5MILL LEVY

You know that the 5 mill levy is the three mills which expire in December plus two additional mills. You know the three mill levy now expiring was passed five years ago.

Do you know that in the last five years we have grown-1,500 pupils, 67 teachers, and 17 janitors? Do you know that this 5 mills means 34% of the money for the operation of the schools?

Will you make sure that your friends understand so they will vote "YES" for the 5 MILL levy also?

MR. CLARK

Johnny- What makes the new baby at your house cry so much, Nancy?  
Nancy- (Indignantly)- It doesn't cry so very much - and anyway, if all your teeth were out, and your hair was off, and your legs were so weak you couldn't stand on them, I guess you'd cry too!

\*\*\*

Linda- Let me have ten cents' worth of bird seed.

Clerk- How many birds have you?

Linda- None, I want to grow some.

\*\*\*

Saundra- Why is the sun mean?

Mary- Because it tans children's skin.

\*\*\*

Topsy-Turvy

Pat- What always walks on its head?

Diane- What?

Pat- A nail in a shoe.

\*\*\*

If You Can

Teacher- If you wanted to catch a rabbit, what would you do?

Jimmy- I'd go in the woods and make a noise like a carrot.

\*\*\*

Naturally

Auntie- Do you like going to school?

Billy- Yes, but I like coming home better.

So There

Sister- I'll bet you don't know what pasteurized milk is!

Brother- I do too! It's milk from a cow in a pasture.

\*\*\*

Same Here

Betty- What grade did you get in the arithmetic test?

Sue- That's a personal question and my mother says it isn't polite to ask personal questions.

Betty- Too bad, I didn't pass either.

\*\*\*

Dopey Doings

Jim- Why did the dope comb his hair foreward in the morning?
