Norine Daugherty -5

MRS. BERRY

Mrs. Berry is our new secretary.

She came from Hedges School. She was there seventeen years. Then she came here.

She has two sons. And one is 34 years old. She has one granddaughter. She is fifteen months old.

We hope she likes Grubaugh School.

Sandra Stranski -5

ASSEMBLY

Wednesday, November 28, we are going to have an assembly at 1:45 P.M. in the gymnasium. Mr. William Parsons is going to speak. Mr. Parsons is a Naturalist, Photographer and a wildlife specialist.

Mr. Parsons is going to present a Natural Science Story of wildlife and its struggle to survive. We will see creatures of the woods and hear actual forest sounds.

Debbie Cunningham-5

MRS. THEM

Mrs. Them likes our school very much.

She is married and has a daughter and three granddaughters. She has good friends. She started last February. She substituted in about six or seven different schools. She likes cooking for the school.

Her hobby is rock collecting. She belongs to a club called Richland Lithic and Lapidary Society, Inc. Their meetings are held at Kingwood. She goes out west on vacations in Idaho and digs for star garnets. She likes working with Mrs. Paul and Rosey.

Michelle Martin -5

GOOD SCHOOL CITIZENS

The boys and girls o of our school should be kind and thoughtful all the time to make good citizens.

They shouldn't push in line or fight in the building or on the playground. They should be courteous.

Tom Yates -5

CANDY SALES

The School had a candy sale. The Mothers' Club bought the candy for us to sell. They bought prizes, too. We sold the candy and gave the money to the Mothers' Club. We got prizes for selling the candy. We make a lot of money for the school. The Mothers' Club gave all the teachers seventy-five dollars each for their rooms.

Beth Sekinger-6

BEING A GOOD SCHOOL CITIZEN

Some of the good rules for being a good citizen of the school are:

1. Walking down the stairs.
2. Be quiet in the cafeteria.
3. Don't run in the halls.
4. Don't go in the woods.
5. Don't push
6. Never take off hats on other children's heads.
7. Never throw rocks or sticks.
8. Don't go down in the park.
9. Don't push in line.

Kevin Ringold-5

V.B.B.

Boys and girls can play this game. It is volleyball, baseball, basketball all put together. When we play it, we have to hit the volleyball and then run the bases. But the outfielders can get you out by throwing the ball three times then make a basket with the ball.

It is part of our gym. In gym, Mr. Jenkins thins it is a good sport.

Robert Hamlin-5

SCHOOL LIBRARY

Everybody knows that the School Library has many good books for you to read in the cafeteria.

You can go down to the cafeteria every Thursday in the morning.

You can get a book and take it to your room. When school is out, you can take the book home and read it.

Read more books.

Donna Goad-5

JR. RED CROSS

The boys and girls of our school made favors for the Junior Red Cross.

Miss Miles' room made 113.

Mrs. Rheinbolt's room made 15.

Mrs. Cassel's room made 22.

Mrs. Carver's room made 6.

These favors were sent to Mansfield General Hospital.

We thank the people who helped us make these favors.

We received a nice thank you note from Mrs. E.O. McClehahan who was a patient in the hospital.

Tom Yates-5

MARINE PROGRAM

I liked the Marine Band with all of its good music. I especially liked their playing the songs "Impossible Dream" and "The Stars and Striped Forever." The trumpet solo and the clarinets and cornets were very good. The whole program was really great.

The program was at Mansfield Senior High, November 8th at 1:00 P.M.

Danny Lanthorne-5

CLASS NEWS

MRS. CARVER'S SIXTH GRADE

CLASS NEWS

In our room we're doing some fun things. We dissected a cow's tongue and a slug. Steve Bailey dissected the slug. He cut it open in the middle.

In math we're doing decimals, adding, subtracting and multiplying them. Some are easy and some are harder.

In Social Studies we're studying about the United Nations and what they do. Later on this year, Mrs. Carver will put us in different groups like the UN and give us some problems that are happening in the world and let us decide what to do about it.

Steve Purvis-6

OUR NEW COOK

Our new cook's name is Millie and she is very nice. And I feel like she has been here a long time, but she has been here a few months. I hope she stays here a very long time.

Robert Kareff-6

TWO GROUPS

In our class we have two groups. One of the groups is called the Newstime Group. The people in the Newstime Group read silently to theirselves out of the Newstime Weekly Reader. At the end of the week they have a test on certain pages and words out of the Newstime. The other group is called the Read Group. They read out of a Read Magazine. They do the same thing as the Newstime Group except they read out of their magazine. At the end of the week they have a test on certain pages just like the Newstime Group. I am in the Read Group.

Carolyn Hilliard-6

THE NEW WORKER IN THE CAGETERIA

Milly is the new worker this year. She is very nice. I can tell that she works very hard and whem one of the 6th grade cafeteria workers does something wrong she does not scold us for it, she tells us and then she shows us how to do it. Even though she is a new worker, she works like she's been there all her life.

Penny Duffy-6

TUMBLING TEAM

Our school has a tumbling team. On the team we have 34 kids. Also we have leaders, their names are Cathy Myers, Penny Jones, Tammy Bandagski, and Denise Johnson. We have it in the morning on Monday and Wednesday and every day after school. Mr. Jenkins says he wants the kids to work as hard as they can. Our show will be either in March or April.

Tammy Bandagski-6

MRS. CARVER'S CLASS

In Mrs. Carver's Class we have been doing a lot of things. She is getting us ready for next year so we will understand it better. When everyin the class is finished with their work, we do art or more work. I really like 6th grade. Mrs. Carver really helps us to understand. Last year a lot of kids said they loved her, and that if you are nice to her she'll be nice to you. Mrs. Carver is a nice teacher.

Tevara Blaising-6

MR. HAMILTON'S SIXTH GRADE

Denise Johnson
Cathy Keller
Wendy Poth
Melissa Wolfe
Kristin Wolfe
Sharon Miller
Lara Parker
Penny Jones
Jimmy Trine
Jimmy Stevens
Alan Karf
Mark Shrok

These are some of the tumblers but there are more. We go tumbling in the mornings and sometime after school. We are going to another school to see how they tumble. But we have to practice before we go.

The things we do are: cartwheels - roundoffs - handsprings - fishflops- Chestrolls - backbends - walkover - backbend fishflop - back hand spring and back flip

We have had this tumbling team for a long timr. Some of us have been on it for four years and we have had fun all of these years.

Penny Jones-6

FALL FUN

The fall is the next best thing to Christmas.

Well here are things that we have fun to do in fall:
1. We rake leaves
2. We play in the leaves.
3. Jump in the leaves.

Those are just some of the things we do.

You know God put those leaves there for a reason.
1. So we have shade.
2. To make the world pretty.

Gina Marberry-4

MISS MILES
FIFTH GRADE

CLASS OFFICERS

We have elected class officers. They are Danny Lanthorne for president, Norine Daugherty for vice president, Brenda Bradshaw for secretary, and Jeff Robertson for treasurer. If someone is sick, the president leads the class in the morning.

We also have class helpers. They clean the boards, fix the shades, clean paint brushes, check desks, pass the wastebasket and check the cloakroom.

Norine Daugherty-5

OUR SEVENTY-FIVE DOLLARS

The Mothers' Club gave each room $75.00 to spend on their room. Our room was talking about what we could spend it on. Here are some of the suggestions: Drinking fountain and sink in our room; pets in our room for science. Spend it on trips and buy new library books for our room.

Our room really does appreciate the money. Thank you very much.

Brenda Bradshaw-5

INSTRUMENTAL MUSIC

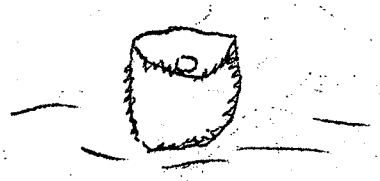
Our teacher is Mr. Kramer. He is nice. I play a clarinet. I do it well. One of the people in the music class flunked. we play every Wednesday. We play sometimes in the cafeteria or in the stock room. There are six in our class. We have learned about 11 notes in the past 7 or 8 weeks. I hope I can make it to the big bands.

Sandra Stranski-5

MAKING LEATHER GIFTS

In Miss Mile's room, we are making leather Christmas gifts. For example: Miss Miles showed us some coin purses, billfolds and key cases. The people who brought leather are: Norine Daugherty, Brenda Bradshaw, Michelle Martin and Debbie Cunningham. We have one great big box full of leather. We plan to make Christmas presents for our parents and grandparents.

Debbie Cunningham-5



THANKSGIVING PLANS

We are planning to have company over. We are going to have turkey and dressing. My brother said that he wanted ham because everyone else wanted turkey. He has always been the odd one of the bunch. We are going to have a big dinner. I am thinking if my cat has her kittens by then, we can dress them up as pilgrims. I am going to help cook the dinner. My brother will say he is not going to eat and he will stand in the doorway drooling and eyes watering. He finally gets up enough nerve to sit down and eat.

Michelle Martin-5

LIBRARY READING

In our room, we have a special place where we put names of the books we read. It is in a file cabinet by the teacher's desk. You write the name of the book, author and how many pages there are. I have read 20 books altogether. I read six the first term and 14 the second term. I have fun reading in my spare time.

Lisa Rothrock-5

MISS RHEINBOLT'S FIFTH GRADE

MUSICAL INSTRUMENTS ARE FUN

In Grubaugh School pupils are happy about their string music classes. Their teacher Mr. Bernhart, is very nice. He is happy with our music, too, because we like to play. It makes a beautiful sound. Those who play violin in the fifth grade are: Cindy Price, Mary Jane Stone, Wenid Poth, Julie Erdenberger. Musical Instruments are really fun

Cindy Price-5

AUTUMN LEAVES

My favorite time of year is fall, a fall like we had this year with the leaves all red, orange, yellow and green. The most fun of all is playing in them. Have you ever played in a pile of crispy leaves? It is like a dream. You feel like you are floating through the air. It makes you think you are out in space.

Shawnee Bivens-5

NEW PUPILS

We have three new pupils this year in our room. Their names Chris Lovett, Montie Henderson and Kristan Kauffman. Chris comes to Grubaugh from Peru, Indiana, Montie from Madison South, and Kristan from Hedges.

Jayne Oberlin-5

OUR NEW PRINCIPAL

Mr. Sidle is our new principal. When something happens on the playgroung, he is out to discover what has happened.

When some people are bad the teachers send them to Mr. Sidle and he finds out what is wrong. Everybody loves him and Mrs. Berry, our new secretary.

Tina Goad-5

Dear Mother's Club,
We want to thank you for the nice Halloween party.

I like Thanksgiving Day. You give thanks to God for the things He gives you. He gives you lots of things like food and clothes and shelter. You eat lots of food. Have a happy Thanksgiving Day.

Keith Lewis-4

AUTUMN

I like autumn because all the leaves fall. And you can play in them. There are many pretty leaves on the ground and up in the trees. You can have lots of fun in autumn. I like to rake the leaves. I like to have leaf fights. Sometimes I take some leaves and press them.

Cynthia Myers-4

OUR NEW PRINCIPAL

We have a new principal. His name is Mr. Sidle. He is very nice. I hope he stays with us a long time. He is very tall too, but I like him.

Cybthia Myers-4

MARINE BAND

When Eisenhower was president, the Marine Band was the foremost band in America. But now there are others. The first Marine Band was made up only of horns. It was formed in Washington D.C. The Marine Band only has people from the U.S. Marine Corps. It has drums and horns and the music they play is patriotic.

Barbara Kopcial-4

TUMBLING TEAM

I like the tumbling team because it is a lot of fum. I like tumbling more this year than I did last year. I can tumble better, that's why.

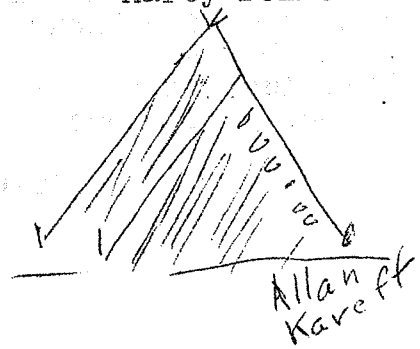
It was fun when we had a show for the Mother's Club.

We go in at 8:15 A.M. and come out at 8:40 A.M.

Mr. Jenkins is our leader.

We have 35 pupils.

Marcy Belmer-4



MAYFLOWER II

In spring of 1957, a little ship Mayflower II went from Plymouth, Massachusetts. It was just like the one the Pilgrims came to America in 1620. It was the same size as the first Mayflower, 90 Feet long and 25 feet wide. It had a few extra things that the first one did not have.

Janice Spertzel-4

THANKSGIVING

On Thanksgiving Day, people should thank God for what He has done for us, like the pilgrims did.

I am glad that Thanksgiving Day is coming soon.

Happy Thanksgiving Day.

Forrest Richards-4

OUR FARTY

We thank the mothers for coming to our room when wh had the Halloween party.

We all appreciated the things they brought. Thanks again.

WINTER

Winter is coming
I just can't wait
For sledding, for
slieghing.
I just can't wait
All the children
Playing
And all the parents
freezing
And they all getting
presents and gifts.
They are saying
winter is coming.

Jennifer Hazen-6

ORIGINAL POEM

Fish are blue and some
are named Sue.
Some are new and some
are blue.
Some are gold and some
are sold.
Some are cold and some
are scold and some
Are gold.

James Schnwll-2

LEAVES

Leaves are here to
stay,
Some of them run away,
When you go to play,
The leaves fly away.

Jackie Norris-6

AUTUMN

The autumn leaves are
tumbling down,
In colors of red,
yellow and brown.
Whirling, twirling,
rolling to the
ground,
They hardly ever make
a sound.

We rake the leaves
into a pile,
And then we go and
rest for awhile.
We carry them into
the front yard
O, boy! we thought
the work was hard.

We played in them for
a long time
And then my big sister
found a dime.
We all went inside to
take a nap,
But we had to look
for my cap.

Norine Daugherty-5
and class

COLOR SNOW

Snow is white
Snow is pink
Snow is gold
And other things.

Toni Kaufman-3

AUTUMN

The autumn leaves fall
to the ground
And then they scatter
all around
And after they
scatter around,
They are nowhere to
be found.

Allen Kareff-5

LEAVES

Then I rake them in
a pile
And I play all the
long, long while
When I leave them for
all the long night,
At morning, it's a
scrambled sight.
Now the leaves are
finally in a pile,
I really have to give
a big smile.

Lisa Rothrock-5

TREES

Trees have leaves
that fall,
Some trees are short,
some trees are tall,
When the wind blows
and blows,
It's just like every
tree just snows.
