown and won.

Then I played Danny Kidwell. I had 9 points and Danny had 0. Mrs. Carver came in so we had to quit. We will play later on.

MY NEW ROOM

I have been wanting to get my room painted. So I got it done. It is black with white foot prints all over it. It has white curtains with a white bedspread and red and black carpet.

It is a small room, but I still like it.

CHRISTMAS IN ITALY

In Italy, Christmas lasts three weeks. Before Christmas, bagpipers came down from the hills and go from house to house playing the bagpipes. Where they are welcomed, they leave a wooden spoon and for their music, they are rewarded by the housewives with holiday treats, dried figs and sometimes money. These bagpipers also stop at all carpenter shops in honor of Joseph, fosterfather of the Christ Child.

Jayne Oberlin - 6

CHRISTMAS

Christmas is the most popular holiday because you get presents. And it's fun decorating your house and your tree. It's fun giving presents to each other. Of course, the fun is letting Santa know you've been good.

When you wake up, you're all surprised. You hurry and open your presents. After you're done opening your presents, you can't wait to play with them. You eat, then probably go outside. Then before you know it's time to go to bed again. So good night.

FOOTBALL AWARDS DINNER

The football players and the cheerleaders had a dinner at Liberty Park on November 25. It was a covered dish dinner. We each brought hot dogs for our own family and a covered dish or a dessert.

After the dinner, everyone received a trophy including the cheerleaders. The special awards were most valuable defensive lineman, most valuable offensive lineman, both won by Shannon Bradshaw and most valuable player won by Joe Monastra.

Football players and cheerleaders chipped in to get the coach, Mr. Kidwell, and his assistant, Mr. Pittman, each trophies.

Norine Daugherty - 6

THE RURAL LIFE CENTER

I just love winter because everything is so white and pretty. Especially on an open space with woods all around you and trees covered with snow.

When we were out to the Rural Life Center, we didn't go out much because it was too cold on everyone's feet because snow went down their shoes.

When we set traps, we couldn't keep them outside overnight because if there was an animal, it would freeze.

When the group went on the nature trail, everyone fell down and got their pants all muddy. But they lived. Everyone was itchy when they came back to the cabin.

And then came lunch time, we said grace and eat except for the last day. The last day, we had a cook-out and wait for our food.

After we ate, we went outside to play and a couple of us built a snowman. We used round rocks for his eyes, put a scarf on his neck and a hat on his head. But a couple of boys knocked it down.

On the last day no one wanted to leave. We had hot chocolate and sang Christmas carols.

MISTLETOE

The Mistletoe decorates many homes. No one knows exactly how mistletoe became connected with Christmas.

Hundreds of years ago, some people today often hang pale colored leaves over their doorways. Anyone caught standing under it would have to give a kiss to the person who catches him.

Chris Hostetler - 5

THE IGLOO

Over the vacation, I built an igloo. It was fun. You can sit in it. You can lay in it. My friend built one, too. His is next to a telephone pole. He can keep warmer that way.

Paul Burghard - 5

THE SNOW

One Saturday evening we were all asleep in our homew. Then it started to snow. It snowed all night. Then the next morning, it was all over the ground. There was a foot of snow on the trees and cars, snow everywhere you'd look. Then my sister and I and my friend went out and played in the snow. Then it started to snow again and it snowed another 4-5 inches.

Then my family and I went out and shoveled the snow and we were about half way from my house and a car was stuck. We got it out. We went to a few houses and got a job. Then we were gone about two hours and we got another car out from being stuck. Then we went home and we had three days off from school.

Brian Shook - 5

THE FIRST CHRISTMAS

Long ago there was a virgin lady named Mary and her husband Joseph.

They had to make a long trip from Jerusalem to Bethlehem.

When they got to Bethlehem, they couldn't find a place to sleep for the night. They asked many a man for a place to sleep, one man offered to let them stay in his manger. At midnight, 1200 years ago, Christ was born. When He was 35 years old, He was crucified. He rose from His grave three days later.

AT THE BIG HILL

A few weeks ago, my family went sled riding up at the Big Hill on Park Avenue. There are about five paths to go down. The first path is steep but doesn't have any bumps. The second one has one big bump on the bottom. The rest have a big bump at the bottom and keep going up to four big bumps and on those you really fly.

My family and I made a train and went down the biggest hill and really got piled up. It is surely fun. I thing winter is the best time of the year.

Laura Parker - 5

CHRISTMAS VACATION

On Christmas vacation, we are going to go to Cleveland to my aunts.. We will have lots to eat. We are going sled riding. If we don't forget our sleds. My aunt fixes good food all the time.

THE TRUE CHRISTMAS

An angel came down and told Mary that she should name her baby Jesus. The baby was born in a stable. They called him Jesus and that is where they got Christmas.

Pam Echols - 4

CHRISTMAS

Mary traveled to Bethlehem on a donkey. When she got to Bethlehem, the inn was full and she did not have a place to stay. Mary rode on and on, finally, she came to a barn. The animals looked as she entered the barn. She sat down. The animals sat very still and watched Mary.

That was the moment she had Jesus. It was midnight, all the animals stared at the baby. Then they knelt down and prayed.

Three wise men came and gave Jesus gifts of gold. Jesus was very happy. Then the three wise men drove into Bethlehem and told everybody. Everybody brought gifts of gold to Jesus. Jesus was very happy. Now every Christmas people give gifts to each other.

Sue Cline - 4

THE TALKING
CHRISTMAS TREE

In 1972, on Christmas Eve, we went to my grandma's house. She had a great big Christmas tree. I had brought my home work to do.

We were opening the presents from grandma and grandpa. After I opened all mine, I went to do my homework. I kept asking everybody what $5 \times 5 =$ is, no one would answer but then I heard the Christmas tree say " $5 \times 5 = 25$ ". I asked him if he went to school. It said "Yes".

Gary Blevins -- 4

MY FAVORITE HOBBY
WHEN IT'S CHRISTMAS

My favorite hobby is sled riding. I like it because you can jump little ditches and slide on your belly. I don't like to walk back up the hill. I have not ever gone ice skating, but it looks fun so that might be another one of my hobbies someday.

Gloria Allen - 4

MY FAVORITE HOLIDAY
IS CHRISTMAS

We get to open presents and it's fun. We have a nice Christmas tree, too. And Christ was born on Christmas. Christmas is a wonderful day for people. It's fun to put decorations on a tree. December is a nice time for everybody in our family and everybody else, too. Christmas sure is a nice holiday.

Lisa Taylor - 4

MISS MILES' FIFTH GRADE

CHRISTMAS CUSTOMS

At our house we open some of our presents on Christmas Eve and the rest on Christmas day.

We also decorate the inside and the outside of our house. The outside is decorated with light bulbs and snowmen.

We also go to my Grandmother's after Christmas and have another Christmas with her in West Virginia.

We go sled riding in Middle Park. My Dad has snowball fights with me sometimes.

Mark Bailey - 5

VACATION

This Christmas my family and I are going to Mississippi to visit my grandmother and cousins. The other night they showed Louise, Miss. on television. That is where my father's mother lives.

In Mississippi it is very hot. The people there pick cotton. They sell the cotton and make clothes out of it.

Wendy Davis - 5

CHRISTMAS IN OTHER LANDS

Christmas In Sweden

The people of Sweden enjoy fish for their feast for Christmas. They prepare their finest catch and serve it with a special kind of sauce. They also enjoy a pudding made of rice and milk.

Christmas In Poland

The people in Poland do not eat the day before Christmas. A few straws are sprayed on the table to remind everyone of the stable in which Christ was born.

Cindy Myers - 5

LEGENDARY CHRISTMAS

On Christmas Eve at the North Pole at Santa's House it is very busy. It is busy because all the elves are making toys and putting them into Santa's bag.

Santa is going outdoors to hitch up his eight reindeer to his big sleigh for the trip. After Santa has finished hitching his reindeer he goes inside for something warm to drink. While he is doing this he goes over his list of good boys and girls.

The sleigh is ready and he is off.

Greg Yirga - 5

CHRISTMAS SAFETY

Keep your Christmas tree watered real good so it won't dry up.

When you go to bed be sure the light plug is pulled from the wall that has the tree lights on it.

Adults should not smoke near the tree.

Never climb your Christmas tree.

Don't slide on ice.

Don't throw snowballs at anyone.

Do not sled ride in the street.

Don't throw snowballs at cars.

Wear a coat when you go out so you won't get a cold.

2. Do not fight beside it because you can knock it down.
3. Move all your toys out of the way.
4. Don't put your cars and things by the heater or beside someone's chair because they can get up and step on them and fall down and crack their heads open.

Donnie Eatmon - 4

WHEN JESUS WAS BORN

When Jesus was born, he was born in a stable. Some of the shepherds came to see Him and to worship Him.

Three kings came from the Orient to see the Baby Jesus. They brought some gold and gifts for Him. Christmas is Jesus' birthday. And that's why we have Christmas.

Toni Kaufman -- 4

CHRISTMAS

Christmas is not just about presents and toys, and Christmas trees. Christmas is about Jesus. Jesus was born on Christmas day, that is why we celebrate Christmas.

The End.

Tim Carper - 4

CHRISTMAS

On Christmas, we're having a big turkey, and a lot of presents, too. Sometimes, we get all kinds of candy in our stockings. We have a big Christmas tree, too. We have an artificial tree up in our attic. Then we get that one and take it to our basement to put one up down there. Then we decorate it for the kids my mom babysits, then they will have one, too.

Last Christmas, we went down to see if there was any thing down there and there was, but it was my dad's choice that we got him. We thought that there was something down there but there was not.

I think Christmas is a nice holiday. Christmas is nice. You get all kinds of presents and candy, too.

Timberly Blaising - 4

I'M SANTA CLAUS

On Christmas, I would like to be Santa Claus. I would give toys to all the children in the world. I would have 8 reindeer. The leader would have a red nose. I, Santa Claus would be in the back of all the reindeer on Christmas.

Jimmy Trino - 4

CHRISTMAS LANGUAGE

I like to get an early Christmas tree. I like to see the lights on it. I think it is pretty. And I like the presents that are under the Christmas tree. I like Christmas because it is the greatest Man's birthday in the world.

THE TRUE CHRISTMAS

Once in a town called Bethlehem, there were two people named Joseph and Mary. They wished to have a baby. So after awhile, they did. And all the animals came. Doves and cows, all the beautiful animals came to see the newborn king. And all the people came too. They called Him baby Jesus. Jesus was born on Christmas Day.

Molinda Bradley - 4

CHRISTMAS

When it comes Christmas I hope it snows real high like last year. My, mom, my sister and I will go to Middle Park and take our sleds. We got dressed all special with two pairs of socks, two pairs of pants, two T-shirts, and two regular shirts, but we still got frost-bitten.

CHRISTMAS

I like Christmas because Jesus was born on Christmas. He was born in Bethlehem. When he got older he taught the little children about God. Do you love God? I do. He is the one who made us. You should be thankful for what he did for us.

Susan Langood - 3

CHRISTMAS NIGHT

Once on Dec. 1 I asked Mom, "How many mor days will Christmas be?"

And she said, "24 more days!". Days and days went by. At last it was Christmas Eve. That night I went to bed and went to sleep. The next morning was Christmas!

When I saw all of my presents my sister laughed and so did I. I was very happy.

CHRISTMAS THEME

Christmas is the day Jesus was born. His mother is Mary. His father is Joseph. In the Bible, it says they are good people. God is His real Father.

When Jesus was little, they had to kill all the babies in Bethlehem because that was the king's order. But the people didn't want to do it. Jesus lived till He was grown. One day, the bad people killed Him.

Lisa Kidwell - 3

CHRISTMAS

Christmas is the best holiday in the year. Because Jesus was born on Christmas.

And it is my birthday. I like Christmas because it is fun. And you get a lot of toys, too.

Jesus was born on December 25. His mother's name was Mary and his father's name was Joseph. Jesus lay in a manger. People came from the field. The Angel told them to follow the star, and so they did. They call the baby, Jesus.

Now children think Christmas is fun and games. But remember it is not.

JUST FOR FUN

Every morning I wake up my brothers and sister. One of my brothers doesn't get up on on Christmas because he said that he was sleepy. We are not allowed to open our presents because we might get the wrong ones. So we wait for Mom and Dad.

Our aunt and uncle might come for Christmas. I bought their baby a present. We like Christmas. Do you?

I like to make a snowman and go sled riding down our backyard hills.

Donna Richards - 3

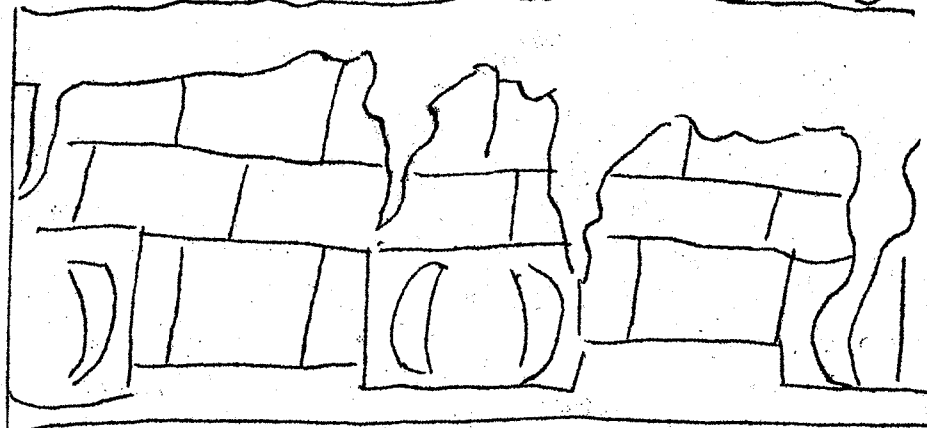

One day at the Sidner's house, Billy and Barb and their mother and father just got done fixing the Christmas tree. They just stood there and looked. The light shone very bright on the angel. It looked very pretty.

MY CHRISTMAS TREE

Once I had a Christmas tree,
That was nice and tall.
My Father got it just for me,
When it was about to fall.

Then we put it on the stand,
On the living room floor.
Then we put on a tinsel strand,
And Christmas balls galore.

Then the presents were stacked up high,
Everyone was marked with a name.
Then we waited as time went by,
Then Christmas finally came.

Because snow is here for everyone.
