SCHOOL

NEWS

HELPING THE JUNIOR RED CROSS

Our school will help the Junior Red Cross. We will bring things for little children across the sea. They will be nice things. We will do the best we can to help.

We will also help old people by making little favors for them at Christmas time. We need the help of all the children in the school. You should do this in order to become a member.

Who Will Help?

Keith Christman - 3

CITY WIDE CONCERT

On November 20th the fifth and sixth grades will go to John Appleseed Jr. High to hear a concert by the Mansfield Symphony Orchestra.

We will sing the Boys' Chorus from the Opera, Carmen.

We have been listening to a tape recording of some of the numbers so we will be able to recognize and enjoy the music more. We have been studying about the composers of the music we will hear. These included Beethoven, Elgar, Khachaturian, Schubert, Bizet and Copeland. By studying these composers we have added much to our learning.

Pam Lawless - 5

HOW TO KEEP OUR BUILDING CLEAN

We can help keep our building clean by not throwing paper on the rest room floors. Don't cut up paper and throw it down. Don't keep school paper in your desk. Don't knock coats on the floor.

When you take the cards up to the office put them in the basket.

We can keep every room in this building clean if only you will help follow these rules.

Faren Bronson - 3

OPEN HOUSE

Tuesday, November 10, was Open House at our school. This was held during National Education Week.

This gave our parents an opportunity to meet our teachers and hear about our work in school.

Many of our fathers and mothers came at this time.

Debbie Steverson - 5

OUR MOCK ELECTION

On Thursday, November 3rd, our class had a mock election for the boys and girls in the 4th, 5th, and 6th grades.

We made two voting booths in the hall. We chose six judges to represent the democrats and six to represent the Republicans.

(Continued on Page 4.)

OUR MOCK ELECTION (Continued)

Each person who voted signed his name in the register. Then they were given a ballot. They went into the voting booth and marked their ballot for their favorite candidate.

When everyone had voted we tallied the votes. These are the total votes.

VETERAN'S DAY

This day is in honor of all the brave soldiers who fought in World War I.

Many countries such as Canada, Great Britain, and France celebrate November 11 (Veteran's Day) because the war ended on Nov. 11, 1918.

In 1919 President Woodrow Wilson made November 11 as Armistice Day. In 1954 Congress changed it to Veteran's Day.

On this day parades and speeches are held. A special service is held at the Tomb of the Unknown Soldier, in honor of the

soldiers who died for their country.

Jed Roth - 6

FALL FIELD DAY

October 26th Grubaugh School went to Stadium Field to participate in Fall Field Day.

When we got there Mr. Bates, our Gym teacher, told us where we should go.

These children placed:

Gary Wooldridge - First place punting for distance.

Willie Bronson - Fifth place in the Obstacle Course.

Tarin Blaising, Mickey Shaull, and Bruce Weirick - Fifth place in the center pass and receiving.

Alan Taylor - Third place for kicking off the tee.

Jim Goldsmith - Fourth place for punt received.

Joel Weber - Fourth place for punt received.

Bonnie Parr - Fifth place for punting for the girls.

The other children participating were: Tom Hipp, Pam Dykstra, Bererly Keaton, Jeff Weber, George Barnes, Bob Johnston, Ricky Schnuerer, Bill Schmidt, Ricky Cyrus, David Feeman and Pat Williams.

Jeff Weber - 6

SCHOOL SPORTS

We have many school sports here at Grubaugh. They are: Soft Ball, Four square, Football, Kickball, Fall Field Day, Track, Basket Ball, Whiffle Ball, Socker, Races, Wrestling, Tumbling,

The exercises are: Burpies, Jumping Jacks, Knee Bends, Leg Lifts, and Sit Ups.

Tom Hipp - 6

NEW STAFF MEMBERS AT GRUBAUGH

MRS. ROSS

MRS. DAVIS

Mrs. Davis said she taught at Creveling and Springmill Schools before coming to Grubaugh. She is married and has five children. She has three boys and two girls. One is married and the other four are in school. She also has two grandchildren.

She likes Grubaugh very much. She likes teaching the first grade. She enjoys talking to the parents.

Terry Sprague - 5

MRS. BURNS

Mrs. Burns is not new to Mansfield Schools since she has taught here 15 years. She came to Grubaugh from John Sherman Jr. High. There she taught 7th and 8th grade music.

She enjoys working with the young people at Grubaugh. She has found them very cooperative. Her hobbies are reading and music.

Elaine Miller - 5

MR. BATES

Mr. Bates is our new Gym teacher. He lives in Ashland and graduated from Ashland College. He helped with the Gym classes at Brinkerhoff School last year.

We hope he will like being at Grubaugh School.

Alan Bowman - 5

Mrs. Ross, our new head cook, says she likes Grubaugh real well and thanks us for being good.

She has cooked at John Sherman and John Simpson Jr. Highs and at Mansfield Senior High for four years.

Mrs. Ross is a grandmother. She has a grandson and he likes to eat.

Mrs. Ross would like you to taste the food you think you don't like. Then you may learn to eat all the food that is good for you.

Alice Wirick - 5

MRS. WALKER

Mrs. Walker did her student teaching in the third and sixth grades here.

She is now teaching our kindergarten classes. She likes it very well.

In the kindergarten they read, sing, and draw pictures. The children work with clay and put puzzles together, too.

Kim Pittman - 5

CHRISTMAS HOLIDAY

Our Christmas vacation will start on Friday, December 18 at 3 o'clock.

We will have two weeks for our holiday.

We will return Monday morning, January 4, 1965.

Chris Maurer - 5

Miss Miles' Room

WINDOW PAINTING

Our class painted on our door window. It is a picture of the harvest season. There is a tree and a squirrel. The squirrel is eating a nut. It is night time.

Nancy Thorpe-5

OUR OFFICERS

We elected four officers for our room. We had four candidates for each office. After the voting was over we saw that Kim Pittman was president, Joel Weber was Vice President, Bruce Weirich was treasurer, and Randy Martin was Secretary.

Bruce Weirich-5

OUR COLUMBUS TRIP
OUR STATE CAPITAL

We started our tour of the capital in the rotunda. The rotunda's dome is 22 ft. high. Hanging from the dome is the United States Flag which is 13 by 27 ft. long. In the top of the dome, (lighted by light bulbs) is the seal of Ohio. In cases around the rotunda, there are flags dating back to the Civil War. The capital building was under construction for 22 years.

OHIO STATE MUSEUM

In the museum we saw a woman mummy. The coffin had a carved head on the top. On the side and feet there were prayers. The mummy was 2,000 years old. We saw pearl, bead, and shell necklaces. There were copper head-

dresses and earspools. We saw Grist Mills and a log cabin. In the cabin there were wax figurines. Some things Eskimos make were spears, boats, and their own clothes.

THE ZOO

At the zoo, we went through the (Ape House) the (Big Cats) house, and the (Bird House). In the Ape House one ape put on a show. He swung around his cage, did summersaults, and sucked his thumb.

In the Bird house there was a certain bird that would shake it's head and make a figure eight.

In the Big Cats house we passed a Lioness with two babies. We also saw a Black Leopard. When we came to the Lion he sat up and stuck his tongue out.

We went through the giraffe house. There was a father, mother and a baby.

Next, we went to the reptile house. They had snakes, and lizards. They also had alligators. Then we saw two huge elephants.

Pam Lawless-5

OUR TRAYS

In October, we started some trays. First we got some metal. We drew some pictures on paper. The best picture we put on the metal. We took a nail and a hammer and pounded it on. Then we crimped up the edges. If any edges were sharp we filed them.

SPELLING LABORATORY

This is the first year that we have had the spelling of Science Research Associates, Inc. I liked the spelling laboratory because it's fun to think of the answers. Sometimes you miss, but most of the time you'r right. The spelling laboratory has taught me to spell words I have found difficult. The Spelling Laboratory has Learning Wheels, Check Tests, and Achievement Surveys.

Randy Martin-5

FIRE PREVENTION WEEK

During Fire Prevention Week our class made a mural on Smokey the Bear. Terry Sprague wrote about fire prevention. Some of the boys and girls made pictures about how to prevent fires.

Sally Clifford-5

OUR PLANTS

We have many plants. The one I like best is the Rubber Plant. It has big leaves and is about 3' ft. long. Along the window sills are Geranium plants. They are very pretty. The Geraniums in our room are pink and red. They brighten up our room very well.

Kelly Gabriel-5

THE PRISM

A prism is shaped like a triangle, but it has a long body. If you put it up to the light a certain way you can see a rainbow on the wall. If you look into it every thing will have a rainbow around it.

We have a prism in our room. It came with the science kit. I have a small prism at home.

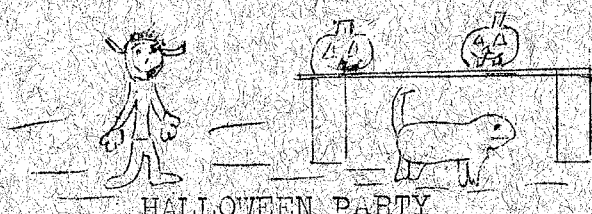

Tarin Blaising-5

OUR AQUARIUM

Our aquarium has three goldfish in it. It has a house for fish and two castles and one seashell. Alan Bowan brought the fish and put them in the aquarium.

Michelle Ewers-5

Miss Wolf's Room

Every room had a party in the school. I brought my little sister with me. She dressed like a Beattle. I dressed like a bum with my dad's shoes on. My little sister was afraid of some of the monsters.

Tamara Blaising-4

A SUMMER VACATION

I went to Cedar Point three times. I went on 74 rides every time I went. Bob Blair got us in free. He has a job at a radio station. He can get in any place free because he is special. We got candy popcorn, pop, and candy apples. Everything you could think of. I bet you would like to go. Don't you think so?

Greg Timmer-4

Miss Wolf's Room (cont)

THE HALLOWEEN PARTY

In room 12 we had a party. We came to school and went to the gym. We saw everyone in the school with their costumes on. Then we came back from the gym and went to our room. We guessed each one. Then we took our costumes off and had a treat. Then we had school. The Halloween Party was October 28, 1964.

Trudy Ross-4

MY SOCIAL STUDIES STORY

Christopher Columbus was born in Genoa, Italy. In the time Columbus lived people believed the world was flat. So they were afraid if they sailed out there too far they would fall off and be eaten by monsters. But Columbus believed the world was round. He wanted to prove the world was round by sailing around the Continent of South America. His voyage took 70 days to sail around the Continent of South America to the country of India.

Aleta Geib-4

NEW PUPILS IN GRADE 4

I went to school in Germany in the first and part of the second. Then I came to Kentucky and finished second grade. I went to third grade in Columbus, Ohio. We moved to Mansfield about a week before school started this year. I like this school the best of all.

Micki Malmstrom-4

In the first, second and third grades I went to school in Phoenix, Arizona. Then I went to Shiloh, Ohio and moved to Mansfield this summer. I like this school because it has steps.

Paul Prince-4

I came from Springmill School in Mansfield. I like this school very much.

Terry Bivens-4

I went to school here in the third grade. Then I moved to Hedges School. On Sept. 28th, I moved back to Grubaugh. I like this school better than Hedges.

Harold Williams-4

I lived in Virginia. We moved to Mansfield last summer. I like this school and my teacher.

Debbie McReynolds-4

I lived in Clairton, Pennsylvania until I came to Mansfield. I just entered this school on Oct. 21. I like this school very much.

Joan Tresh-4

I used to live in Portsmouth, Ohio. We moved to Mansfield this summer. I think it is a nice school here, but I like to go back and visit my friends in Portsmouth.

Kathy T.-4

I lived in Mansfield and went to Empire School in first grade. Then I moved to Ontario and then to Woodville. Last summer we moved back to Mansfield. I like Grubaugh better than any school I have gone to.

Sonya Hutchinson-4

Miss Wolf's Room (cont)

I lived in Modesto, California until this summer. I like Ohio better than California.

Steven Herndon-4

I came from Springmill School this year. I like Grubaugh School.

OPEN HOUSE

For Open House our class is making dioramas. Each child in the room is making his or her own. We are to choose a scene from a book that we have read so far this year. Also for Open House we are making pictures from our geography. We can make pictures of voyageurs canoes, May Day Festival, St. Martin's Day, or the pie-shaped villages.

Kenneth Stewart-6

WALKING IN THE RAIN

When I walk in the rain, I hear the splat, splat, splat of the rain on my coat. I hear the splashing sound of my shoes. I see the stream of water by the curb. I dream it's a big river with little boats swirling and twirling. I think of all the little flowers growing up. I think of the farmers' crops ripening. I think many things when I am "Walking in the Rain." I think the rain is a wonderful thing. It is very refreshing to walk in the rain seeing all the trees and flowers bursting with energy.

George Barnes-6

MY VACATION

This summer my family and I went to Pennsylvania for our vacation. We stayed with my Grandparents while we were there. Our cousins have a built-in swimming pool in their back yard. It is six feet deep at one end and three feet deep at the other end. We were going to go to Arlington Field to see the late President Kennedy's grave, but our car broke down on us. We were just 13 miles from Arlington when it happened. So we had to take a Greyhound bus back to York, Pa.

Mary Stipo-6

MY VACATION

On my vacation I went to camp. We have our own cabin. The camp was in Circleville, Ohio. We did lots of things. On the way back from camp we stopped at my aunt's house and had a cookout. Then about 5:30 we started home. When we got home we were real tired.

Karyn Harr-6

MY TRIP TO CALIFORNIA

We left Ohio on October 9, 1964 at 7:00 a.m. We traveled by car and the States looked very much like Ohio until we reached the Mississippi River. Oklahoma and Texas looked alike except Oklahoma has more oil wells than Texas. I was very surprised when I saw the mountains in Arizona. New Mexico was not a bit like Arizona. It looked more like the desert. We arrived in Los Angeles California on Oct. 11, 1964. We went to many places in Los Angeles. We went to P.O.P. (Pacific Ocean Park). I went to (cont)

Mrs. Burn s' Room (cont)

Disneyland too.

On October 26, we left California on the train to Chicago. In new Mexico and Arizona we saw homes made of clay. In Colorado and Kansas you could see for miles. From Kansas we traveled through Missouri and Illinois. We changed trains in Chicago and we were in Mansfield in seven hours.

Gary Kiser-6

KENNEDY AND LINCOLN

Both President Lincoln and Kennedy were concerned with the issues of Civil Rights. Lincoln was elected in 1860 - Kennedy in 1960. Both were slain on Friday and in the presence of their wives. Both were shot from behind and in the head. Their successors, both named Johnson were southern Democrats and both were in the Senate. Andrew Johnson was born in 1808 and Lyndon Johnson in 1908. John Wilkes Booth was born in 1839, Lee Harvey Oswald was born 1939. Both Booth and Oswald were murdered before trial could be arranged. Booth and Oswald were southerners favoring unpopular ideas. Both President's wives lost children through death while in the White House. Lincoln's secretary, Kennedy by name, advised him not to go to the theatre. Kennedy's secretary, whose name was Lincoln, advised him not to go to Dallas. John Wilkes Booth shot Lincoln in a theatre and ran to a warehouse. Oswald shot Kennedy from a warehouse and ran to a theatre. The names Lincoln and Kennedy each contain seven letters. The names Andrew Johnson and Lyndon Johnson each contain 13 letters. The names John Wilkes Booth and Lee Harvey Oswald each contain 15 letters.

Does History repeat itself?

Andrew Johnson was not re-elected. However, Nov. 3, 1964 the people overwhelmingly elected President Johnson. In this instance history did not repeat itself.

Alan Taylor-6

Mr. Hamilton's Room

CLASS NEWS

The children in room 6 are going to vote. We will vote for President, Vice President, U.S. Senator, Congressman, State Senator, and State Representative. Also in our room we are making little books about the different provinces of Canada which we are studying in Social Studies.

Barbie Jones-6

THERESA UPDYKE

Theresa Updyke is a new pupil at Grubaugh School. She used to go to Pleasant View School in Canton, Ohio. She likes it here very much. She likes the girls in room 6 and the boys are alright too. She misses her friends at Pleasant View School. Her hobby is oil painting. She lives at 627 West Fourth Street. There are eight children in her family - 6 girls and two boys. Theresa is the oldest in her family.

Vicki May-6

VACATION

On our vacation we went camping up at Lake Erie. Every day we would go swimming. After we went swimming we would go to the park that was right by the camping grounds. The park had lots of fun things to play on.

(cont.)

Mr. Hamilton's Room (cont.)

At night time we would have a fire and would make popcorn over the fire. When we went to bed I slept in the car because it was fun. When we got home I was so happy to see my friends and was happy to sleep in a soft bed.

David Freeman-6

VACATION

On Sunday my Dad would take me to Pleasant Hill Lake to swim. They had a sliding board that you can slide down in the water. My friends and I built a fort in my garage. We put up curtains in it and we put an extension cord in and I put my radio up there. My Mom went to the hospital and we ate out just about every day.

Miss Kooppel's Room

CLASS NEWS

Our class is busy doing art. We are making globes and putting up spice charts. We are busy with Halloween pictures, too. But we like it. We like art. And if we are good and quiet we have art more often. We have work to do in the morning like Arithmetic, Dictionary, and Spelling. In the afternoon we do Science or Social Studies, then we do our art. Some of us do different things.

Denise Bailey-4

WORLD GLOBES

We have been making our globes of the world. We are almost finished making them. We have to paint them.

(cont.)

We have to put the continents on them too. We just painted them. Now we have to paste on the continents. We've been making them for about two weeks. When we are finished we will put the names on the continents. We painted them blue. The continents are going to be different colors. They are probably going to be red, yellow, orange, and other colors.

Joe Bowie-4

NORWALK MUSEUM

On Sunday November 1st, my father took us to the Fireland Museum in Norwalk. The Fireland Museum today is famous for it's outstanding displays of antique guns, pioneer farm and household implements, early lighting, old-fashioned costumes and effects, coins, china, glass, pewter, prehistoric toys, geology and natural history exhibits, prehistoric Indian artifacts and many other items. The Museum library houses over 2,000 books for historical and genealogical research.

BOOK REVIEW

Miranda and the Cat
by Linell Smith

Once upon a time there was this little girl named Miranda. One day as she was playing ball, she dropped it. It rolled into the ally. When she went to get it there was a cat. He was hurt. So she wrapped him up in her sweater and took him home. When she took him to her mother her mother gave her money. She went to the vet and had it fixed.

DIVIDED CLASS

In room five the fifth grade got nine fourth graders. In room eleven they had too many in it, so they sent four from Miss Wolfe's room and five from room ten.
(cont.)

Then we went up to Miss Wolfe's fifth grade. We still do fourth grade work. I like it because I have a nice teacher.

Bruce Heaberlin-4

LETTERS TO STATES

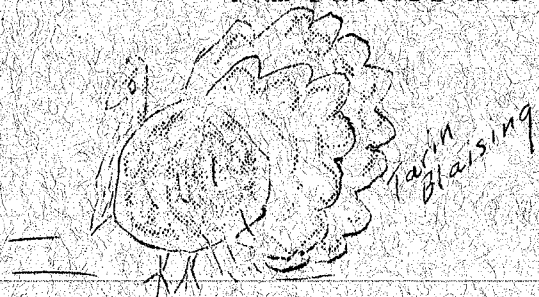

Miss Wolfe's fifth grade room wrote letters to the states in September. Suzann Terman, Bill Coe, Linda Gollohon, Charles Salyers, and Jackie Montgomery got back all of their letters which was theirs. Pam Patterson and Dana Spurgeon have gotten back two letters. The rest of the room have gotten back one letter. We wrote to the capital of each state in the United States and more than half have come back. We have gotten a lot of information from the governors of the states so far.

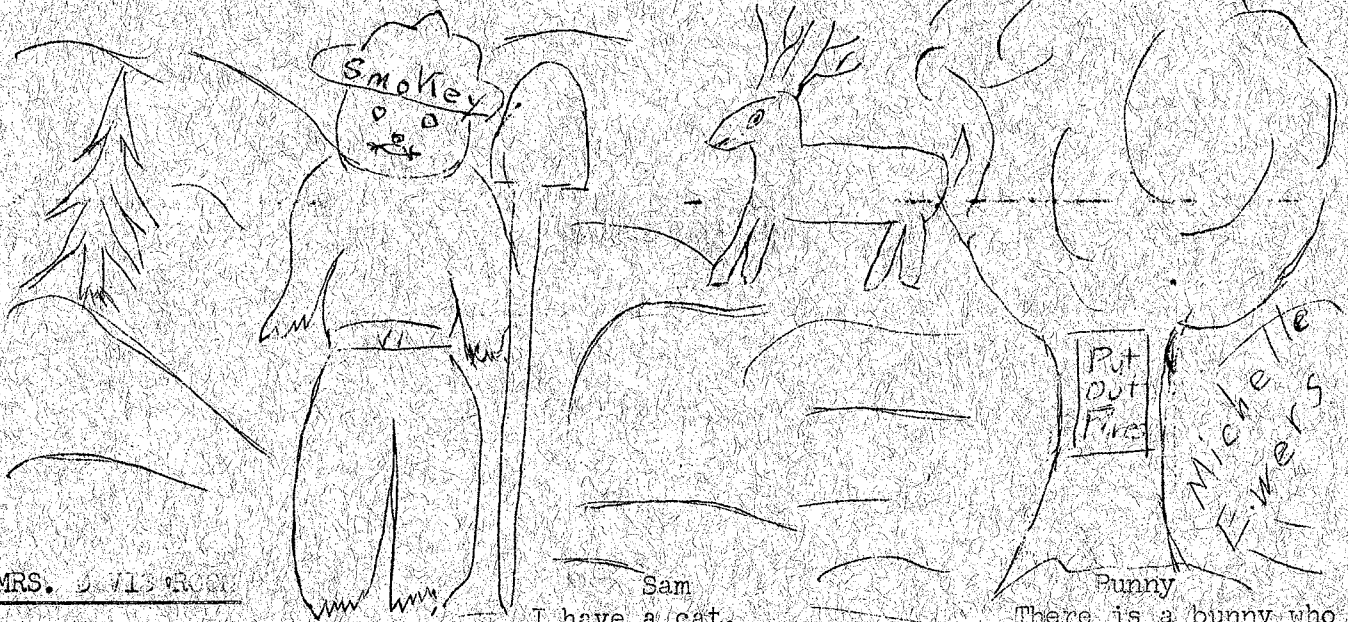

Barry Bailey-5

HOW TO STUDY

This year we have these books on how to study. We have made schedules. It's to help us remember what to do and how much time to work on it. We have learned how to arrange a place to study. It says to choose a quiet room, keep the room cool, work on a clean desk or table, use enough light, sit on a hard chair, keep all supplies nearby. The next thing it is about how to listen in class. So far it's helped me.

Thanksgiving

The Pilgrims landed in Plymouth in November of 1620. Their first winter was long and cold. Food was scarce. There was much sickness. No one knew whether the Indians would stay friendly. But after spring came, everything was more promising. From the Indians the Pilgrims learned how to farm and vegetables were good. At harvest time Governor William Bradford, the head of the colony called on his people to come together and give thanks to God for the good harvest.

This was the first Thanksgiving Day in America.

MRS. STULL'S ROOM

Our Trip

We are going to the News Journal to see how the news reaches newsmen. We will then see what they do with it and how it is then printed and made into a newspaper.

Grubaugh School

My name is Larry Templeton. I have come from Pontiac, Michigan. The school I went to was Webster. It was very little but there were four teachers of each grade. We did not learn as much as I do here. I did not learn how to write or do as much arithmetic there but we learned to divide and multiplication. I like both schools.

How I Can Earn Money For Civic Fund

I can earn money by helping my mother clean the house. Another way is raking the yard, and sweeping the sidewalks. I think it is fun to earn money. I like to help children that are crippled and have cancer. We can help other people by doing this. Won't you help them?

Carol Parr--3

My Favorite Sport

My favorite sport is football. I like it because I think it is fun to play. The best part I like about it is when I can go out for a pass. When I play, I always play quarterback. I play with Victor Weber. He is a good halfback. I play on a football team and so does Vic. I think football is fun to play.

Jimmy Them--3

Sports

Swimming is my best sport. I like to swim. The YMCA taught me. Swimming in a pool is safer than just any old place.

Dennis Crazo--3

My Sport

I like to play football. Chuck plays with me, too. I put the ball on a tee. I like to catch the ball.

The Day Our Furnace Was Torn Out

One day we got our furnace torn out. They made a lot of noise. They put the scraps in the yard. When they put the new furnace in, they used some of the old pipe. What fun it was to watch them.

Hummingbird

A hummingbird is a small animal, but it can many things that larger birds

can do. A hummingbird can fly many miles without stopping. A hummingbird is about three inches long. Two or three baby hummingbirds can be held in a spoon. It is one of the fastest, too. When it flies a hummingbird often moves its wings so fast that they cannot be seen clearly.

My Pet Bird

I have a pet. It is a bird. His name is Boy. Boy is a baby bird. He is one year old. I got him for five dollars. I got the cage with him. He likes to eat, too. He likes to take a bath once a week. Jamie Grubaugh-3

My Pet

I have a pet dog. His name is Bandit. Whenever I come home from school, he jumps on me and licks me. When I play with him, I always hold my hand in his mouth and he will chase me and bite me. We named him Bandit because he has two black rings around his eyes. Bandit is little and fat, but he can run fast. Bandit's mother's name is Molly. His father's name is Herkey. Herkey is my sister's dog.

Gene Maurer--3

My Pet

My pet is a dog. He can do tricks. He can sit up and roll over. But he cannot bite. He plays with me and my friend Dennis. He is my best friend. My dogs name is Lady. Lady is my only dog.

Jim Willis--3

My Pet Dog

He turns over and stands on his two feet and dances with me. We play ball together. But we took him to the farm yesterday. We miss him. We don't have fun anymore. When we go to the farm we see him and he jumps up on me.

Our Trip

This summer we had fun. We went to Ohio Caverns. We went under the ground. It was fun to look at the white stones. They looked like ice. We went to Alpina, Michigan. We couldn't go in the water because it was stony. It was boating water, too.

Carla Boll--3

Our Trip

For our trip we went to the New York World's Fair. It was fun. We saw lots of exhibits. We saw the General Motors exhibit. We got to ride around in future car seats and watch future home scenes. It was fun and we liked it.

On our way home, we were going by a lake. Just then my Mother saw some barges coming down a little

lake. We all looked and saw it. It was loaded with wood. We thought it was fun to see things.

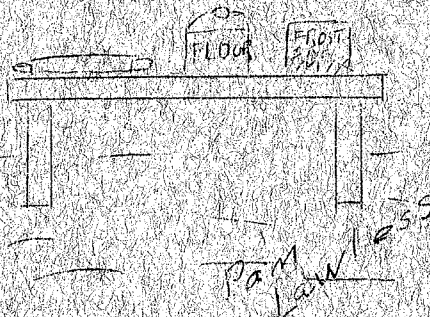

Koith Christman--3

My Vacation

I took a vacation to Niagara Falls. It was out of the United States. It got very, very exciting. It is about 300 miles away. There is a Seagram's Tower, too. We had to find a hotel. One night we went to a museum. Then we went to a floral clock at Queenston. There was a Thousand Island cruise. We went to Old Fort Henry.

JOKES

Bob (eating an apple): Yipe! I just swallowed a worm.

Joel: Come right in the house and I'll give you something for it.

Bob: Nope, I'll let it starve.

Shoe salesman: What size of shoe do you take?

Debbie: Oh, I take size five, but six is so comfortable that I always buy sevens.

Randy: Are you using your lawn mower this afternoon?

Kim: Yes.

Randy: Fine. Then I can borrow your tennis racket. You won't be needing it.

Sally: How is your typing speed coming along?

Linda: Fine. Now I can make twenty mistakes a minute.

Arithmetic Teacher: Joe, if you found forty-five cents in one pocket and thirty-five cents in the other, what would you have?

Joe: Somebody else's pants.

Claude: My father is an Elk, a Lion, and a Moose.

Garry: How much does it cost to see him?

Mickey (absent-minded): Conductor, would you be kind enough to stop and let me off? I thought this was a lunch wagon.

Teacher (to noisy pupils): Order! Children, order!

Student: Oh, I'll have chocolate ice cream and fudge cake.

Carolyn: What are you doing?

Alice: Chasing away elephants.

Carolyn: There isn't an elephant for 2000 miles.

Alice: I know. I'm doing a good job aren't I?

Father(proudly): Don't you think our son gets his brains from me?

Mother: I sure do. I still have mine.

Jim: What did no. arithmetic book say to the other?

Roy: Boy, do I have problems!

Mark: Seven copycats were sitting on a fence. One jumped off. How many were left?

Dennis: None.

Paul: What do you do if there is a beetle on your arm?

Mary: Twist and shout.

Sally: I found a horseshoe this morning.

Ruth: Do you know what that means?

Sally: I sure do. Some poor horse is running around with a bare foot.

Miss Carson: I don't see how one person could make so many mistakes in his homework.

John: Oh, it wasn't one person. My father helped me.

Jack: Why are hurricanes named after girls?

Bill: I don't know.

Jack: Did you ever hear of a himicane?
